

GENESIS G70 GENESIS G70 SHOOTING BRAKE

Transcending the philosophy, design identity and technology of Genesis,
Genesis G70 continues to evolve as a luxury performance sedan,
introducing a new addition, the Genesis G70 Shooting Brake.
Equipped with human-centric technology and state-of-the-art engineering,
Genesis provides new opportunities to create memorable moments both on the road
and in our daily lives. The start of this relationship is an everlasting one and
it is also the source of our inspiration and evolution.

Makalu gray (Genesis G70 Shooting Brake / full package with 2.5 turbo gasoline / AWD / Sport Package / 19" michelin tires & dark gray matt wheels / wide sunroof)

GENESIS G70 SHOOTING BRAKE

Genesis G70 Shooting Brake is a new model for those who take curating personal preferences seriously. The stylish side profile and sleek rear designs create a unique body type that presents a differentiated style. The versatile interior space and sporty performance also blends in perfectly with the attitude of those setting their own pace in life.

Capri blue (Genesis G70 Shooting Brake / full package with 2.5 turbo gasoline / AWD / 19" michelin tires & diamond cut wheels / wide sunroof)

The dynamic front design, combined with the single-piece glass hatch that extends from the side to the rear, enhance the vehicle's clean-cut image. The floating-type spoiler and rear Quad Lamps that extend to the surface of the hatch amplify Genesis G70 Shooting Brake's uniqueness.

SPACE

The dynamic design of the Genesis G70 Shooting Brake’s exterior, added with the increased trunk space, freely accommodates any lifestyle.

Genesis G70 Shooting Brake
Digital Catalog
Discover more about SPACE

The rear seats fold down flat in a 4:2:4 ratio to comfortably accommodate larger and longer items, such as golf bags. Simply standing near the trunk area with the smart key will automatically open the Smart Power Tailgate, while the luggage covering shelf neatly covers the items inside the trunk.

Capri blue (Genesis G70 Shooting Brake / full package with 2.5 turbo gasoline / AWD / 19" michelin tires & diamond cut wheels / wide sunroof)

GENESIS G70

“Athletic elegance.” Genesis G70’s exterior design reflects the most athletic characteristics of Genesis’ design identity. G70’s silhouette captures the explosive energy before acceleration, stirring dynamic sensations even when standing still. The sleek interior layout is both elegant and powerful, designed to captivate the driver with intuitive details. Experience a new level of sports luxury with G70.

Kawah blue (Genesis G70 / full package with 2.5 turbo gasoline / AWD / Sport Package / 19" michelin tires & dark gray matt wheels / wide sunroof)

The Crest Grille, inspired by the Genesis emblem, and the double lines of the Quad Lamps express the confident and audacious character of the new Genesis G70. Bold character lines stretching across voluminous surfaces, along with the rear Quad Lamps and the distinctive Genesis name on the trunk lid exudes the powerful image of a high-performance sedan.

The layout and height of the crash pad is thoughtfully designed to secure a wide view from the low driver's seat.
The high-tech cluster display, the comfortable body-hugging seats and luxurious aluminum panels are just the beginning of a breathtaking experience.

Forest blue/vanilla beige two-tone (Genesis G70, G70 Shooting Brake / full package with vanilla beige seats, forest blue upper door trim / signature design selection (diamond patterned aluminum))
※ The image of the Multi-Function Switch shown above may differ on the Genesis G70 Shooting Brake model due to an added rear wiper function.

Bond silver (Genesis G70 / full package with 3.3 turbo gasoline / AWD / Sport Package / 19" michelin tires & dark gray matt wheels / wide sunroof)

GENESIS SPORT DESIGN

The dark-chrome Daylight Opening (DLO) molding, developed exclusively for the Sport Package, along with the front radiator grille's surround molding and dark-tinted chrome mesh, highlight the model's high-performance characteristics. The exclusive 19" wheels reflecting the concept of the G-Matrix patterns, and the Brembo brake calipers, complete the powerful image of Genesis G70's and G70 Shooting Brake's Sport Package models.

Cavendish red (Genesis G70 Shooting Brake / full package with 2.5 turbo gasoline / AWD / Sport Package / 19" michelin tires & dark gray matt wheels / wide sunroof)

The Sport Packages of both models come with distinctive red seats with premium quilting and red stitches, which deliver a thrilling sensation just by sitting in them.

Fine details such as the exquisite dark-striped patterns on the aluminum garnishes to the metal pedals enhance the sophisticated touch and feel of the Sport Packages.

Obsidian black/sevilla red two-tone (Genesis G70, G70 Shooting Brake / full package with Sport Package / sevilla red seats, obsidian black upper door trim / sport design selection (dark stripe patterned aluminum))
 ※ The image of the Multi-Function Switch shown above may differ on the Genesis G70 Shooting Brake model due to an added rear wiper function.

PERFORMANCE

Genesis G70 and G70 Shooting Brake offer the perfect balance between dynamic driving and safety with cutting-edge technology that recognizes road conditions in advance and reacts to driving conditions immediately.

2.5 turbo gasoline engine

304 Maximum output PS/5,800rpm 43.0 Maximum torque kgf-m/1,650~4,000rpm

3.3 turbo gasoline engine

370 Maximum output PS/6,000rpm 52.0 Maximum torque kgf-m/1,300~4,500rpm

※ With the Sport Package: 373PS/6,000rpm
※ Specifications not available on Genesis G70 Shooting Brake models

01.

AWD system _ This system automatically senses slippery or unstable driving conditions that even the driver may not detect and proactively balances power between the front and rear wheels to ensure stability at all times.

Electronically controlled suspension _ Drive modes differentiate the damping force of the shock absorbers. Comfort mode delivers stability, while Sport+ mode delivers firm steering and cornering.

02.

AWD + LSD integrated control system _ This system controls the All Wheel Drive (AWD) transfer in tandem with the left/right traction control of the Limited Slip Differential (LSD), improving driving performance during turns. It also allows the driver to drift around corners.

※ Applied when 3.3 turbo gasoline / AWD / Sport Package are selected.
※ Limited Slip Differential (LSD) not applied with 2.5 turbo gasoline / AWD

03.

Brembo brakes _ These sophisticated and high-performance brakes are applied to secure Genesis G70's superior driving performance and differentiated image as a sports sedan.

※ Silver Brembo brake calipers are applied to Genesis G70 models, while red calipers are applied to Genesis G70 Sport Packages.
※ Black Brembo brake calipers are applied to Genesis G70 Shooting Brake models.

04.

Variable exhaust muffler _ Depending on the drive mode selected by the driver and the amount of pressure applied to open the accelerator (throttle), the exhaust sound can be controlled to provide an exhaust note that best matches the driver's performance preferences. It can also provide a power boost equivalent to 3PS.

※ Available with 3.3 gasoline turbo/Sport Package.

INTELLIGENCE

A state-of-the-art system meticulously assists the driver in any situation, ensuring uncompromised safety.

Genesis G70, G70 Shooting Brake
Digital Catalog
Discover more about INTELLIGENCE

01.

Highway Driving Assist (HDA) system _ When driving on the highway, this system helps the vehicle stay centered in its lane while maintaining a set speed and keeping a safe distance from the car ahead, even in curved sections.

Navigation-based Smart Cruise Control (NSCC) system _ When driving on a highway or expressway with smart cruise control enabled, this system appropriately reduces the speed when entering low speed limit zones and curved sections based on the road data provided by the GPS system. After safely passing such sections, the speed automatically returns to the previously set speed.

Lane Keeping Assist (LKA) system _ This system alerts the driver if the vehicle leaves the lane while driving over a certain speed and without the use of the turn signals. LKA may also apply steering wheel control if the vehicle leaves the lane.

Lane Following Assist (LFA) system _ This helps assist steering to keep the vehicle centered in its current lane.

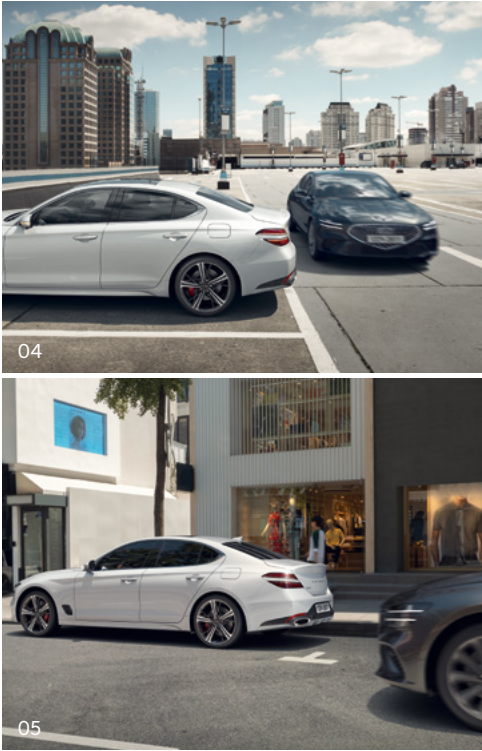

02.

Forward Collision-Avoidance Assist (FCA) system (junction turning) _ This system helps to automatically bring the vehicle to a stop when there is a risk of collision with another vehicle, cyclist or pedestrian that suddenly appears or stops ahead. It may also help bring the vehicle to a stop when there is a risk of collision with an approaching vehicle when making a left turn at an intersection.

03.

Blind-Spot Collision-Avoidance Assist (BCA) system _ This system alerts the driver of approaching vehicles in the blind spot area when the driver activates the turn signals to change lanes or when the vehicle is exiting a parallel parking spot.

04. 05.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA) system _ This system alerts the driver if a collision risk is detected from the left and right sides of the vehicle while reversing. If the risk increases even after the warning, RCCA helps to stop the vehicle.

Safe Exit Warning (SEW) system _ This system detects vehicles approaching from the rear and cautions passengers about to open the door to exit the vehicle.

※ ADAS is only intended to assist the driver. Be attentive while driving at all times. ※ Functions may not operate smoothly due to environmental, driving, and/or operational conditions. Please refer to the user's manual for details.
※ Some of the features above may not be applicable depending on the options that are selected.

CONVENIENCE

Experience the wide array of technology that brings the vehicle and driver one step closer to each other by smartly connecting individual preferences and driving experiences.

01.
10.25" infotainment system _ The wide touchscreen display can split to show media, weather and GPS features separately on the right side. The system's voice recognition feature enables users to control the vehicle's air conditioning through a simple voice command, while maps and other software are updated automatically.

In-car Payment _ MY GENESIS is an easy payment app that uses a pre-registered credit card to pay for refueling and parking at affiliated businesses with a simple tap on the wide display screen inside your car.

※ The number of affiliated stores continue to grow. Check the latest list via the vehicle's GPS navigation or the MY GENESIS app.

| | | |
|--|---|-----------------------------------------|
| | A | A. In-car Payment |
| | B | B. Voice recognition controls |
| | C | C. Wireless update of navigation system |
| | D | D. Streaming service |

02.
Intelligent driver's seat (smart posture control system) _ The electronically adjustable seat (including lumbar support), cushion extension, and bolster optimize seat adjustment for your maximum comfort, conforming to your body and posture. Input your body information, and the seat, steering wheel, outside mirror, and Head-Up Display are automatically set to their optimum positions.

03. 04.
Touch-type climate control panel _ Fine dust sensors, engine room pre-filters, and antibacterial-treated high-performance combination filters reduce the level of fine dust in the vehicle.

Built-in Cam _ High-definition cameras in the front and rear of the vehicle record video images that can be viewed conveniently on a smartphone or on the GPS navigation screen.

05. 06.
Genesis digital key 2 touch _ This system allows you to lock/unlock and/or start your vehicle with your smartphone or smartwatch. The primary user can share the Digital Key on up to 7 devices.

15 Lexicon speakers system (Quantum Logic Surround) _ 15 Lexicon speakers are positioned optimally to produce the most ideal sounds, while real stainless steel midrange speaker grilles reproduce ranges close to the original sounds. Subwoofers provide deep and rich bass sounds.

※ For smartwatches, compatible only with Apple Watches. ※ The pop-up images may vary depending on the manufacturer and model type.

MEMBERSHIP

MOBILITY CARE

Eligibility
Services are offered to all new owners of a Genesis vehicle. For subsequent owners, the remaining warranty period and outstanding services will be transferred.

Warranty Period
5 year or 100,000 km : Car body/general components, engine & powertrain key components
※ Ends when the vehicle either fulfills the term or the mileage of the warranty, whichever comes first.

Benefits
Available for 3 years or 60,000 km
- Replacement of key consumables : Engine oil set (6 times), air conditioner filters (3 times), wiper blades (front, 2 times)
- Additional service: Home-to-home service (6 times)
※ Ends when the vehicle either fulfills the term or the mileage of the warranty, whichever comes first.

How to receive benefits
Visit a Bluehands Service Center or request for the benefits while using the Autocare or Airport Service.
※ For inquiries or reservations, please call the Genesis Customer Center (080-700-6000).
Customers can check the replacement period of consumables (engine oil) via the MY GENESIS app.

PRIVILEGE

Genesis Global Lifestyle Concierge
- Enjoy concierge services that accommodate a wide range of experiences at any global location.
- Consultation services and recommendations for worldwide hotels, airlines, dining, golf and health/safety are available.
※ Members will be charged for any fees that arise during the process of consulting, confirming information and/or making reservations on behalf of the customer.
※ A dedicated number is provided via the membership guide.

Genesis Privileges
Please choose one service from the following six choices according to your preference.

- **Costco Executive Membership**
Enjoy all the benefits of Costco as an executive member for one year.

- **Flower & Coffee & Wine Deliveries**
You may choose to receive regular deliveries of either flowers or coffee or wine for one year.

- **Premium Car Care**
Premium services such as car washes and coating available.

- **Hotel Membership**
Choose one of the many hotels affiliated with us and enjoy membership privileges for one year.

※ Details of Genesis Privileges will be available via our website or the membership guidebook.

MY GENESIS APP

Enjoy advanced connected car services safely and conveniently with just one app - MY GENESIS
- 24 hours a day, 365 days a year. Daily convenience is at your fingertips with MY GENESIS.
※ The following apps have been merged into one: MY GENESIS (former version), Genesis Connected Services (5 years), Genesis Digital Key, In-car Payment, and Built-in Cam.

Remote control
Control your vehicle from your home or office using a smartphone
- Remote HVAC, door lock/unlock, window open/close

Automatic Collision Notification
Emergency assistance in case of accidents and emergencies.
- If the airbag is deployed in an accident, Genesis Connected Services will provide emergency rescue and accident handling support and/or towing & refueling services.

Vehicle Status Check
Conveniently check the status of your vehicle via your smartphone
- Engine ON/OFF, door open/close, window open/close etc.

Vehicle Diagnosis & Maintenance
Genesis Connected Services checks the condition of the vehicle and notifies the owner of any problems. Maintenance reservations can be conveniently made when consumable parts need to be replaced.

Destination Setting Function
Connected Services navigation is a location-based service that reflects real-time traffic information, sends location information searched on an app to my vehicle, and shares my location with others etc.

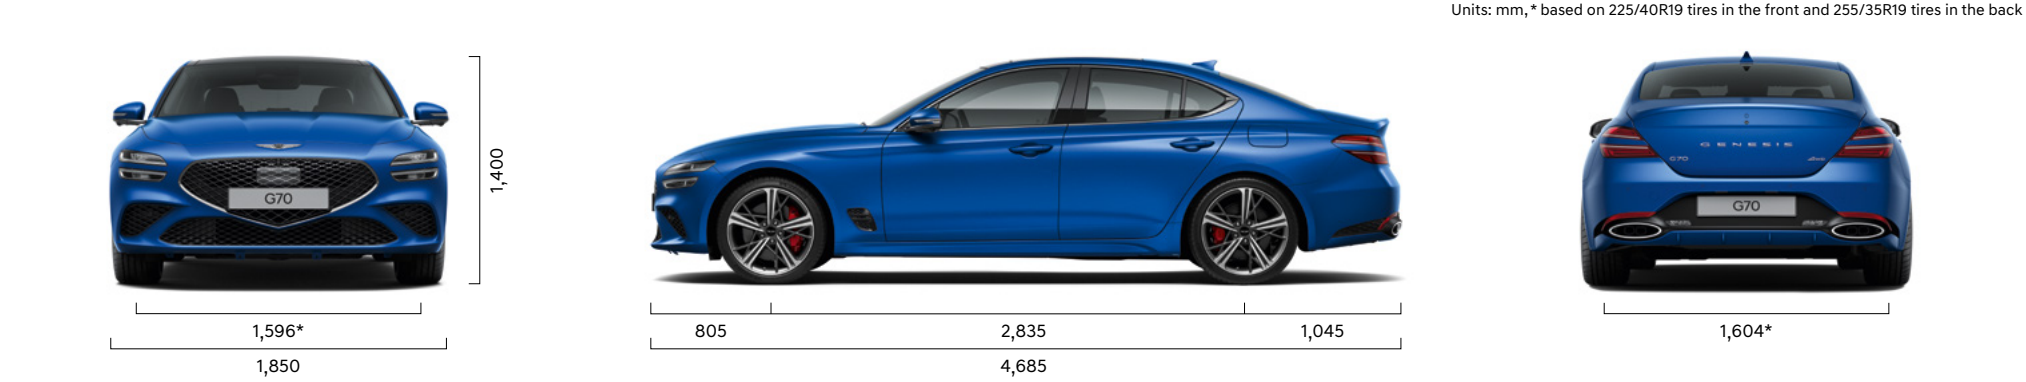

Wireless update
Updates navigation maps and software wirelessly.
※ Details of MY GENESIS app will be available via our website or the membership guidebook.

GENESIS ACCESSORIES

| Package | Highlights |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Highly elastic polyurethane protective film - A transparent protective film applied to the exterior of the vehicle prevents stone chip damage or scratching of the vehicle's surface. - Scope of application: Front bumper sides, door cups, door edges, door step plates, side mirrors, fuel tank door, rear bumper upper, and rear bumper sides. |
| Paint protection film | |
| Floating wheel cap | - Wheel caps that keep the vehicle's emblem upright when the vehicle is in motion |
| Carbon fiber spoiler | - This real carbon fiber, rear lip spoiler adds to a sporty image and delivers improved aerodynamic performance. |
| Alcantara Interior Package | Alcantara steering wheel & console armrest - Sophistication and grip is enhanced with the use of Alcantara. |

※ Warranty for protective automobile TPU is provided by the film's manufacturer. Please refer to the separate warranty provided (warranty period: 3 years/60,000 km).
※ Continuously spraying high pressure water to the edges of paint protection film may cause the film to partially peel off.
※ The Alcantara interior package is only available in the Sport Package and a separate warranty is applied (3 year/60,000km).
※ The Alcantara interior package is available only when Obsidian Black Monotone is selected.
※ Application of the protective film is carried out only at the Yeongnam and Chilgok delivery centers, so vehicles consisting of the above package can only be released at these two delivery centers.

Maintain constant speeds for driving efficiency. | Fuel efficiency figures are for standard mode. Actual figures may vary depending on factors such as road conditions, driving patterns, vehicle load, ambient temperature, and maintenance status. | Vehicles portrayed in this publication may have optional features and differ from actual vehicles purchased. | Options, colors, and specifications shown in this publication may change to improve the appearance and performance of the vehicle. | For detailed information and notes on the specifications, please refer to the user's manual. | Engine performance figures are net values. Net values are based on a new measuring system legally imposed by the Korean Ministry of Transportation since 1997 that takes into account the resistance of exhaust gases, which may lead to a slight decrease from conventional gross output figures. | Leather seats make partial use of artificial leather. | This brochure screen layout/design of the infotainment system may change with the updates. | The vehicle colors printed in this brochure may differ from the actual colors. | GENESIS is sold exclusively through regional branches, official distributors, and certified car masters to ensure reliable product quality and pricing nationwide. | Use of engine oil or fuel that is of low quality may result in damage to the vehicle. | For more information on new technology and new specifications presented in this publication, please refer to the user's manual.

This publication shows top models and options to help customers' understanding.
Options apply differently according to the trim, package, power train, and exterior color selected. Please refer to the monthly price list for detailed specifications for each model.

ALL CARE SERVICES MAP

Check out the All Care Services Map

*The replacement of consumable parts and Home-to-Home services can be requested while receiving the following services.

| Car Life | Car Care | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Making your car life more convenient | Find out more about Genesis' warranty & service products | Complimentary Maintenance Program | Emergency Situations & Urgent Repairs |
| [Car Life Services] - Airport Service* For Genesis customers using Gimpo/Incheon International Airport, this airport-specialized service offers vehicle inspection, maintenance, and parking in an area reserved for Genesis vehicles until the customers return from their trips. ※ Please call the Genesis customer care center(080-700-6000) at least two weeks in advance for reservations. ※ Services and additional costs may vary according to each airport. Please check the Genesis website for more details. | Warranty Repair Policy If a defect in the vehicle's material/factory workmanship arises within the warranty period and the vehicle is used under normal use/maintenance, customers can receive free repairs at service networks designated by the company. The naturally-declining charging/discharging capacity of high voltage batteries are excluded from the warranty. ※ To learn more about your vehicle's warranty period, please visit the Genesis website and the MY GENESIS app. | Genesis Basic Care 1 free inspection per year for 8 years starting from the date of production on the vehicle's production certificate to keep your vehicle in top condition. ※ Limited to Genesis Membership members ※ What is included: 15 types of inspections including the engine room and the undercarriage. Complimentary ethanol washer fluid. A production certificate is a document certifying the manufacture and transfer of ownership of a new vehicle. | Emergency Roadside Assistance Urgent repair services are available for customers whose vehicles are immobile on the road. ※ Make a reservation via the Genesis customer care center (080-700-6000) / operated 24 hours, 365 days |
| - Car Wash Make reservations for car wash services provided at Sonax Car Care locations nationwide. | Consumables Replacement Service* Enjoy complimentary replacement of consumables like engine oil and brake pads for a specified period of time. | Proactive Auto Care Service* Hyundai Bluehands Auto Care Service will change your engine oil and replace consumables at a time and location of your choosing. ※ Register via the Genesis Customer Center (080-700-6000), the Genesis website, or the MY GENESIS app. | Home-to-Home Service* The company will go to your location and/or collect your vehicle, repair it, and return it to your location of choice. ※ Make a reservation via the Genesis Customer Center (080-700-6000). Reservations must be made at least one business day ahead (excluding weekends). |
| | Body Care Service If, after purchase, the vehicle's exterior is damaged due to a single-vehicle accident, the company warrants the sheet metal, paint, and replacement of parts. | Mobile Pre-Service Visits a location of your choosing, such as an apartment complex, major supermarket, or park, to inspect your vehicle. ※ Request through a designated Car Master. | Preventing Excessive Repairs If an excessive repair is suspected at a Bluehands service center, an inspection will be carried out by a third-party insurance company, and according to their findings, customers will be compensated up to 10-times the overcharged amount (maximum limit of 10 million KRW). |
| | Warranty Plus Customers can extend their vehicle's warranty period before the original warranty period/mileage ends. After the vehicle is delivered, customers can apply for the extension at the Genesis Boutique. ※ To learn more about applying for additional service products, please refer to the QR code above. | | Courtesy Cars The company will provide cars to customers whose vehicles are undergoing repairs. |
