

# GENESIS GV80

2023

## A STEP IN A DIFFERENT DIRECTION

Anything revolutionary begins as just a thought.

But what turns that thought into something bigger is the confidence to take that first step to bring it to life. At Genesis, we're proud to present the Genesis GV80. A vision inspired by you and a design driven by an experience like nothing else before it. Its athletic elegance, state-of-the-art technology and powerful performance speaks for itself.

We invite you to discover everything that is the Genesis GV80.

# MODERN MEETS EXPRESSIVE

The Genesis GV80, featuring the brand's innovative design and its future direction, proudly embodies the elegance and confidence of luxury.

# EXTERIOR DESIGN

## CREST GRILLE

The G-Matrix Crest Grille and signature Quad Lamps embody the unique design language of Genesis, while the imposing front profile of the GV80 demands attention with its prominent presence.

## QUAD LAMPS

The full LED quad headlights shine like diamonds as two bands of light continue around the sides of the vehicle to create a wrap-around effect, visually extending to the tail lamps.

## WIDE STANCE

The GV80's prominent stature doesn't just take the stage, it sets it with its horizontal layout from the grille to the lamps creating stable stance. Its strong, yet elegant side profile makes a lasting impression, with a sleek fender and bold, dominating wheels.

## WHEELS

The available 22" G-Matrix wheels and large diameter tires offer a stable stance and powerful proportions.

## THE FINER DETAILS

The refined interior, designed with the 'Beauty of Openness', creates a premium and comforting space assuring enhanced usability.

# INTERIOR DETAILS

## TWO-TONE STEERING WHEEL

The distinguished steering wheel is expertly crafted from the finest materials and has been reconfigured with a new design unique to the GV80.

## SLIM AIR VENT

The GV80's sleek crash pad features a slim air vent that brings together heating and air conditioning in one pragmatic design.

## QUILTED NAPPA LEATHER SEATS

Softer than some of the finest leathers, the available full-grain prime Nappa leather seating is quilted with the iconic G-Matrix pattern and padded for a sumptuous texture.

## SHIFT-BY-WIRE (SBW)

Specially designed and built for the centre console, the new shift-by-wire rotatable transmission dial is elegantly transparent and adorned with jewellike finishes.

# TECHNOLOGY

## SMART CRUISE CONTROL (SCC) WITH STOP & GO

When driving on a highway with SCC enabled, the GV80 reduces the speed appropriately when entering autopilot-permitted zones and curved sections based on the road data provided by the navigation system. After safely passing such sections, the speed is automatically returned to the previously set speed.

## REMOTE SMART PARKING ASSIST (RSPA)

This system controls the steering wheel, vehicle speed, and gear shift automatically to assist the driver when parking or exiting a parking spot. RSPA can also be controlled remotely using the smart key from outside the vehicle.

## 14.5" TOUCH-SCREEN WITH NAVIGATION AND DIS CONTROLLER

A dashboard designed to do more—enjoy the standard 14.5" high-definition touch-screen display equipped with a navigation map, Genesis Connected Services, plus the connectivity of Android Auto™ and Apple CarPlay™.

## GENESIS TOUCH CONTROLLER (HANDWRITING RECOGNITION)

Write your way to the next destination. Using the Centre Control Panel's interactive and intuitive touchscreen, use handwriting for swifter usability and access quick menus with gesture recognition.

Sport utility vehicles are crafted for those with a distinctive lifestyle. It's why the GV80 is integrated with cutting-edge technological features that better connect with the driver's way of living.

# THE POWER TO GO PLACES

## 2.5 TURBO

300	Maximum output (HP/5,800rpm)	311	Maximum torque (lb-ft/1,650-4,000rpm)	10.5	Combined fuel economy (km/L) AWD, 5 passengers, 20"
-----	---------------------------------	-----	--	------	--

## 3.5 TURBO

375	Maximum output (HP/5,800rpm)	391	Maximum torque (lb-ft/1,300-4,500rpm)	11.8	Combined fuel economy (km/L) AWD, 7 passengers, 22"
-----	---------------------------------	-----	--	------	--

# PERFORMANCE

## ELECTRONICALLY CONTROLLED SUSPENSION (ECS) WITH ROAD PREVIEW

Actively adjusting the GV80's performance for the smoothest journey, ECS with Road Preview uses a front camera to spot potential potholes and adapts the suspension force to accommodate and reduce wheel impact. It even uses map navigation to detect approaching speed bumps up ahead.

## AWD WITH E-LSD

Combined with an available E-LSD that improves the driving power and handling performance of the left and right rear wheels, the AWD system of the GV80 provides stable driving performance on the roughest of roads.

## ROAD ACTIVE NOISE CANCELLATION (RANC)

The first vehicle on the planet to feature Road Active Noise Cancellation, the GV80 uses accelerometers and microphones to detect noise coming from the road's surface into the cabin. Once noise is detected, it releases reverse phase soundwaves through the interior speakers to minimize noise and create a quiet environment.

# STEADY, STURDY AND SECURE

The GV80 is equipped with an abundance of features, ranging from intuitive safety intelligence to progressive technology right at your fingertips. With innovation in every detail, explore what continues to separate the GV80 from anything else.

# SAFETY

## REAR CROSS-TRAFFIC COLLISION-AVOIDANCE ASSIST (RCCA)

When you're backing out of a parking space, RCCA helps to warn you if vehicles are detected approaching from the sides. And, if necessary, automatically applies the brakes to help prevent a collision.

## FORWARD ATTENTION WARNING

While you drive to your next destination, the GV80 monitors your eye direction with an intelligent interior view camera on the dashboard. If it detects distraction or closed eyes, it warns you with audible and visual cues to secure your attention on where it should be—the road ahead.

## LANE DEPARTURE WARNING

Helps prevent collisions with oncoming vehicles when driving along a non-divided highway and helps prevent side collisions when merging into another lane.

## NAVIGATION-BASED SCC

The GV80 uses navigation data to identify upcoming curves and speed zones and adapts accordingly by automatically decelerating and re-accelerating as needed.

## CENTRE-SIDE AIRBAG

Designed with protection at every angle in mind, the GV80 offers a 10-airbag system engineered for optimal impact reduction. There's one built right in the front seat centre to prevent collisions between passengers and potential injuries.

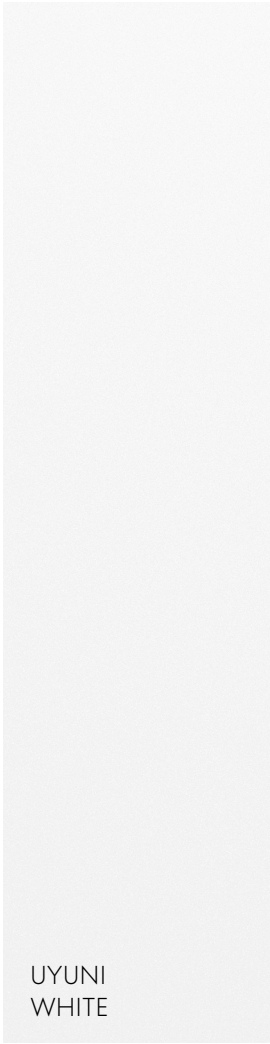

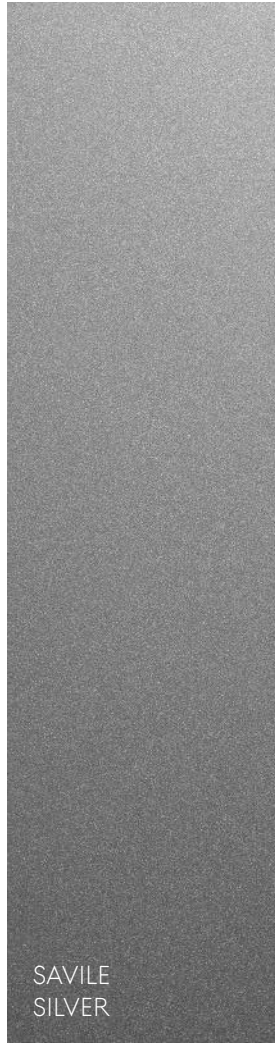

## FORWARD COLLISION-AVOIDANCE ASSIST (FCA)

A comprehensive monitoring system that warns you of potential collisions and automatically applies the brakes (if necessary) may be something familiar, but when you pair it with these Genesis-first technologies—your safety has never felt this secure.

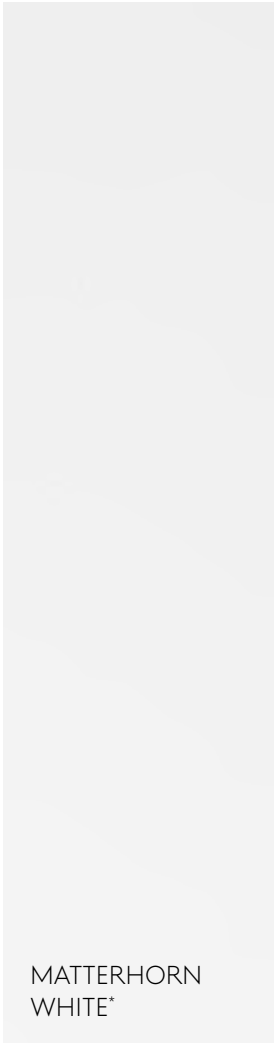

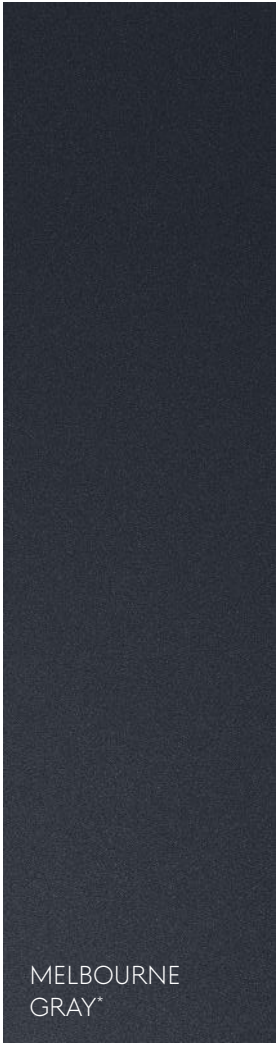

# EXTERIOR COLOURS

# GENESIS COMPLIMENTARY 5-YEAR CARE PLAN

## ENJOY A 5-YEAR/100,000 KM\* WORRY-FREE OWNERSHIP EXPERIENCE.

With exclusive services such as complimentary scheduled maintenance and roadside assistance, We're driven to exceed expectations, not simply meet them. With the Genesis Complimentary 5-Year Care Plan, your privileges extend beyond the comforts of the cabin to ensure that every need is met. Genesis owners can drive anywhere and anytime with complete peace-of-mind.

### COMPLIMENTARY SCHEDULED MAINTENANCE\*

Enjoy a worry-free ownership experience that includes Complimentary Scheduled Maintenance for 5 years or 100,000 km, whichever comes first.

### COMPLIMENTARY MULTIMEDIA & NAVIGATION MAP UPDATES\*

Keep your vehicle's advanced navigation system up to date with complimentary annual updates.

### AT HOME VALET WITH COURTESY VEHICLE SERVICE\*

For service and maintenance appointments, simply contact Genesis at Home and we'll come to your location of choice to pick up your vehicle. While your vehicle is being serviced, a Genesis courtesy vehicle is left at your disposal.

### GENESIS CONNECTED SERVICES\*\*

Stay connected with a suite of digital applications and remote services that are your direct link to convenience and confidence with a complimentary subscription to Genesis Connected Services.

### COMPREHENSIVE LIMITED WARRANTY\*

Enjoy peace of mind with a 5-year/ 100,000 km comprehensive limited warranty.

### 24/7 ENHANCED ROADSIDE ASSISTANCE\*\*

Once you take delivery of your vehicle, you're seamlessly enrolled in our 5-year 24/7 Roadside Assistance program. In the rare event your travel plans take an unexpected turn, Roadside Assistance will provide timely flatbed towing to the nearest Genesis authorized service facility.

\*See back for details.
