EXPLORE

## BUILT TO PERFORM

Developed by the Ford Performance team, the sensational new Puma ST charges hard with its 200 PS 1.5-litre Ford EcoBoost engine, delivering 0-62 mph acceleration in just 6.7 seconds. Sophisticated Sports Technologies include a limited-slip differential (option), patented force vectoring springs and a unique steering rack to help keep you securely in touch with the road. Performance enhancements and aggressive styling help to set Puma ST apart, while its innovative 80-litre\* Ford MegaBox underfloor stowage compartment provides everyday practicality.

\*Cargo and load capacity limited by weight and weight distribution.

Puma ST shown in Mean Green ST exclusive body colour (optional) and 19" 5x2 spoke Magnetite machined alloy wheels (standard).

## 1 EXPLORE

# ELECTRIFIED PERFORMANCE

## PUMA ECOBOOST HYBRID

The exciting Puma EcoBoost Hybrid features sophisticated mild hybrid technology for reduced CO<sub>2</sub> emissions, optimised fuel efficiency, and a more responsive driving experience\*. The 48-volt mild hybrid electrified powertrain seamlessly integrates electric torque with a choice of low-friction, three-cylinder petrol engines to deliver up to 155 PS (114 kW).

The mild hybrid technology employs a belt-driven integrated starter/generator (BISG) that replaces the standard alternator. The BISG also acts as a motor, using battery power to deliver punchier, more responsive performance, particularly at lower engine speeds, for a more flexible and connected driving experience. Regenerative braking reclaims energy as you slow down, and uses it to deliver a boost as you accelerate, helping to improve performance and efficiency while reducing emissions\*.

\*For further fuel economy and emissions information, please refer to the specifications section.

Puma ST-Line Vignale shown in Magnetic exclusive body colour (optional) and 18" 10-spoke Absolute Black machined alloy wheels (standard).

## 1 EXPLORE

### A CLEVER USE OF SPACE

#### SURPRISINGLY ACCOMMODATING

Life in the city requires an inventive approach to how you occupy space. The new Puma embraces this way of thinking. Aside from being so pleasing to the eye, it also delivers real functionality within the details of its design.

To start with, access to your loadspace is easy even with your hands full. With your keys in your pocket or bag, a simple kicking motion beneath the rear bumper can activate Puma's hands-free tailgate (optional). While the adaptive rear parcel shelf is not fixed to the second row of seats and raises with the tailgate, it can open and allow room for larger storage items.

But what's really clever is the Puma loadspace itself, which incorporates an innovative new MegaBox compartment. Not only providing an extra 80L of storage space if needed<sup>†</sup>, the MegaBox also features a waterproof lining and even a drain hole. So if you're an active person, it's the ideal space to store wet or muddy gear after your park run and adds so much space you could even stand taller items upright in it, such as a standard size golf club bag.

<sup>†</sup>MegaBox load volume depends on vehicle specification.

Puma ST-Line X shown in Desert Island Blue exclusive colour (optional) and 19" 5-spoke Matt Black machined alloy wheels (optional).

## 1 EXPLORE

### A WAY FORWARD

#### PUTTING YOU IN CONTROL

With clever features and innovative technologies, the Ford Puma puts you in complete control. From the 12.3" full digital instrument cluster and advanced 8" touchscreen display, to a host of additional services and features available through your SYNC 3 infotainment system and FordPass Connect embedded modem – every element has been designed to make your drive as effortless as possible.

(FordPass Connect is available on the initial free trial period, after which subscription charges may apply).

\*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Puma ST-Line X shown in partial Sensico trim with red stitching (standard).

Puma ST-Line Vignale shown in Magnetic exclusive body colour (optional) and 18" 10-spoke  
Absolute Black machined alloy wheels (standard).

## 1 EXPLORE

### PURE DRIVING ENJOYMENT

#### PUMA ST-LINE VIGNALE

Get more out of every drive with the dynamic new Puma ST-Line Vignale. From its dramatic 18" 10-spoke Absolute Black machined alloy wheels to its full-LED headlights and sports-style bumpers (standard), it quietly demands attention in any setting. While behind the wheel, it will reward even the keenest driver with its nimble handling, impressive ride comfort and spirited performance.

Puma ST-Line Vignale shown in Magnetic exclusive body colour (optional).

## 1 EXPLORE

### STYLE AND INGENUITY

#### CRAFTED FOR YOUR COMFORT

The stylishly comfortable interior of Ford Puma ST-Line Vignale provides a warm welcome. Seats are trimmed in sporty, high-end premium perforated Sensico with metal grey stitching. While within this refined environment, you can enjoy the balanced output of the 10-speaker B&O Sound System.

- **Panorama roof** lets the light flood in to enhance the feeling of spaciousness. Providing fresh air when opened, the sliding glass has a solar reflective coating to help keep the interior cool when closed, while an internal sunblind provides extra shade when you need it (option)
- **Dual-clutch 7-speed automatic transmission** adds a new level of refinement, with smooth gear changes and responsive performance (option)

Puma ST-Line Vignale shown in Premium Sensico in Ebony with Panorama Roof (optional).

## EXHILARATING DRIVE

### PERFORMANCE TECHNOLOGY AND STYLE

Puma ST's bold sports styling features a Ford Performance-embossed splitter integrated into the front bumper that increases front-end downforce by almost 80 per cent for great stability and traction. A large rear roof spoiler further aids Puma's aerodynamic performance, while a distinctive diffuser is incorporated into the rear bumper.

The free-flowing exhaust system with dual stainless steel tailpipes helps to maximise performance, and includes active exhaust valve technology that can amplify the three-cylinder engine's naturally sporty sound. Puma ST also features four Selectable Drive Modes, including Sport mode and – for the first time on a Ford Performance vehicle – Eco mode, for the ultimate Puma driving experience.

*Puma ST in Mean Green exclusive body colour (optional) with 19" 5x2 spoke Magnetite machined alloy wheels (standard and accessory).*

## TAKE CONTROL

### PUTTING YOU IN THE DRIVER'S SEAT

Puma ST's eye-catching looks and smart technologies continue inside, helping you to stay in control and focused on the road. Deeply bolstered heated Recaro sports seats – embossed with the ST logo – hold you and your front passenger firmly in place. Ford Performance scuff plates, a flat-bottomed leather-trimmed steering wheel and ST gearshift knob add to the sports ambience. While standard features including a wireless charging pad, Quickclear heated windscreens, front and rear parking distance sensors, and rain-sensing wipers help to maximise your comfort and convenience.

shown with standard Recaro sport seats with ST logo finished in partial leather and Miko Dinamica.

# EXPLORE

## VIEW LIFE DIFFERENTLY

### GO YOUR OWN WAY

Whichever series Puma you choose, you'll find it already comes with an extensive list of standard specifications. Now you add even more refined style with your choice of exclusive interior and exterior features, such as:

- **19" 5-spoke Matt Black machined finish alloy wheels** (option on ST-Line, ST-Line X and ST-Line Vignale)
- **Panorama roof** with power-operated tilt/slide opening and retractable sunshade (option)
- **Black roof rails** (option)
- **Heated leather-trimmed steering wheel** (optional as part of the Winter Pack)

Puma ST-Line X shown in Solar Silver premium body colour (optional) with 19" 5-spoke Matt Black machined alloy wheels (optional).

## 1 EXPLORE

### CONNECTED AND IN CONTROL

#### FORD SYNC 3

Available Ford SYNC 3 integrates seamlessly with your smartphone to make communication and navigation effortless\*. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

#### FORDPASS CONNECT

FordPass Connect in all our Pumas enables a range of features designed to make driving easier and more enjoyable\*\*. These include Live Traffic<sup>†</sup> that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information<sup>††</sup> that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall<sup>‡</sup> helps occupants place a call with the emergency services and shares your location.

**Please note:** Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please refer to official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

\*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

\*\*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for 10 years, thereafter a subscription may be payable.

<sup>†</sup>Live Traffic access is complimentary for the first 12 months following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

<sup>††</sup>Local Hazard Information is complimentary for the first 12 months following the purchase of a new Ford with certain driver information modules; thereafter a licence subscription is required.

<sup>‡</sup>Remote start only available on models with automatic transmission.

<sup>‡‡</sup>Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

<sup>§</sup>FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

#### FORDPASS APP

Get the most from your connected car experience with the FordPass app. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning (models with automatic transmission only).

Health Alerts send important information, such as tyre pressure and fuel level warnings, direct to your phone.

Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration, and more.

FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The SecuriAlert feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

**Connect your Puma to FordPass.**

# EXPLORE

## INTELLIGENT ADAPTIVE CRUISE CONTROL WITH EVASIVE STEERING ASSIST

Adaptive Cruise Control maintains a set distance between you and the vehicle in front, and can bring your car to a stop. The Pre-Collision Assist, with Evasive Steering Assist, alerts you to potential hazards (such as vehicles and pedestrians), and is designed to help steer around obstacles, while applying the brakes to help reduce an impact (option available on all series except ST).

## PUMA PROJECTION PUDDLE LIGHTS

Be assured of a warm welcome with Puma's distinctive puddle lights. Each time you unlock the doors, puddle lights in the door mirrors illuminate the ground with the eye-catching Puma logo (standard on ST-Line Vignale) and Puma ST specific logo (standard on ST).

## SELECTABLE DRIVE MODES

Tailor your Puma driving experience to suit the conditions through a selection of five available drive modes. Prioritise different configurations of performance, power and economy, by selecting between **Normal**, **Sport**, **Trail**, **Slippery** and **Eco** settings.

The system adjusts various settings, including throttle response and steering feel, as well as gear-change behaviour on cars with automatic transmission. The instrument cluster also changes to reflect your chosen setting, and includes a 'quiet' mode that displays only the most important information.

## PANORAMA ROOF

Enjoy more of the surrounding scenery from the comfort of your Puma. An electrically-operated panorama roof truly lets you bring the world outside into the vehicle cabin. Providing an abundance of fresh air when opened, the sliding glass also has a solar reflective coating to help keep the interior cool when closed. While an internal sunblind provides extra shade when you need it (option on all series).

<sup>1</sup>Uses sensors. <sup>2</sup>Driver Assistance feature. <sup>3</sup>Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. <sup>4</sup>Evasive Steering Assist does not control steering.

**Note** Adaptive Cruise Control with Stop and Go (option on models with automatic transmission): If stop is longer than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

**Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

## PRE-COLLISION ASSIST<sup>①②</sup>

Pre-Collision Assist with pedestrian detection monitors your proximity to other vehicles and pedestrians – even in the dark. If a potential collision is detected, it can alert you with visible and audible warnings and, if needed, pre-charge the brakes to increase brake sensitivity to help enhance responsiveness when you brake (standard on all series).

## LED HEADLIGHTS<sup>①</sup>

Efficient and long-lasting LED headlights produce a bright natural light with a very precise pattern. They also sense when it is dark (standard on ST-Line Vignale and ST, available as an option on ST-Line X).

Auto high beam detects oncoming vehicles and will automatically dip your beams for you. Available as standard on all series in conjunction with Lane-Keeping Aid (part of Lane-Keeping System).

## REAR WIDE-VIEW CAMERA<sup>②</sup>

Helpful when reversing into or out of spaces, and activated by selecting reverse gear, the rear wide-view camera provides a clear view left and right, displaying a near 180-degree view behind the car to your SYNC 3 screen (available on all series as part of the optional Driver Assistance Pack).

<sup>①</sup>Uses sensors.

<sup>②</sup>Driver Assistance feature.

<sup>①②</sup>Pedestrian Detection is designed to operate at vehicle speeds of up to 50 mph (80 km/h). Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

**Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

<sup>②</sup>Driver Assistance feature.

**Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

<sup>②</sup>Cameras only operate at speeds under 6 mph (10 km/h).

## BLIND SPOT INFORMATION SYSTEM<sup>02)</sup>

Blind Spot Information System alerts you via discreet warning lights built into both door mirrors, when another vehicle – car, van or lorry – enters your blind spot while driving. Similarly, Cross Traffic Alert is designed to warn you if a moving vehicle or other hazard is detected, while you reverse from a perpendicular parking space, and can automatically apply the brakes if you take insufficient action (available on all series as part of the optional Driver Assistance Pack).

## LUMBAR MASSAGE SEATS

Puma's driver and front passenger seats can be enhanced by a lumbar massage function for additional comfort and support. Activated at the push of a button, the 3-way adjustable massage settings revitalise tired muscles – ideal for longer journeys (standard on ST-Line Vignale only).

## WIRELESS CHARGING PAD

A convenient wireless charging pad keeps your devices ready for use (standard on ST-Line X, ST-Line Vignale and ST).

<sup>0</sup>Uses sensors.

<sup>2</sup>Driver Assistance feature.

**Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

# 2

## SELECT

With a choice of exterior and interior styling, there's a new Ford Puma that's right for you.

### Titanium

The luxurious Titanium series delivers superior levels of sophistication and comfort using premium materials.

#### Key features

- 17" 10-spoke Absolute Black alloy wheels
- Projector Headlamps with LED daytime running lamps
- Power-foldable heated door mirrors
- Ford SYNC 3 Navigation with DAB, 8" TFT touchscreen display, Apple CarPlay, Android Auto, hands-free calling, GPS, Bluetooth®, FordPass Connect (Embedded Modem) and two USB ports
- Rear parking sensors
- Pre-collision assist with AEB

### ST-Line

With its eye-catching individuality, ST-Line provides a captivating approach to our state-of-the-art sport series.

#### Key features

- 17" 5x2 spoke Black Machined Finish alloy wheels
- ST-Line body styling kit including large rear spoiler
- Full Digital 12.3" instrument cluster
- Sports suspension
- ST-Line flat bottomed steering wheel

### ST-Line X

ST-Line X offers you a most memorable driving experience, combining rewarding acceleration with agility and control.

#### Key features (additional to ST-Line)

- 18" 5x2-spoke Matt Black alloy wheels
- Partial Premium Sensico Trim
- B&O Premium Audio System with 10 speakers and subwoofer and 8" TFT colour touchscreen display
- Wireless Charging Pad
- Privacy Glass

### ST-Line Vignale

Elevated levels of style and performance come together beautifully in the exceptional new ST-Line Vignale.

#### Key features (additional to ST-Line X)

- 18" 10-spoke Absolute Black machined alloy wheels
- Premium Sensico with metal grey stitching seat trim
- Fixed LED signature headlamps
- Lumbar Massage Front Seats
- Heated front seats
- Heated steering wheel

### ST

Puma ST is both practical and refined with head-turning style, and delivers genuine hothatchback thrills.

#### Key features (additional to ST-Line X)

- 19" Magnetite machined alloy wheels
- Black painted roof and door mirrors
- Unique ST elements to front & rear body
- Red painted brake calipers
- Dual chrome exhaust extension
- ST suspension
- Recaro sport seats with ST logo finished in partial leather
- Front heated seats and heated steering wheel

## Titanium

### Key exterior features

- 17" 10-spoke alloy wheel - Absolute Black machined
- Projector headlamps with LED day time running lamps
- Front fog lamps with cornering lights
- Rear LED lamps
- Auto headlights with rain-sensing wipers and auto high beam
- Power-foldable heated door mirrors with puddle lamps
- Rear parking sensors
- Quickclear heated windscreen

### Key interior features

- Ford SYNC 3 Navigation with 8" touchscreen and FordPass Connect (Embedded Modem)
- Electronic Automatic Temperature Control (EATC)
- Pre-collision assist with autonomous emergency braking (AEB)
- Cruise control
- Lane-keeping system and lane departure warning
- Auto-dimming rear-view mirror
- 4.2" colour TFT high series analogue cluster
- Ford MegaBox (Extended boot space)
- Selectable drive modes (Normal, Eco, Sport, Slippery & Trail)

### Engines

#### Petrol mild hybrid

- 1.0L EcoBoost (mHEV) 125 PS 6 speed manual
- 1.0L EcoBoost (mHEV) 125 PS 7 speed automatic
- 1.0L EcoBoost (mHEV) 155 PS 6 speed manual

**Key exterior features (different to Titanium)**

- 17" 5x2-spoke alloy wheels - Black machined finish
- Unique ST-Line body colour front bumper and body colour rear bumper with diffuser
- Sports suspension
- Large rear spoiler
- ST-Line badge
- Chrome exhaust

**Key interior features (different to Titanium)**

- 12.3" full digital instrument cluster
- Manual air conditioning
- ST-Line flat-bottomed leather steering wheel with unique red stitching
- Black leather-trimmed handbrake handle with red stitching
- Aluminium gearshift knob
- Sports-style front seats including 4-way manual seat adjustment with manual lumbar support
- Dark headliner

**Engines****Petrol mild hybrid vehicle**

- 1.0L EcoBoost (mHEV) 125 PS 6 speed manual
- 1.0L EcoBoost (mHEV) 125 PS 7 speed automatic
- 1.0L EcoBoost (mHEV) 155 PS 6 speed manual

**ST-Line X****Key exterior features in addition to ST-Line**

- 18" 5x2-spoke Matt Black alloy wheels
- Privacy glass

**Key interior features in addition to ST-Line**

- Partial Premium Sensico® man-made leather seat trim
- Electronic Automatic Temperature Control (EATC)
- B&O Premium Audio System (675 Watts, 10 Speakers)
- Wireless charging pad
- Carbon look interior deco spears

**Engines****Petrol mild hybrid vehicle**

- 1.0L EcoBoost (mHEV) 125 PS 6 speed manual
- 1.0L Ford EcoBoost (mHEV) 125 PS 7 speed automatic
- 1.0L EcoBoost (mHEV) 155 PS 6 speed manual

\*eCall is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

## ST-Line Vignale

### Key exterior features (additional to ST-Line X)

- 18" 10-spoke Absolute Black machined alloy wheels
- Unique Vignale exterior styling under alloy wheels
- Front parking sensors
- Fixed LED signature headlamps
- Dual power-foldable heated door mirror with floor logo lamp

### Key interior features (additional to ST-Line X)

- Premium Sensico with metal grey stitching seat trim
- Sensico® wrapped unique instrument panel with Metal Grey stitching
- Heated driver/passenger seats
- Heated steering wheel
- Lumbar Massage Seats Driver & Passenger
- Keyless entry

### Engines

#### Petrol mild hybrid vehicle

- 1.0L EcoBoost (mHEV) 125 PS 6 speed manual
- 1.0L Ford EcoBoost (mHEV) 155 PS 7 speed automatic
- 1.0L EcoBoost (mHEV) 155 PS 6 speed manual

**Key exterior features (additional to ST-Line X)**

- 19" 5x2 spoke Magnetite machined alloy wheels
- Unique ST elements to front & rear body styling kit
- Ford Performance embossed splitter
- Fixed LED signature headlamps
- Black painted contrast roof
- Dual chrome exhaust
- Red brake calipers
- ST logo projection (from door mirrors)
- Front parking sensors

**Key interior features (additional to ST-Line X)**

- ST flat bottomed steering wheel with metal grey stitching
- Recaro sport seats with ST logo finished in partial leather and Miko Dinamica
- Heated steering wheel and front heated seats
- Ford KeyFree System
- Unique ST gear shift knob
- ST scuff plates
- ST front & rear mats
- Alloy sports pedals
- Engine Sound Enhancer

## SPECIFICATIONS

Get to know your new Ford Puma inside and out, from its intelligent engine technology to its versatile loadspace.

## Puma EcoBoost Hybrid

Available with a choice of 125 PS (92 kW) or 155 PS (114 kW) Ford EcoBoost Hybrid engines

### 1 Belt-driven integrated starter/generator (BISG)

The BISG acts as an electric motor, seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating.

### 2 1.0L Ford EcoBoost petrol engine

The Puma EcoBoost Hybrid is available with a choice of either a 125 PS (92 kW) or 155 PS (114 kW) Ford EcoBoost petrol engine.

### 3 48-volt battery

The lithium-ion battery that powers the electric motor is located under the front passenger seat. It is automatically recharged by the engine while you drive, and by regenerative braking that reclaims the energy typically wasted as you slow down.

### 4 Automatic transmission

Puma EcoBoost Hybrid's available seven-speed dual-clutch automatic transmission delivers seamless acceleration with smooth gearchanges. (Option on petrol and hybrid models)

### 5 Paddle-shifters

The seven-speed automatic transmission offers manual gear selection using sporty paddle-shifters for ST-Line, ST-Line X and ST-Line Vignale.

With a choice of new forward-thinking, advanced mild hybrid (mHEV) petrol engines, the new Puma delivers outstanding performance, together with impressive fuel economy and low emissions figures.

## FORD ECOBOOST HYBRID

Ford's sophisticated mild hybrid technology is tailored to enhance fuel efficiency, while complementing Puma's acclaimed driving dynamics.

The system enhances the 1.0-litre Ford EcoBoost petrol engine with a belt-driven integrated starter/generator (BISG), which recovers the energy usually lost during braking and coasting, and uses it to charge its on-board battery pack.

The BISG also acts as a motor, seamlessly integrating with the petrol engine and using the stored energy to provide extra torque during driving and acceleration, as well as powering the vehicle's electrical systems to further enhance efficiency and performance.

The fuel consumption and CO<sub>2</sub> emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. You can also use Ford's online configurator to build and customise a new Ford vehicle [www.ford.co.uk/configurator](http://www.ford.co.uk/configurator). The configurator provides information about your configured vehicle's fuel consumption and CO<sub>2</sub> emissions (these are also WLTP test figures).

\*In 4th gear. All petrol engines are equipped with a catalytic converter.

<sup>oo</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub>-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO<sub>2</sub>-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

<sup>#</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its gross vehicle mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Gross train mass** includes trailer weight. Roof load limit is a maximum of 50 kg on all models (roof load limit is reduced to 0 kg when panorama roof is specified). Towing capacity is reduced to 0 kg for 1.0 Ford EcoBoost and 1.5 Duratorq engines when panorama roof is selected. Towing capacity is reduced to 0 kg for 1.0 Ford EcoBoost automatic and 1.5 Duratorq 120 PS engines when either a spare wheel or 18" alloys are selected. Towing limit is reduced to 0 kg for ST-Line series.

## 4 SPECIFICATIONS DIMENSIONS

	Titanium 5 door	ST-Line 5 door	ST 5 door
Overall length without/with towbar (mm)	4186	4207	4226

## Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

### Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

[www.ford.co.uk/cars](http://www.ford.co.uk/cars)

### Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

[www.ford.co.uk/dealer-locator](http://www.ford.co.uk/dealer-locator)

### Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit\* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease<sup>†</sup> specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit [www.ford.co.uk/finance/ford-credit](http://www.ford.co.uk/finance/ford-credit)

### Ford Insure

Designed specifically for Ford owners, Ford Insure<sup>‡</sup> offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

[www.fordinsure.co.uk](http://www.fordinsure.co.uk)

### FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

[www.ford.co.uk/owner/owner-services/fordpass](http://www.ford.co.uk/owner/owner-services/fordpass)

\*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

<sup>†</sup>Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

<sup>‡</sup>Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

## 5 Purchase Protect

### Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

[www.ford.co.uk/owner/owner-services/ford-service](http://www.ford.co.uk/owner/owner-services/ford-service)

### Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include\*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

[www.ford.co.uk/owner/my-vehicle/warranties](http://www.ford.co.uk/owner/my-vehicle/warranties)

### Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days\*\*
- A full Ford Service History, which may enhance your car's resale value

[www.ford.co.uk/owner/service-and-maintenance/service-repair/plans](http://www.ford.co.uk/owner/service-and-maintenance/service-repair/plans)

\*Ford Protect terms and conditions apply. Please call 03702 416 726.

\*\*Subject to availability and status, excluding fuel and insurance costs.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

#### Ford One Call

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0203 564 4444

#### Ford Rental – local service nationwide

Car and Van rental from our latest model range. Contact your local Ford Dealer for more information
