

# GENESIS G70

2023

## DISCOVER THE GENESIS G70

Building on the early success of its predecessor, the Genesis G70 has been thoughtfully redesigned and is reborn as a true performance sport sedan.

# REDESIGNED AND REINSPIRED

The G70 is a high-performance sedan with an exterior design that exhibits the most athletic characteristics of the entire Genesis lineup and an interior that focuses on driver enjoyment.

# EXTERIOR DESIGN

## FRONT DESIGN

The Crest Grille inspired by the Genesis emblem’s crest, and the Quad Lamps inspired by the wings emphasize the bold, audacious character of the G70. The low set Crest Grille relative to the height of the Quad Lamps, symbolizes an athletic character ready to accelerate forward at any moment.

## SIDE PROFILE

Based on a sophisticated rear wheel drive platform, the perfected proportions are highlighted by the long hood, short overhangs and low roof. The new air vents are optimized for aero efficiency and highlight the clean and sleek athletic sport sedan look.

## REAR DESIGN

The newly implemented Quad Lamps and the bold “GENESIS” text over the clean surface of the trunk lid emphasize the distinct Genesis brand identity. Functional elements are positioned in the lower bumper area, creating a functional contrast with the minimalist upper section.

## CREST GRILLE

Inspired by the crest in the centre of the Genesis emblem, the slim, streamlined grille is set lower than the Quad Lamps for an imposing presence. Designed with an extreme ratio that accentuates the V-shape, the new crest grille emphasizes the G70's athletic and high-performance image.

# THE FINER DETAILS

A high-tech cluster display, seats that wrap comfortably around you, and luxurious aluminum finishes combine for a truly remarkable interior experience.

# INTERIOR DESIGN

## DRIVER-ORIENTED LAYOUT

Every aspect of the cockpit in the G70 is thoroughly intuitive. Control everything perfectly from the moment you sit down.

## SHIFT-BY-WIRE

The electronic shift-by-wire lever is light and compact, and a cushioned finish on the top of the knob offers a luxurious grip.

# THE GENESIS G70 SPORT

Genesis G70 Sport sharpens its athletic edge. The G70's impressive driving performance is brilliantly expressed in its design—from the instantly eye-catching radiator grille to the carefully designed details inside.

# SPORT EXCLUSIVE DESIGN

## DARK CHROME RADIATOR GRILLE

The G70'S front radiator grille surround moulding and dark tinted chrome mesh accentuate the model's unique characteristics.

## DUAL EXHAUST SYSTEM WITH OVAL OUTLETS

A body colour rear diffuser-like lip and available oval dual exhaust outlets further emphasize the high-performance characteristics of this impressive sport sedan.

## NAPPA LEATHER SEATING WITH SPORT QUILTING

The signature red-stitched seats of the G70 Sport boast a distinctive red colour and premium quilting patterns.\*

\*Available on 3.3T Sport models only.

## BREMBO® BRAKING SYSTEM

The available high-performance Brembo® brakes are applied to secure the G70's superior driving performance and differentiated image as a sports sedan.\*

\*Available on 3.3T Sport models only.

# TECHNOLOGY

## LEXICON® 15-SPEAKER SYSTEM

Experience exceptional sound with 15 premium Lexicon® speakers and Quantum Logic surround sound technology. Optimally positioned for the best stereophonic sound, the speakers are paired with stainless steel grilles for crisp and clear projection.\*

\*Not available on 2.0T Select models.

## WIRELESS PHONE CHARGING

Effortlessly charge your Qi-enabled devices with the convenience of an available built-in wireless charging pad. If the driver exits from the vehicle, leaving the smartphone inside, an alert is sounded.\*

\*Not available on 2.0T Select models.

High tech. High functionality. The G70 is packed with cutting-edge features, delivering more convenience and enjoyment in daily driving life.

## HEAD-UP DISPLAY

An available Head-Up Display helps reduce distraction by displaying critical driving information on the windshield, directly below the driver's line of sight.\*

\*Available on 2.0T Prestige, 3.3T Advanced, and 3.3T Sport models only.

## 10.25" INFOTAINMENT SYSTEM

An all-new 10.25" HD display features a GUI (graphical user interface) developed exclusively for Genesis and offers an optimal wide viewing angle for the driver.

DYNAMIC  
PERFORMANCE

2.0 TURBO

252	Maximum output (HP/6,200rpm)	260	Maximum torque (lb-ft/1,400-4,000rpm)	10.0	Combined fuel economy (L/100 kms) AWD
-----	---------------------------------	-----	--	------	--

3.3 TURBO

365	Maximum output (HP/6,000rpm)	376	Maximum torque (lb-ft/1,300-4,500rpm)	11.5	Combined fuel economy (L/100 kms) AWD
-----	---------------------------------	-----	--	------	--

# PERFORMANCE

## AWD + LSD INTEGRATED CONTROL SYSTEM

This system controls the standard all-wheel drive (AWD) transfer in tandem with the left/right traction control of the available mechanical Limited Slip Differential (mLSD), improving driving performance during turns. It also allows the driver to drift around corners.\*

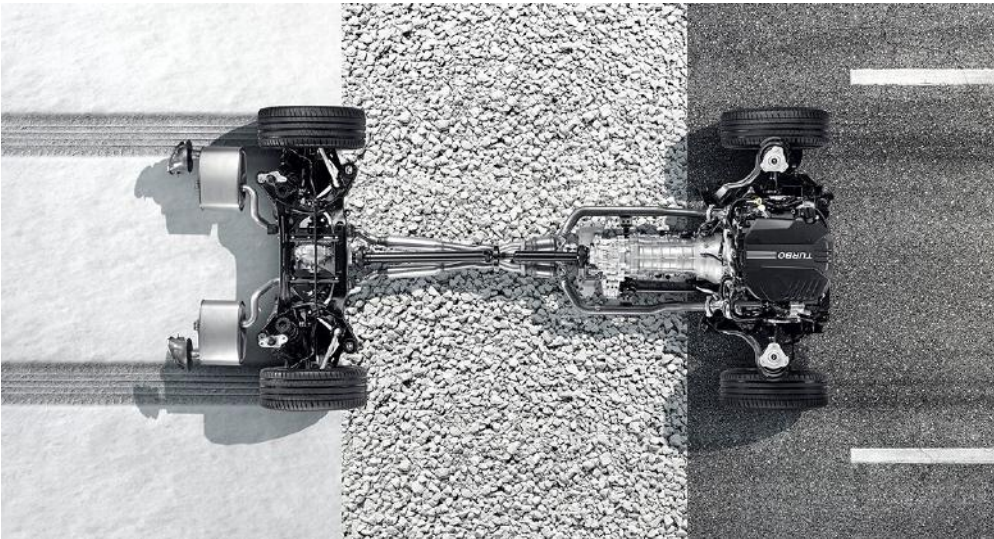

\*Mechanical Limited Slip Differential (mLSD) available on 3.3T Sport models only.

## ELECTRONICALLY CONTROLLED SUSPENSION

An Electronically Controlled Suspension delivers a delightful balance of stability and comfort. COMFORT offers the stability of a luxury sedan, SPORT provides a dynamic and reliable ride, and SPORT+ offers an excellent sense of unity with the road.\*

\*Available on 3.3T Advanced and 3.3T Sport models only.

## SPORT+ MODE

The Sport+ drive mode is geared for the track and will help you get the most out of the available 365-hp twin-turbo engine and sport-tuned suspension for an unforgettable driving experience.

## VARIABLE EXHAUST TIPS

Depending on the selected drive mode, the active exhaust sound varies according to the accelerator pedal (opening of the throttle) to provide enhanced exhaust notes that best reflect the driver's performance preferences.\*

\*Available on 3.3T Advanced and 3.3T Sport models only.

# SAFETY

## NAVIGATION-BASED SMART CRUISE CONTROL (NSCC)

When driving on a highway or expressway with smart cruise control enabled, the G70 reduces the speed appropriately when entering autopilot-permitted zones and curved sections based on the road data provided by the navigation system. After safely passing such sections, the speed is automatically returned to the previously set speed.

## SURROUND VIEW MONITOR (SVM)

The available Surround View Monitor provides real-time surrounding views of the vehicle for safer parking.\*

\*Available on 2.0T Prestige and 3.3T Sport models only.

## REAR CROSS-TRAFFIC COLLISION-AVOIDANCE ASSIST (RCCA)

RCCA warns the driver of approaching traffic from the left and right sides of the vehicle during reverse maneuvers. Even after the warning, if necessary, it applies emergency braking to prevent a collision.

## SAFE EXIT WARNING (SEW)

The feature sounds an alert when traffic is detected from behind when the driver or a passenger opens a door to exit from the vehicle.

## HIGHWAY DRIVING ASSIST (HDA)

Based on judging the distance from a leading vehicle on highways, and utilizing lane information and navigation data, the HDA assists the driver by controlling the driving speed to maintain a safe distance from other vehicles, and to prevent the vehicle from moving out of its lane.

## FORWARD COLLISION-AVOIDANCE ASSIST (FCA)

The G70 warns and automatically assists in braking as needed if the preceding vehicle suddenly slows or if there is a high risk of a front-end collision due to a stopped vehicle or sudden appearance of pedestrians or cyclists. Braking assistance is also applied when the risk of a collision with an oncoming vehicle is detected when turning left at an intersection.

## BLIND-SPOT COLLISION-AVOIDANCE ASSIST (BCA)

When BCA detects an imminent collision from the backside while making a lane change or leaving a parking lot from the car's parallel-parked position, it sends an alert and, if the risk of collision increases even after the alert, the BCA assists to avoid the collision through automatic brake activation.

# GENESIS COMPLIMENTARY 5-YEAR CARE PLAN

## ENJOY A 5-YEAR/100,000 KM\* WORRY-FREE OWNERSHIP EXPERIENCE.

With exclusive services such as complimentary scheduled maintenance and roadside assistance, we’re driven to exceed expectations, not simply meet them. With the Genesis Complimentary 5-Year Care Plan, your privileges extend beyond the comforts of the cabin to ensure that every need is met. Genesis owners can drive anywhere and anytime with complete peace-of-mind.

### COMPLIMENTARY SCHEDULED MAINTENANCE\*

Enjoy a worry-free ownership experience that includes Complimentary Scheduled Maintenance for 5 years or 100,000 km, whichever comes first.

### COMPLIMENTARY MULTIMEDIA & NAVIGATION MAP UPDATES\*

Keep your vehicle’s advanced navigation system up to date with complimentary annual updates.

### AT HOME VALET WITH COURTESY VEHICLE SERVICE\*

For service and maintenance appointments, simply contact Genesis at Home and we'll come to your location of choice to pick up your vehicle. While your vehicle is being serviced, a Genesis courtesy vehicle is left at your disposal.

### GENESIS CONNECTED SERVICES\*\*

Stay connected with a suite of digital applications and remote services that are your direct link to convenience and confidence with a complimentary subscription to Genesis Connected Services.

### COMPREHENSIVE LIMITED WARRANTY\*

Enjoy peace of mind with a 5-year/ 100,000 km comprehensive limited warranty.

### 24/7 ENHANCED ROADSIDE ASSISTANCE\*\*

Once you take delivery of your vehicle, you’re seamlessly enrolled in our 5-year 24/7 Roadside Assistance program. In the rare event your travel plans take an unexpected turn, Roadside Assistance will provide timely flatbed towing to the nearest Genesis authorized service facility.

\*See back for details.
