

TERRITORY

Go Further

A compelling presence

Born to be noticed. With a striking design that embodies Ford's global Kinetic Design philosophy, the Territory is bound to turn heads wherever it goes.

Territory Titanium shown in Silhouette.

Life with no limits

Functional and flexible, the smart Territory endlessly adapts to your lifestyle, offering you the dynamic driving experience you want, the versatility you need and the style you desire.

Territory Titanium shown in Silhouette.

An intelligent interior

What the exterior promises, the interior delivers. With a contemporary interior design and the latest creature comforts and technologies on board, you can enjoy the Territory's seamless combination of style and functionality.

Territory Titanium interior with optional Nudo Print Leather in Northern Tan.

Spacious and flexible design

A trip away has never been easier. With a spacious cabin, clever storage solutions and flexible seating arrangements, the Territory can easily adapt to your needs. Enjoy the generous boot space or simply transform the Territory into a true 7-seater.*

Territory Titanium shown in Silhouette.

*3rd row seat optional on Territory TX.

Style comes with the Territory

Wherever it goes, the Territory steals the show. Its eye-catching design features a prestigious front grille and dynamic styling, giving the vehicle unique energy on the road and a real presence in the driveway. So, you're sure to make a bold statement every time you get behind the wheel.

Sophisticated interior.

Travel in style in the Territory's elegant interior. From the luxurious fabrics and organic lines to the chrome and satin finishes, the Territory's interior reflects the vehicle's sleek, stylish exterior, while the ergonomically designed layout of the cockpit puts all the vehicle's essential features at your fingertips.

Eye catching detail.

The show-stopping Territory features stylish projector headlights and impressive 18" alloy wheels* with unique machined face finish. With detailing like this, you'll be the envy of your street.

Kinetic Design.

The sleek exterior incorporates Ford's Kinetic Design philosophy, demonstrated through its bold, dynamic lines and full, sculpted surfaces. This philosophy creates the illusion of 'energy in motion', even when the vehicle's standing still.

*18" alloy wheels available on TS and Titanium models. Wheels shown are available on Titanium.

Technology comes with the Territory

Boasting a whole range of innovative features, the Territory is smarter than ever. It's intuitively designed to make your life easier and more enjoyable, and once you try it you won't want to drive anything else.

Premium Interior Command Centre with 8" Colour Touch TFT screen.

Hands-free music and entertainment.

With voice control and music streaming technology, your music is now as portable as you are. With USB and iPod® integration, DAB+ digital radio, and Bluetooth® streaming capabilities, SYNC™2 allows you to use simple voice commands to listen to your tunes. So now you can hear what you want to hear, when you want to hear it, all without taking your hands off the steering wheel.

Hands-free phone.

Hands-free voice control lets you concentrate on the road while making phone calls. SYNC™2 can connect with your mobile phone and let you seamlessly transfer calls between your car's audio system and phone. You can call your friends and family by name, and never miss a moment.

Voice activated climate control.

Travel in complete comfort with dual-zone climate control* that allows both the driver and passenger to set and maintain their optimal temperature. Using SYNC™2 with voice control drivers can change temperature without lifting a finger off the steering wheel.

Voice activated satellite navigation.

Let your sense of adventure guide you, not a lack of directions. The SYNC™2 voice-activated navigation system, standard across the range, combines GPS technology with 3D mapping to give you turn-by-turn navigation. Just say the word, and we'll take you there.

Advanced diesel technology comes with the Territory

It's hard to see past the Territory's highly appraised Turbo engine. It's cleaner, more economical and quieter than you'd imagine a diesel could be.

Territory Titanium shown in Smoke.

2.7L V6 Common Rail Turbo Diesel Engine.

Enjoy optimal performance and efficiency across the Territory range with the 2.7L V6 Common Rail Turbo Diesel Engine. Using common rail technology provides improved power, torque and fuel efficiency. This advanced diesel technology not only delivers reduced noise levels and CO₂ emissions, it also achieves outstanding fuel economy (8.2L/100km on Territory RWD models*). And when heading off down the highway for a weekend away, you can reach up to 1,000km on one tank*. So when it comes to the Territory diesel, there really are no compromises.

A smoother drive.

Adding to its impressive fuel economy is a surprising level of quietness and Territory's renowned handling, the Territory diesel has the driveability you would expect in a petrol sedan and the fuel economy you would expect in a much smaller car. In fact, the only way people will know you're driving a diesel is from the badge on the back.

Peace of mind comes with the Territory

Hidden underneath the sleek exterior is a whole host of safety features so you can feel comfortable knowing that the Territory has been engineered to help protect you and your family.

Reverse camera.

The Territory looks out for you before you even leave the driveway. Standard across the range, the reverse camera automatically activates when the vehicle is engaged into reverse gear. The wide-angle fish eye lens gives a 130° view up to 10 metres behind the vehicle, giving you visibility and protection against things you wouldn't normally see.

Emergency Assistance.

SYNC™2 is there for you when you need it most. In the event of an accident that deploys the airbags or activates the fuel pump shut off, Emergency Assistance uses your paired and in range mobile phone, to dial emergency services and provides them with your precise GPS coordinates.

Titanium interior shown.

Surrounded by safety.

The Territory is engineered so that every element plays a part in helping keep you and your family protected. With features like Dynamic Stability Control (DSC) that works in tandem with Traction Control and ABS to help keep the vehicle under control, and a range of driver and passenger airbags, it's no wonder the Territory has the maximum ANCAP 5-star safety rating.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

Complimentary State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

Complimentary State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to ford.com.au for more information and full terms and conditions.

Warranties & Service.

3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

FORD SERVICE

At Ford, we are committed to providing an outstanding ownership experience. For example, we think you should always know what you're going to pay for a standard service, before you go in. So we offer a Service Price Promise for the life of your car, which means we'll publish the maximum price you'll pay for your next A or B logbook service at participating Authorised Ford Dealers on all vehicles built from 2007.

However our service doesn't end at the service garage. With each standard service at a participating Auto Club Dealer, Retail and Small Business

Customers (fleets of less than five vehicles) will also receive up to 12 months Auto Club Membership (including free Roadside Assistance), for up to seven years. Eligible customers will even have access to a free loan car with any scheduled service, through participating dealers. Why do we do all this? Because at Ford, we think that's what service should be.

For more details visit your participating local Ford Dealer or visit ford.com.au/service/t-and-c for full terms and conditions.
