

Ford Galaxy

Feel the difference

# 0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

**The ultimate space capsule for  
your intrepid little voyager**

'Prepare to undock from the mother ship,  
Commander. Initiate launch sequence!'

Model shown is a Ford Galaxy Titanium X in Parkside metallic paint (option),  
Ford Key-Free System (option) with 'Ford Power' engine start/stop button,  
17" 5x2-spoke alloy wheels and sliding roof crossbars (accessory).

**Because every little princess  
deserves a beautiful carriage**

'...and the king took me to the tallest tower in  
the highest castle in all the land.'

Model shown is a Ford Galaxy Titanium in Panther Black metallic paint  
(option) with 18" 5-spoke alloy wheels (option).

**Special enough for the most demanding little diva.  
And her entire entourage too**

'I wanted dad to wear a chauffeur's hat,  
but he said he had to draw the line somewhere.'

Model shown is a Ford Galaxy Titanium X with soft-feel Windsor leather interior in Biscuit, Rear Seat Entertainment System (DVD) (option).

#### Get folding

Popular belief holds that a sheet of paper can only be folded in half seven times. Ford Galaxy's seats, on the other hand, can be folded in any of 32 different ways so you can find the perfect configuration.

#### Capless refuelling with Ford Easy Fuel

No dirty fuel caps to touch. Plus Ford Easy Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard)

Your car should be as versatile as you are. Ready to respond quickly and easily to fresh challenges, as and when they come along.

#### Ford Fold Flat System (FFS)

Each second and third row rear seat folds flat individually in seconds, creating a myriad of passenger- and load-carrying possibilities. Second row seats also slide forward and back to optimise leg room and all rear seat backs tilt for improved comfort.

#### Power child locks

Secure your most precious cargo with a flick of a switch on the driver's door. (Not currently available in the UK)

#### Second row centre seat belt retainer

Simply let go of the belt and the catch glides out of the way into its 'parked' position. (Standard)

#### Blind Spot Information System

Blind Spot Information System is a high-tech visual aid that's designed to make longer journeys a far more relaxing experience.

As another vehicle – a car, van, lorry or motorcycle – enters your blind spot, Blind Spot Information System alerts you with a discreet warning light built into the driver's door mirror. (Option)

#### Power on demand

Twin-clutch Ford PowerShift transmission offers smooth, dazzlingly fast automatic gear changes, with no interruption to the flow of power. (Option)

#### Boosting efficiency

Our excellent range of turbo diesel engines are now joined in Ford Galaxy by the first of a new generation of high-efficiency EcoBoost SCTi turbocharged petrol engines, which combine higher power and a broader spread of torque with reduced emissions and lower fuel consumption. The range-topping 2.0 EcoBoost SCTi delivers 203 PS, with excellent combined fuel consumption of 34.9mpg.

A great place to be

With its advanced technology and premium design, the new Ford Galaxy combines first-class driving quality with the highest levels of space, comfort and innovation. Simply put, it's the most accommodating and refined family car on the road today.

#### Feel the power, not the shift

Ford PowerShift is the next generation of automatic transmissions, featuring a new state-of-the-art 6-speed automatic transmission.

Ford PowerShift cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power, just as smoothly and seamlessly as a baton pass in a perfectly executed relay race.

Ford PowerShift truly delivers improved fuel economy compared to a conventional automatic and has a manual mode that allows you to switch gears at the flick of a lever.

#### Welcome aboard

Ford Galaxy's light, airy and relaxed atmosphere can be further illuminated by the brilliant glass panorama roof. A Solar Reflect coating helps to keep the interior cool, while internal blinds provide shade and privacy when required. (Option)

#### Ford Key-Free System with 'Ford Power' engine start/stop button

Start the car and lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Option on Titanium and Titanium X)

#### Adjustable Speed Limiting Device (ASLD)

Uses Ford Galaxy's familiar cruise control switches (cruise control standard on Titanium and Titanium X) to set the car's top speed from 20mph and upwards. Exceed your preset speed and a warning chime and/or light will be activated. (Only available with Euro Stage V 2.0 TDCi and 2.0 EcoBoost engines; Option on Zetec, standard on Titanium and Titanium X with certain engines).

The new, soft-feel leather steering wheel adds a touch of luxury to every journey. (Standard on Titanium and Titanium X)

#### For your listening pleasure

The Premium Sound System's high-performance speakers and powerful 90W subwoofer ensure you enjoy only the highest quality sound reproduction. (Not currently available in the UK)

Like a classic tale, Ford Galaxy is created to endure. From the precision of the engineering to the luxury and craftsmanship of the interior, only true quality can stand the test of time.

Enduring quality

#### LED rear lights

Lighting technology at its most eye-catching. (Standard)

#### A rarefied atmosphere

Ford Galaxy's soft Windsor leather seats ensure you will always feel special, whatever the occasion. (Option on Titanium, standard on Titanium X)

#### Relentless testing

During its development, we test drove the Ford Galaxy the equivalent of 87 times around the globe. Pushed it through the extremes of real-world weather, from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

Ford Galaxy's advanced Intelligent Protection System (IPS) uses a range of sophisticated technologies to keep you protected, including an ultra-high strength steel safety cage, an anti-lock braking system (ABS) with electronic brake-force distribution (EBD), and front, curtain and driver's knee airbags. All contribute to a maximum '5-star' Adult Occupant Rating in Euro NCAP crash tests and a '4-star' Child Occupant Rating.

#### Clearly better

Ford Galaxy's Quickclear electrically heated windscreens clear snow, ice or condensation at the touch of a button. (Standard)

Intelligent protection

#### Auto Hazard Warning Lights

The hazard warning lights (front and rear indicators) are automatically activated during heavy braking, giving following drivers advance warning of a potentially hazardous situation. (Standard)

#### The Ford Galaxy IPS includes:

1. Driver's and front passenger's airbags\*
2. Driver's and front passenger's side impact airbags\*
3. Side curtain airbags for first- and second-row seats
4. Driver's knee bolster airbag
5. Collapsible steering column and pedals For optimised protection of driver's legs and feet.
6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
7. Pre-tensioners, load-limiting retractors and height-adjustable mounts on front seat belts
8. Anti-submarining seat bases
9. Anti-lock brakes (ABS) with electronic brake-force distribution (EBD) and Emergency Brake Assist (EBA) (included with ESP)
10. Emergency Brake Warning

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats.

\*A passenger airbag deactivation switch is available as a Dealer-fitted option

#### Tyre Pressure Monitoring System (TPMS)

Tyre Pressure Monitoring System (TPMS) alerts you in case of deflation (Image shown here is with Ford Convers+ Instrumentation). (Option)

#### Bi-xenon HID headlights

Ford Galaxy's Bi-xenon HID headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers. (Standard on Titanium X; Option on Titanium)

Electrically-operated and heated door mirrors with body colour housings and side indicators  
(Standard)

Silver-finish integrated roof rail system for sliding crossbars  
(Silver-finish integrated roof rail system is standard and the sliding crossbars are available from your Ford Dealer as an Accessory)

Ford Easy Fuel capless refuelling system  
(Standard)

## Zetec

Zetec proves that premium quality and eye-catching style are integral to every Ford Galaxy.

### Key features

- 16" 5x2-spoke alloy wheels
- Front fog lights, LED rear lights
- Park assist - front and rear sensors
- Bluetooth® and Voice Control System
- Silver-finish roof rail system
- Electrically-operated and heated door mirrors
- Electrically-operated front and rear windows
- Seven individual seats with Ford Fold Flat System (FFS) (2nd and 3rd row seats)
- Driver's seat height adjustment with manual lumbar support
- Folding tray on driver and passenger seatback
- Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)
- Ford Intelligent Protection System (IPS)\*
- Ford Easy Fuel capless refuelling
- Thatcham Approved alarm
- Stereo CD/Radio with MP3 player AUX socket

\*Note: A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats.

Image above: Model shown is a Ford Galaxy Zetec with Moondust Silver metallic paint (option) and Solar Reflect windscreen (option).  
Image opposite: Model shown is a Ford Galaxy Zetec with Daphne in Silver interior and cruise control (option). Only vehicles fitted with optional cruise control with stage V 2.0 TDCi and 2.0 EcoBoost engines are fitted with Adaptive Speed Limiting Device (ASLD).

Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)  
(Standard)

Centre console - Stowage bin, hinged armrest, and two moulded cup holders  
(Standard)

Human Machine Interface (HMI) toggle controls  
(Standard)

## Titanium

The new Titanium is the most exciting Ford Galaxy yet, perfectly combining contemporary luxury with the latest innovative technology.

### Additional to Zetec

- 17" 5x2-spoke alloy wheels
- Privacy glass
- 'Ford Power' starter button
- Automatic headlights and rain sensing front windscreen wipers
- Sony CD audio system with DAB radio and USB/MP3/iPod® connectivity port
- Full-length overhead console with stowage compartments, sunglasses holder and child observation mirror
- Sports-style front seats
- Cruise control\*
- Solar Reflect windscreen
- Luxury woven headliner
- Ford Convers+ premium instrument cluster with colour display
- Dual-zone Electronic Automatic Temperature Control (DEATC), with rear compartment cooling
- Chrome finish to front grille, doorline, door and tailgate handles
- Auto dimming rear view mirror
- Front footwell illumination
- Brushed metal door spears and instrument panel inserts

\*Includes Adjustable Speed Limiting Device (ASLD) on Euro Stage V 2.0 TDCi and 2.0 EcoBoost engines  
Image above: Model shown is a Ford Galaxy Titanium with Panther Black metallic paint (option).

2.0 Duratorq TDCi (140 PS)  
2.0 Duratorq TDCi (163 PS)

Each distinctive wheel enhances Ford Galaxy's sleek design. And for added safety in the event of a puncture, opt for the innovative runflat tyres with Tyre Pressure Monitoring System, available with 17" 5x2-spoke alloy wheels.

## Wheels

**Left:** 17" 5x2-spoke alloy wheel (Standard on Titanium and Titanium X; Option and Accessory)

**Standard** = Standard on your vehicle.

**Option** = Can be ordered only together with your new vehicle.

**Accessory** = All alloy wheels are available from your Ford Dealer as an accessory.

**Note** The 18" wheels available on Ford Galaxy are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16" and 17" wheels.

16" 5x2-spoke sparkle silver-painted alloy wheel (Standard on Zetec)

17" 15-spoke sparkle silver-painted alloy wheel (Accessory)

Ford Individual 17" 5-spoke mystique silver-painted alloy wheel (Accessory)

17" 5-spoke sparkle silver/front machined alloy wheel (Accessory) Also available in sparkle silver-painted finish (Accessory)

17" 9-spoke anthracite/front machined alloy wheel (Accessory)

16" 5x3-spoke sparkle silver-painted alloy wheel (Accessory)

18" 5-spoke alloy wheel (Option and Accessory)

Ford Individual 18" 5-spoke mystique silver-painted alloy wheel (Accessory)

18" 5-spoke Y-design anthracite/front machined alloy wheel (Accessory, Part number 1440631)

#### Ford Individual Rear Seat Entertainment System (DVD)

Features a built-in DVD player with two independently-operated LCD 7" screens, remote control and two wireless headphones. So even your more demanding passengers can enjoy movies and computer games. (Option)

**Toggle controls**  
Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel.

Travel far and wide. But never give up your home comforts.

**Sound and vision**

#### USB interface

Built-in connectivity for your iPod®, MP3 player or USB stick. Lets you listen to and operate your player via the car's audio system, with the playlist shown in the Convers+ display. (USB connectivity port and Convers+ is standard on Titanium and Titanium X; USB connectivity port is available with optional Sony DAB audio system or optional Navigation systems on Zetec). A dedicated connector cable is available as an accessory for operating most MP3 players and iPods®

#### Premium Sound System

This is the ultimate in Ford Galaxy sound, featuring an 8-channel amplifier and superior quality speakers, including a facia-mounted tweeter and a concealed sub-woofer for the best possible sound reproduction. The diversity antenna even searches constantly for the best possible radio reception, automatically retuning to the strongest signal for your station.

(Option not currently available in the UK)

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

#### Model 6000 radio/CD

This stereo radio/CD player features 'Keycode' anti-theft coding, RDS EON, 24 programmable stations and ten speakers. Remote control functionality via the left steering wheel toggle switch. Includes AUX connection for external music devices.

#### Advanced Navigation system with USB Connectivity

Offers route guidance and CD/tuner in one. Features a 5" full-colour display with colour map (UK & Western Europe data), TMC, MP3 compatible and premium speakers. Includes external AUX jack and USB connectivity port. (Option). Rear-view camera compatible (Option when ordered with DVD navigation). Bluetooth® audio streaming compatible with certain mobile phones. See your Ford Dealer for details.

#### DVD Navigation system with USB connectivity

Features a 7" touch-screen with colour display (UK and Western Europe data), TMC, MP3 compatible and premium speakers. Includes external AUX jack and USB connectivity port. (Option). Rear-view camera compatible (Option when ordered with DVD navigation). Bluetooth® audio streaming compatible with certain mobile phones. See your Ford Dealer for details.

#### Sony DAB audio systems with USB connectivity

Sony DAB audio system featuring Programme Type (PTY) and Digital Sound Processing, the Sony DAB CD stereo radio/CD/MP3 player has 40 programmable stations and eleven premium speakers for enhanced sound quality, and a USB connectivity port. (Standard on Titanium and Titanium X; option on Zetec). Bluetooth® audio streaming compatible with certain mobile phones. See your Ford Dealer for details.

#### Bluetooth® with Voice Control System

Enables you to make hands-free mobile phone (mobile phone not included) calls, while the Voice Control System technology lets you control your Bluetooth®-compatible mobile phone, audio, DVD navigation where specified, and air conditioning systems with the sound of your voice. (Standard)

#### Ford Convers+ colour instrument cluster display

This advanced instrumentation provides an exceptional interface between you and your car, with high quality, easy-to-read graphics on a 5" colour TFT screen. It allows you to control the radio, CD player, MP3 and your Bluetooth®-enabled mobile phone (mobile phone not included). (Standard on Titanium and Titanium X)

#### Thule roof box

Different sized boxes protect your luggage from weather and theft. (Accessory) Shown is Thule Sport 760 Roof box in conjunction with **crossbars**. (Option and accessory)

Your Ford Galaxy will soon become your individual space for family transport and leisure. We believe in freedom of choice.

#### Personalise

#### Scuff plates

An elegant way to protect your paint finish. (Option and accessory)

#### 1. Roof rail system with sliding crossbars

Stylish silver-finish roof rail system adds a sleek new dimension to roof transportation. Slide the crossbars to the rear of the roof when their sturdy load-carrying abilities are not needed, to highlight the elegant lines of your Ford Galaxy. (Crossbars Option and Accessory)

#### 2. Contoured mudflaps

Available as sets for front and rear, these practical hard-wearing mudflaps protect the bodywork from stone chips, helping to keep your Ford Galaxy clean by reducing road spray. (Accessory)

#### 3. Britax Römer child seat

Provides optimum all-round protection and comfort. Various child seats are available for all ages, also with ISOFIX. Removable and washable cover. (Accessory)

#### 4. Premium velour carpet floor mats and rubber mats

Luxurious velour mats made to complement your chosen interior. Driver's mat is fixed to prevent slippage. (Option and accessory) Rubber mats are also available. (Accessory)

#### 5. Scuff plates with 'Galaxy' script

Polished stainless steel scuff plates with 'Galaxy' script welcome you onboard. (Accessory)

#### 6. Tow bar

Retractable (option and accessory) or fixed tow bars (accessory) expand your transport and leisure facilities.

**Retractable tow bar**  
Galaxy's sturdy tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to the loadspace. Release it by turning the operating wheel and then retract it with a swift and easy action. (Option and accessory).

**Activity Kit**  
Series of aluminium bars and special attachments allow items to be securely locked in place. (Option and accessory) Interior bike carrier fixings for coolbox and skis are available separately. (Accessory)

**Load protection net**  
This durable retention net keeps your items secure in the luggage compartment while you're on the move. Meets ECE-R17.07/DIN 75410-2 safety requirements. (Accessory)

**Dog guard system**  
Full-height dog guard keeps dogs or items of luggage safely in the luggage compartment (removable when not in use). For fitment either behind the 2nd or the 1st row of seats. (Option and Accessory)

**Thule XTENDER ski/snowboard carrier**  
Innovative, fully-lockable ski carrier suitable for up to six pairs of skis or four snowboards. Comfortable slide-out function for easy access to your ski equipment. (Accessory)

**ClimAir® wind deflector**  
Reduces turbulence and noise, allowing you a more enjoyable drive with the windows down, even during light rain. (Accessory, for front windows)

## For the next generation

### Ford ECOnetic Technologies

Ford has developed a range of sustainable technologies, which vary by model, in order to improve fuel economy, reduce CO<sub>2</sub> and lower cost of ownership. These include Ford EcoBoost advanced, fuel-efficient petrol engines, Ford PowerShift transmission and Ford Auto-Start-Stop.

Low emission diesel ECOnetic derivatives are now available. Ford Fiesta ECOnetic delivers more than 76.3 mpg, emitting just 98 g/km of CO<sub>2</sub> and Ford Focus ECOnetic with Auto-Start-Stop delivers more than 74 mpg, emitting just 99 g/km of CO<sub>2</sub>.

Longer term Ford ECOnetic Technologies will expand to include electric and hybrid-electric vehicles, biofuel-capable vehicles, plug-in hybrids and hydrogen fuel cell-powered vehicles.

### Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development\*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO<sub>2</sub> emissions.

### Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

### Breathe easier

The allergy-tested interiors of Ford Fusion, Ford Focus, Ford C-MAX, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation.

### Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

\*For more about this topic, see [www.ford.com/go/sustainability](http://www.ford.com/go/sustainability)

\*\*Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.)

Ford supports the sustainable production of biofuels.

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

## Making life easy

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

### Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner** Contract Hire\* provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure\*\*** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

\*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathsideside Park, Heathsideside Park Road, Stockport SK3 0RB.

\*\*Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

### Services

#### Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

#### Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

#### Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

### Contacts

#### Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

#### Ford Rental - local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

#### Ford Mobility

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

**M5** = 5-speed manual, **M6** = 6-speed manual, **MPS6** = PowerShift Dual Clutch Automatic 6-speed. <sup>a</sup>In 4th gear. <sup>ee</sup>Ford test figures. <sup>ee</sup>All CO<sub>2</sub> emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with 80/1268/EEC as amended. The CO<sub>2</sub> emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 50 km/h, average 19 km/h over a theoretical distance of 4 km. **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 120 km/h over a distance of 7 km. **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter.

### Specifications

	Kerbweight (kg) <sup>a</sup>	Gross Vehicle Mass (kg)	Gross Train Mass (kg)	Max. Towable Mass (braked) (kg)	Max. Towable Mass (unbraked) (kg)
2.0 Duratec, Durashift 5-speed manual	1697	2415	3500	1100	750
2.0 EcoBoost SCTi, PowerShift 6-speed, dual clutch automatic	1727	2450	4050	1500	750
2.0 Duratorq TDCi (115 PS) 6-speed manual	1733	2505	4305	1800	750
2.0 Duratorq TDCi (140 PS) 6-speed manual	1807	2505	4230	1750	750

2.0 Duratorq TDCi (163 PS) 6-speed manual	1733	2505	4305	1800	750
2.0 Duratorq TDCi (163 PS), PowerShift 6-speed, dual clutch automatic	1731	2505	4305	1800	750

<sup>a</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 90 kg on all models. **Gross Train Mass** includes trailer weight.

### Dimensions

Overall length with/without towbar	4921/4820
Overall width with/without mirrors	2154/1884
Overall height (unladen)	1764–1807
Turning circle – kerb to kerb (m)	11.9
<b>Luggage capacity (litres)<sup>b</sup></b>	
7-seat mode (laden to top of seat) (min./max.)	308/435
5-seat mode (laden to roof) (nominal/max.)	1130/1260
2-seat mode (laden to roof)	2325
<b>Fuel tank capacity (litres)</b>	
Petrol	70
Diesel	70

<sup>b</sup>Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted.

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated; therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
