

GENESIS G80

ABOUT GENESIS

WELCOME TO GENESIS

We understand your time is precious, so we have rewritten every detail of owning a luxury car, to make owning a Genesis as simple as possible. We believe simplicity is the ultimate

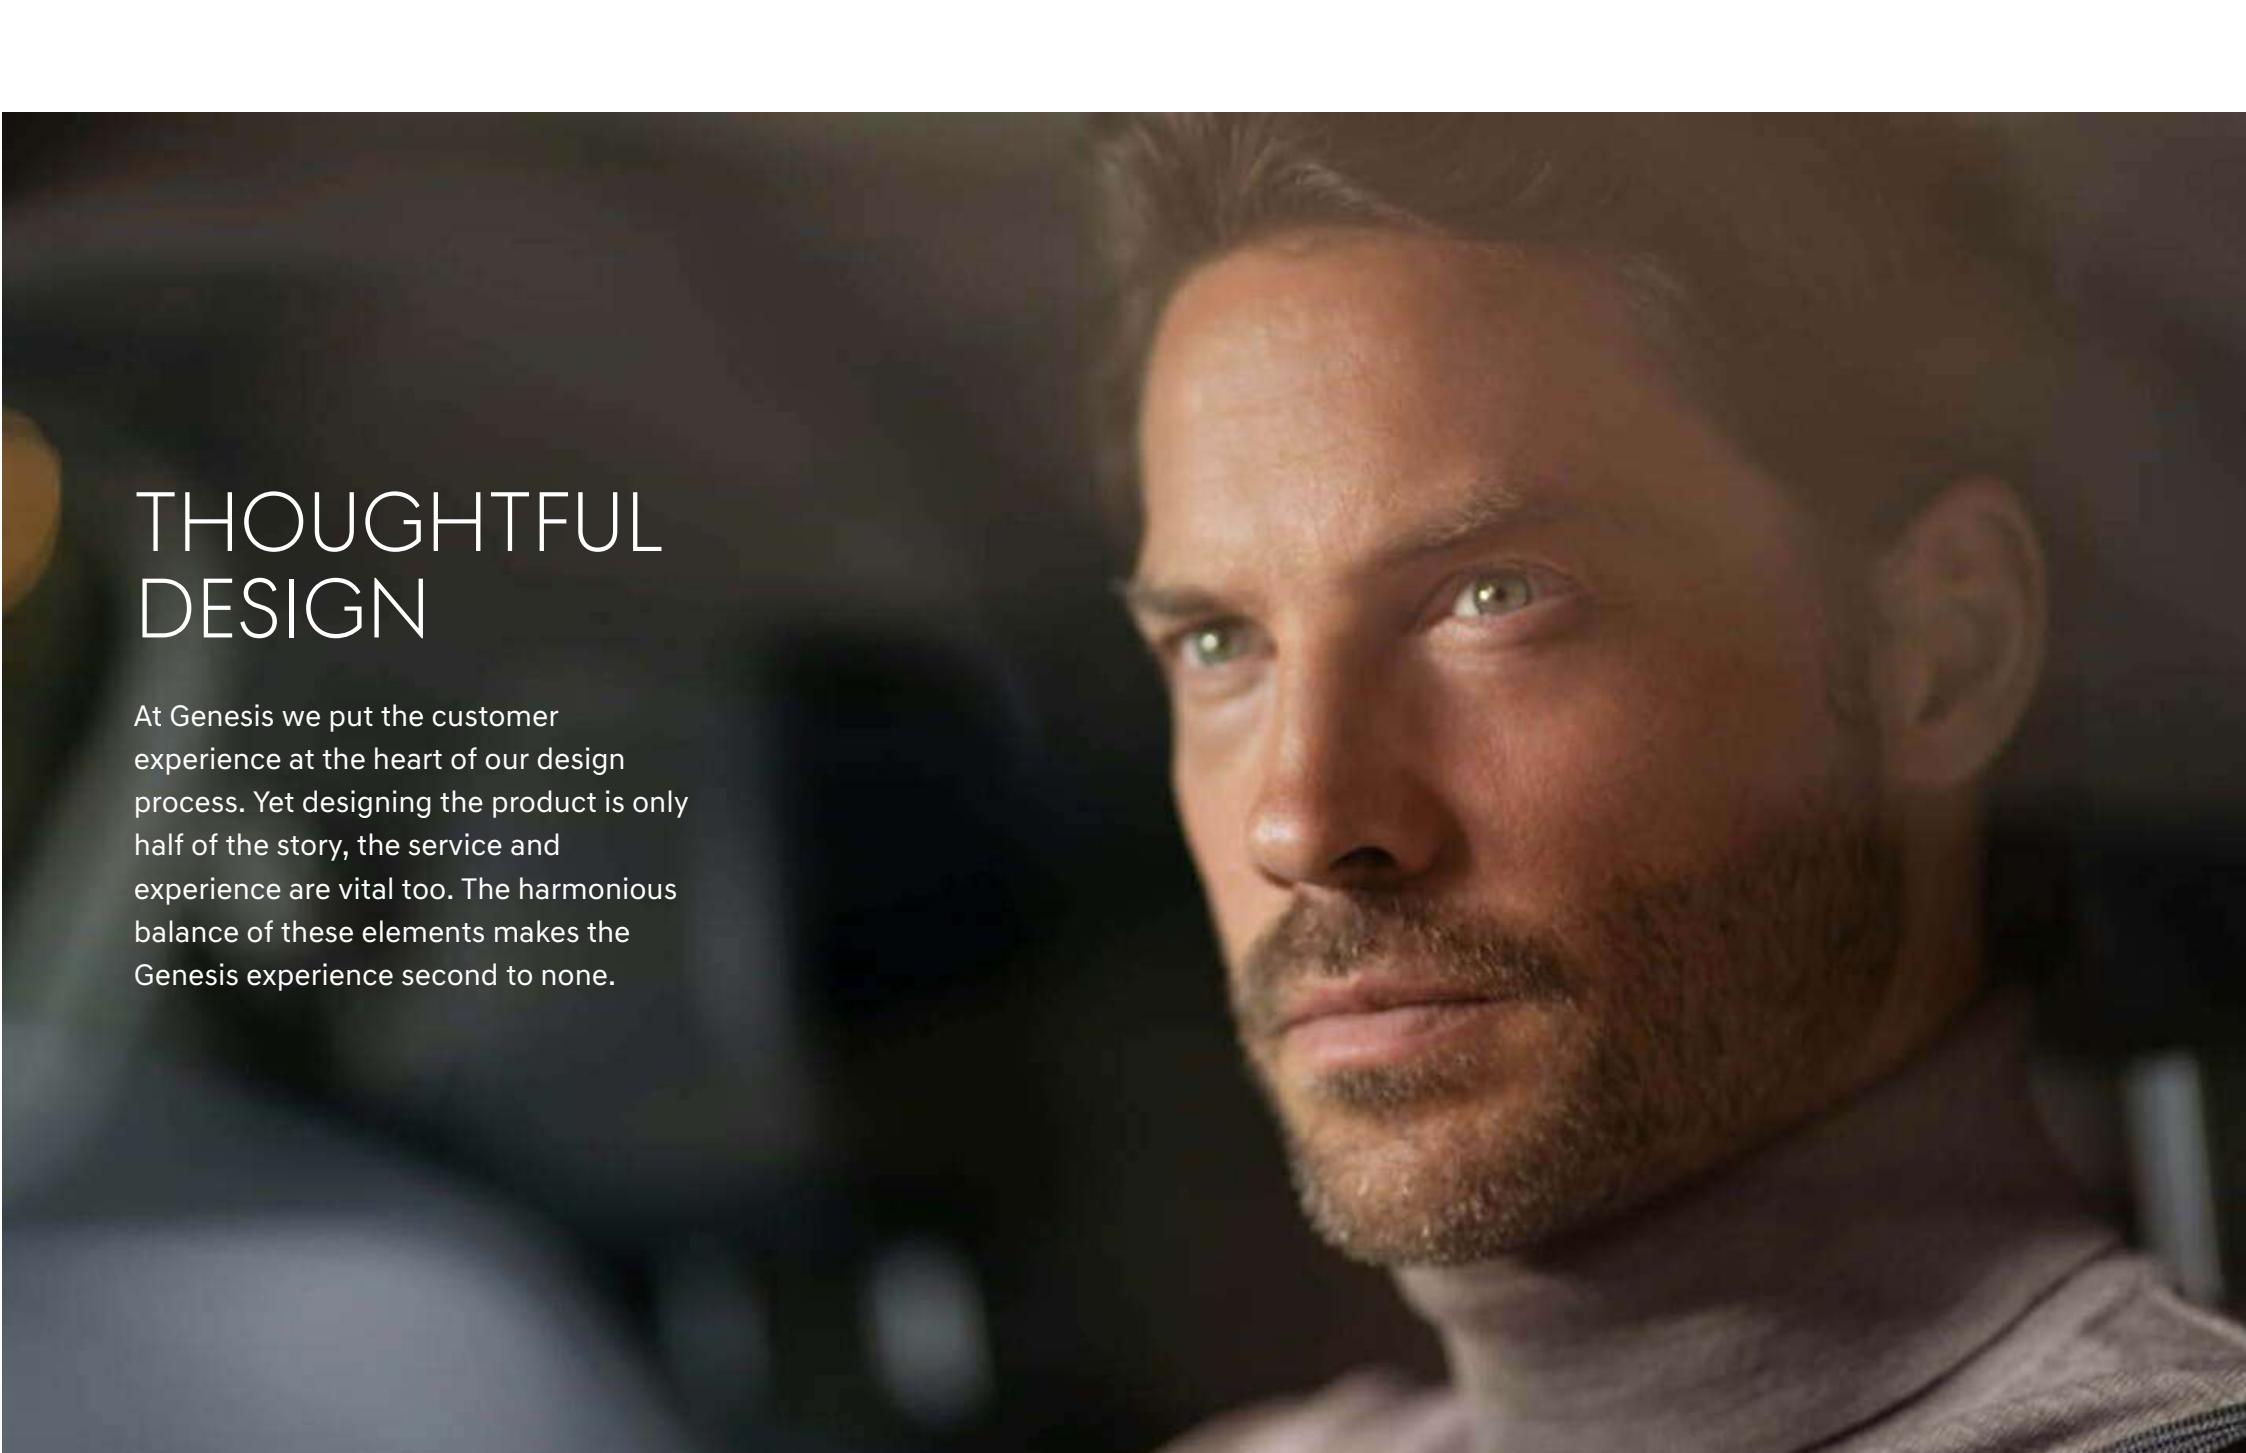

LET US TAKE CARE OF YOU

We consider our customers to be our guests, which comes from the Korean principle of son-nim 손님. From the moment we deliver your test drive car to your home, to the feeling of calmness sitting in your new Genesis, we want you to feel at ease.

THOUGHTFUL DESIGN

At Genesis we put the customer experience at the heart of our design process. Yet designing the product is only half of the story, the service and experience are vital too. The harmonious balance of these elements makes the Genesis experience second to none.

THE BEAUTY OF EAST MEETS WEST

Korea is renowned as a country of contrasts. Genesis embraces this contrast. Outside the form is athletic and elegant, reminiscent of classic European designs. Inside our cars the latest technology is blended with traditional craftsmanship to give a distinctly Korean softness and harmony.

DISTINGUISHED BY DESIGN

THE GENESIS HALLMARK

The Genesis winged emblem combines the Crest Grille shape in its body, with the wings forming the two lines represented in our iconic light design.

UNMISTAKABLE PRESENCE

You can always spot a Genesis by the distinctive parallel lines formed by the front and rear lights. These two lines of light are all it takes to stand

ELEGANT SOPHISTICATION

Designed to look fast while standing still, the dynamic parabolic waistline defines a Genesis. It describes the "athletic elegance" that gives all our models their dynamic stance.

GENESIS EMBLEM

Our winged emblem combines the iconic elements of the Crest Grille and Two Lines design.

GENESIS DESIGN AT A GLANCE

CREST GRILLE

The Genesis signature Crest Grille is inspired by the emblem's crest, emphasizing the distinct identity of Genesis.

QUAD LAMPS

The Quad lights are inspired by the wings of the emblem. When viewed from the side, the iconic two lines clearly display the Genesis identity whether day or night.

PARABOLIC LINE

A single line defines the side. We call this the Parabolic line and perfectly highlights the reductive design that elevates the purity of the Athletic Elegance design philosophy.

BEAUTY OF WHITE SPACE

Inspired by Korean architecture, "The Beauty of White Space" defines our interior design, harmoniously balancing personal space and state of the art technology.

THE GENESIS DIFFERENCE

THE GENESIS DIFFERENCE: MORE THAN A CAR. A SIMPLER WAY OF LIFE.

GENESIS PERSONAL ASSISTANCE

Genesis Personal Assistants are there for you – every step of your personal Genesis journey. Completely attuned to your needs, we will guide and support you to make the experience as pleasant and convenient as possible. And most importantly, we'll also save you time by coming to you – for a test drive, for your car delivery or for anything else you may need.

GENESIS 5 YEAR CARE PLAN

Included in the price of your new car is the Genesis 5 Year Care Plan¹ - a comprehensive package for a seamless ownership experience.

5 yrs warranty

5 yrs scheduled servicing

5 yrs roadside assistance

5 yrs access to courtesy cars

5 yrs navigation and software updates

¹5 Year Care Plan T&Cs apply.

TRANSPARENT PRICING & TAILORED FINANCE

We don't consider searching out the best offer for hours to be time well spent. That's why the price of a Genesis is always the same. Forget stressful negotiations. All you need to do is decide on a model and the desired specifications. Not quite ready to commit? Then explore our a range of finance options. With a variety of concepts including our Genesis Flexibility subscription plan, we make it easy to drive a Genesis without owning one.

GENESIS MEMBERS. JOIN A LIKE-MINDED COMMUNITY

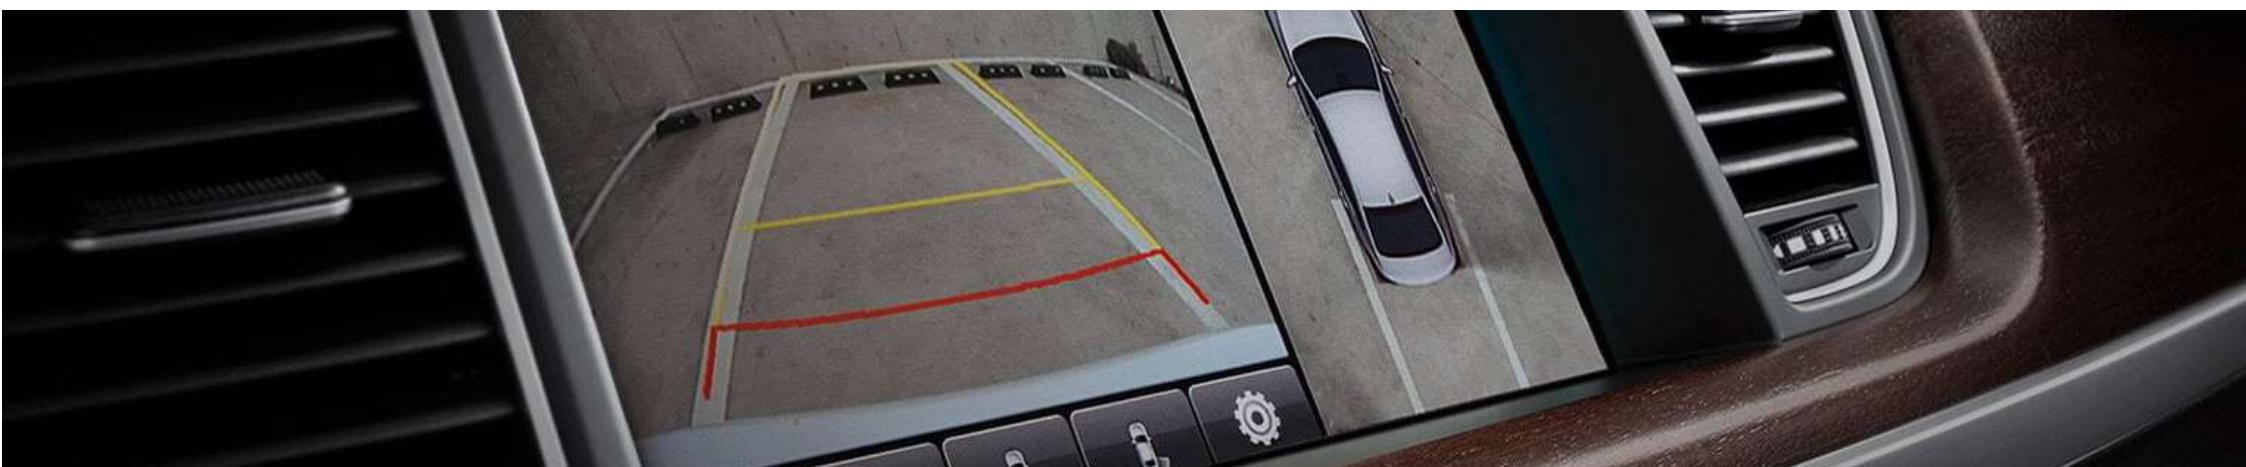

As part of the Genesis community, you can enjoy a range of exclusive social and automotive experiences. These include priority access to inspiring events and exhibitions.

WE COME TO YOU

A core principle of the Genesis Difference is "we come to you" - not the other way around. With at-home test drive new car delivery, and collection and delivery for scheduled servicing and warranty.²

² We Come to You T&C might apply.

GENESIS G80

ELEGANT FROM EVERY ANGLE

DESIGN
SOPHISTICATION

GENESIS G80 DESIGN

EXTERIOR

FRONT DESIGN

The bold Crest Grille and Quad Lamps evoke the Genesis emblem to create a timeless design aesthetic.

REAR DESIGN

The front design flows through to the rear lights and exhaust tip shapes.

SIDE PROFILE

Designed to look fast standing still, the dynamic parabolic waistline captures the "athletic elegance" of Genesis design.

The technical features and trims of the described or depicted vehicles throughout in this brochure and our website are examples only. They may not be standard or available for all engines styles, may vary in specific countries and are subject to change at any time.

GENESIS G80 DESIGN

INTERIOR

INTERIOR

"The Beauty of White Space," is the classically Korean design concept that inspires the serene interior.

INTERIOR DETAILS

The exclusive two-tone steering wheel design exudes beauty without sacrificing excellent grip and functionality.

PRIME NAPPA LEATHER SEAT

The soft, full-grain prime Nappa leather in our seats is quilted with the G-Matrix pattern then padded for long-distance comfort.

SHIFT-BY-WIRE

Glass-covered shift-by-wire (SBW) transmission for fingertip gear changes.

SLIM AIR VENT

To emphasise interior space, sleek air vents run uninterrupted across the width of the cabin.

INNOVATIVE TECHNOLOGY

INTELLIGENT SAFETY

INTRODUCING G80 SAFETY

THE G80 IS DESIGNED WITH CUTTING-EDGE TECHNOLOGY THAT MAKES YOUR SAFETY A PRIORITY

SAFETY ALL ROUND

The combination of trailblazing automotive technology and intelligent design has created one of the safest luxury class limousines – now awarded with 5 stars for outstanding safety in the Euro NCAP safety rating.

EURO NCAP 5-STAR RATED

We are proud to announce that the Genesis G80 has been awarded the highest rating by Euro NCAP by attaining five-stars for safety. This independent European test proves the G80's exemplary impact protection and comprehensive accident avoidance technologies are also class leading.

SAFETY FEATURES

10 AIRBAG SYSTEM

The ten airbags will help protect everyone in the G80, with ten airbags including the innovative new front-centre airbag that helps prevent collisions between the driver and front passenger.

INTELLIGENT FRONT LIGHTING SYSTEM

Safely light your way and avoid dazzling other drivers. Intelligent lighting controls the Matrix Beam LEDs in the G80's four high beam lights.

ADVANCED SAFETY FEATURES

SAFE EXIT ASSIST

To protect rear passengers once stopped, the radar detects vehicles approaching from the blind spot and activates child locks on rear seats. When unlocked, the driver is reminded to help passengers to get out safely.

REVERSE PARKING COLLISION-AVOIDANCE ASSIST (PCA)

When reversing at a low speed, if your G80 detects pedestrians or objects, it warns you and applies the brakes to minimise the risk of collision.

BLIND-SPOT COLLISION-AVOIDANCE ASSIST (BCA)

Acts as another pair of eyes. If a risk of collision at the rear is detected, this system warns the driver. When leaving a parallel-parked position, it detects the risk of collision at the rear and automatically assists in braking.

REAR CROSS TRAFFIC COLLISION AVOIDANCE ASSIST (RCCA)

When you are reversing, if the system detects a risk of collision with an oncoming vehicle a warning will be displayed along with a beeping sound. If the risk increases after the initial alert, the system will automatically initiate braking.

FORWARD COLLISION AVOIDANCE

JUNCTION TURNING

While driving through an intersection if there is a risk of collision with oncoming vehicles from the left or right, FCA automatically assists with emergency braking.

JUNCTION CROSSING

If there is a risk of collision with an oncoming vehicle while turning left at an intersection, the system automatically assists with emergency braking.

EVASIVE STEERING ASSIST (EVA)

While driving, if there is a risk of collision with a pedestrian, partially in the vehicle's intended path, the system automatically assists with avoidance steering.

DRIVING TECHNOLOGY

On motorways, when changing lanes or taking a corner, the G80's driving technology is there to help.

ADVANCED DRIVING ASSISTANCE

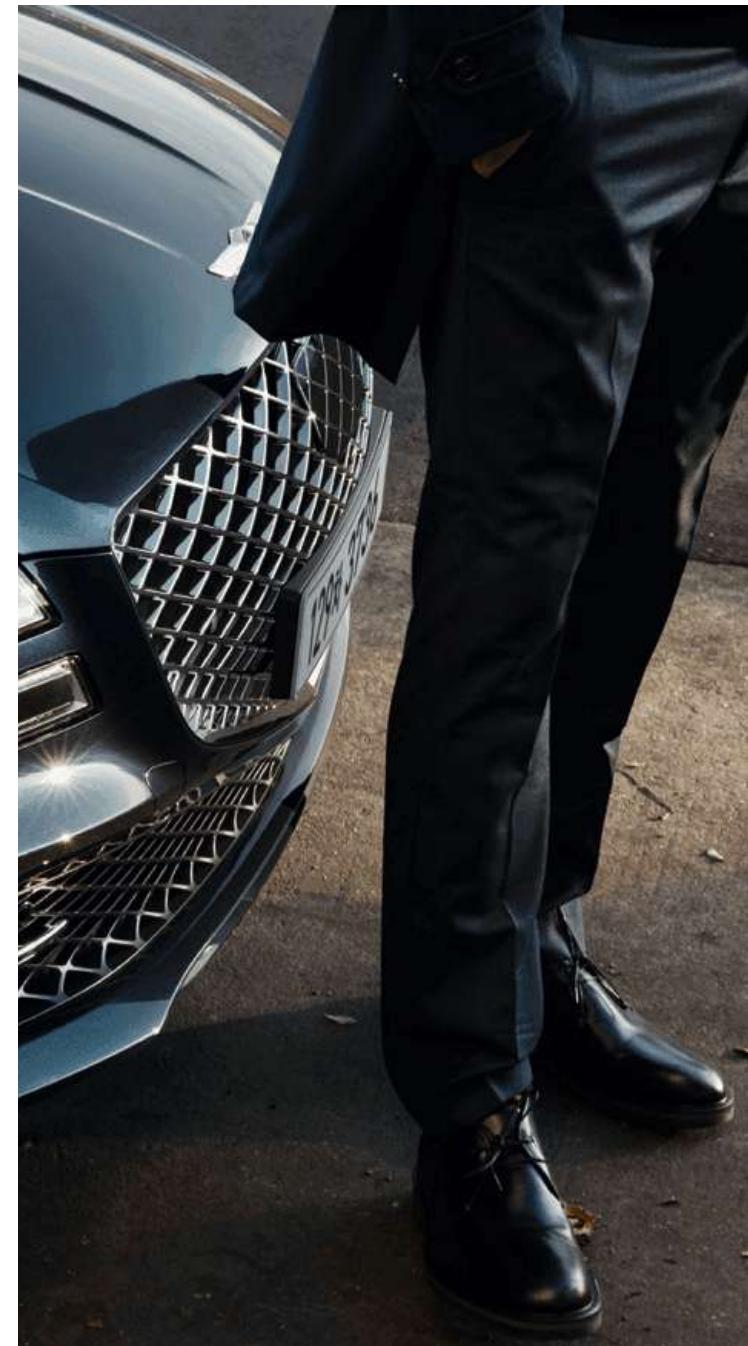

HIGHWAY DRIVING ASSIST II

On the motorway, HDA-II calculates the distance to the car ahead to maintain the current stable driving status. If another car cuts in or drifts too close, HDA-II will quickly and safely help adjust your position.

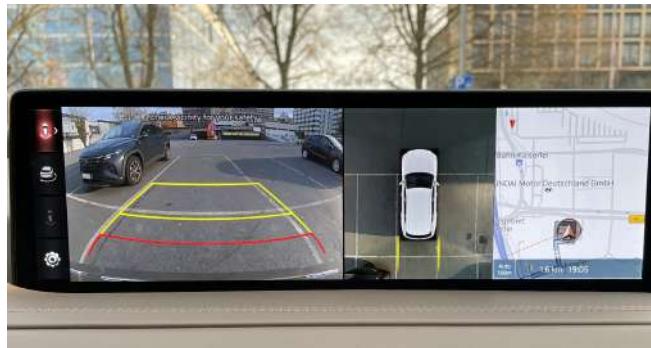

MAP BASED SMART CRUISE CONTROL

The system helps drive at a safe speed on the highway using navigation.

INTRODUCING G80 TECHNOLOGY

EXPERIENCE A NEW CALM

TECHNOLOGY TO MAKE LIFE EASIER

The Surround View Monitor uses multiple cameras to provide you with a 360° view around your Genesis, making forward and reverse parking easier and safer.

DRIVER'S ERGO MOTION SEAT

The Ergo-Motion seat features seven air cells to reduce tiredness and discomfort on long journeys.

AGR (Aktion Gesunder Rücken e.V.) certification
The German Aktion Gesunder Rücken e.V. (Campaign for Healthier Backs) gave its international seal of approval to our Ergo Motion seat for being an outstanding back-friendly product.

CUSTOMISE YOUR DISPLAY 12.3" 3D INSTRUMENT CLUSTER

By tracking the driver's gaze, the screen gives a unique 3D depth. The information shown is tailored according to the driving mode and drivers can further customise the information displayed.

PARK IN THE TIGHTEST SPACE

REMOTE PARKING ASSIST

Remote Smart Parking Assist helps remotely park or exit a parking spot from outside the vehicle.

EFFORTLESS TECHNOLOGY

AUGMENTED REALITY NAVIGATION

Finding your way has never been easier. The G80 shows a real-time video feed of the road and superimposes navigation information on it, such as direction arrows and street names.

EFFORTLESS CONTROL

VOICE ACTIVATED CONTROLS

Without lifting a finger you can use your voice to control the air conditioning and open and close the windows or boot.

GENESIS TOUCH CONTROLLER

Unlike complex keyboards, handwriting recognition makes it easier and quicker to enter your satnav destination. Also access menus quickly with gesture recognition.

STATE OF THE ART DIGITAL DISPLAY

14.5" GENESIS INFOTAINMENT

Winning awards for both usability and design, the Genesis interface adapts to whether you are moving or stopped. The 14.5" screen is split to clearly show different information including an intuitive navigation map, Google Android Auto™, Apple CarPlay™ and Genesis Connected Services.*

SOUND SYSTEM LEXICON PREMIUM SOUND SYSTEM

Lexicon is the gold standard for studio audio. The QuantumLogic Surround system gives a clear, dynamic sound without distortion and provides powerful multi-dimensional surround sound. The system's 18 speakers are optimally positioned for immersive listening.

* Apple CarPlay™ is a registered trademark of Apple Inc.; Android Auto™ is a registered trademark of Google Inc.

FOR REAR PASSENGERS

REAR SEAT CONVENIENCE REAR SEAT REMOTE CONTROLS

Rear passengers ride in comfort thanks the remote-controlled adjustable seats, powered curtains and dual entertainment systems.

ELECTRONIC/VENTILATED REAR SEAT

For comfort, the rear seats are ventilated and have powered slide, tilt and recline functions.

POWERED REAR CURTAINS

The electric side curtains protect rear passengers from bright sunlight and afford comfortable, secluded privacy.

REAR SEAT ENTERTAINMENT SYSTEM

Keep passengers amused with touchscreen monitors on each seatback that can play movies and TV services independently of each other.

PERFORMANCE

The perfect balance of engine and suspension
brings you a new level of driving experience.

PERFORMANCE

ALL-WHEEL GRIP, ALL THE TIME

To make your drive as responsive as possible, the All Wheel Drive (AWD) system adjusts both the front and rear power distribution according to road and weather conditions.

PLATFORM

A STRONGER, LIGHTER BODY

Through the expanded use of light-weight material, structural optimization of the body structure, and the use of high-strength steel, Genesis has achieved an unprecedented reduction in weight.

SUSPENSION

ELECTRONICALLY CONTROLLED SUSPENSION (ECS)

For the smoothest ride, no matter how bad the road. ECS uses the front camera to spot potential potholes, then adjusts the suspension to optimise comfort and safety.

POWERTRAINS

G80 ENGINE

2.2L DIESEL ENGINE¹

Max. output 210ps / 3800rpm

Max. torque Nm 441 / 1750-2750

The use of an aluminum block reduces the weight of the 2.2L diesel engine, offering not only improved fuel economy but also a swift responsiveness via the updated turbocharger.

2.5L TURBO GASOLINE ENGINE²

Max. output 304ps / 5800rpm

Max. torque Nm 422 / 1650-4000

With updated cooling and injection systems, this turbocharged engine delivers optimal performance and fuel-efficiency no matter the driving conditions.

*Genesis G80 - energy consumption 8.3 - 9.3 l/100 km; CO₂-emissions combined: 189 - 210 g/km; CO₂-class: G; (according to WLTP)**

¹*Genesis G80 2.5T RWD 224 kW (304 PS) petrol, 8-speed gearbox - energy consumption combined 8.6 l/100 km; CO₂-emissions combined: 195 g/km; CO₂-class: G; (according to WLTP)**

²*Genesis G80 2.5T AWD 224 kW (304 PS) petrol, 8-speed gearbox - energy consumption combined 9.3 l/100 km; CO₂-emissions combined: 210 g/km; CO₂-class: G; (according to WLTP)**

**For more information on official fuel/power consumption and CO₂ emission data for new cars, please refer to the "Guide on the Fuel Economy, CO₂ Emissions and Power Consumption of All New Passenger Car Models Offered for Sale on the German Market" published free of charge by DAT Deutsche Automobil Treuhand GmbH, Hellmuth-Hirth-Straße 1, D-73760 Ostfildern, Germany, www.dat.de/co2/. The consumption and emission values shown on the Genesis website are based on the Worldwide Harmonised Light Vehicles Test Procedure (WLTP). Further information on the WLTP measurement procedures can be found at <https://www.genesis.com/de/en/wltp.html>.*
