

# GENESIS GV80

The all new GENESIS GV80 has an innovative design and outlook that embodies the future identity of GENESIS. Succeeding the design identity of athletic splendor with impeccable balance, elegance, and tenacity while bolstering the absolute values of luxurious spacing, refined performance, and intricate comfort and safety, GV80 captures the classiness and confidence of genuine luxury.

As the very first SUV model from the brand, GV80 takes you on a new journey with its avant-garde philosophy and vision through the athleticism and elegance exclusive to GENESIS.

# EXTERIOR

GENESIS GV80 integrates the athleticism of an SUV and elegance of a sedan to deliver a dynamic premium SUV through the athletic elegance of the muscular hood and tenacious bumper design, and the bold presence of its crest grille and quadlamps.

Full LED headlamps \_ The slim space separating the upper and lower headlamps embodies the brand identity of GENESIS that adds to the presence of the athletic front design.

Savile Silver (Gasoline 3,5 turbo / AWD with electronic limited-slip differential / 5 passengers / 22" sputtering wheels & Michelin tires / full package

22" Sputtering Wheel Michelin tires \_ Wheels with a stylish and luxurious design and large tires complete the proportionate look of a sporty SUV.

\* Front Monobloc Brakes come with 20" and 22" wheels  
(2,5 turbo and 3,0 diesel Silver / 3,5 turbo Copper)

Full LED rear combination lamps \_ Full LED rear combination lamps deliver the high-tech SUV look on top of a muscular low and wide rear design.

Cardiff Green (Gasoline 2.5 turbo / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

# INTERIOR

A wide cabin utilizing a horizontal layout that stresses the beauty of simplicity on top of a bold design identity and ergonomics, combined with an improved user experience along with the application of intricate materials and colors offer a premium interior.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige Seats), (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 5 passengers / Signature Design Selection II (Olive Ash real wood) full package included

Ultramarine Blue / Dune Beige Two-tone (Dune Beige seats), (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 5 passengers / Signature Design Selection I (G-MATRIX patterned aluminum) full package included

**Crash pad with synthetic leather binding** \_ The crash pad is finished with soft-textured synthetic leather binding creating an elegant interior through refined stitching.

**G-Matrix patterned aluminum interior** \_ G-Matrix patterned real aluminum is used throughout the interior to maximize elegance.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige Seats), (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 6 passengers / Signature Design Selection II (Olive Ash real wood) full package included

Independent 2nd row seats and center console for the 6-passenger model \_ The independent 2nd row seats and even more sophisticated center console that come with 6-passenger models deliver a comfortable and convenient passenger experience.

\* The cup holders shown above represent the customized Cooling & Heating Cup Holders feature.  
\* The control panel comes only with dual rear monitors, or is replaced with a storage compartment.

**Two-tone leather steering wheel** \_ A leather steering wheel with a superior grip completed by a two-toned color design delivers the exclusive experience of GENESIS' uniqueness transcending luxury.

**Prime Nappa leather-appointed interior** \_ The interior is appointed with Nappa leather, finished with the highest degree of craftsmanship exemplified by refined details. The Nappa leather upholstery boasts an unrivalled natural texture and luxury from G-Matrix pattern quilting.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige seats), (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 6 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

# CONVENIENCE

GENESIS GV80 offers a premium driving experience characterized by comfort and pleasure through high-tech convenience features such as the optimum infotainment environment created through cutting-edge AI, connected-car technologies and an innovative air-conditioning system.

Maroon Brown / Smokey Green Two-tone (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 7 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

01.

**14.5" infotainment system and 12.3" 3D cluster display \_**  
The 14.5" infotainment system, the largest ever offered in its class with outstanding visibility, and a wide range of convenience features, as well as a large 12.3" 3D cluster display with a UHD LCD provide an improved user experience and a cutting-edge, sophisticated visual appearance.

02.

**GENESIS touch controller \_** Instead of complicated keyboard input, the handwriting recognition features of the touch controller make it easier and faster to set settings and enter navigation information.

03.

**Voice recognition vehicle control \_** Operating the air-conditioning system, windows, sunroofs, and the trunk through voice commands ensures improved safety and convenience.

04.

**Touch-type climate control panel (including haptic feedback) \_** Air-conditioning for the 2<sup>nd</sup> row seats can be controlled with a single touch. The touch-type climate control panel allows users to activate and adjust the air purification system including the fine dust detector, prefilters, and high-performance combination filters, significantly reducing dust particle concentration inside the passenger cabin, thereby ensuring a pleasant interior atmosphere.

**After-blow \_** This dries any remaining condensate in the air conditioner after being turned off, preventing mold growth and reducing odor.

05.

**GENESIS digital key \_** Without a separate physical key, drivers can lock and unlock doors or even start the engine using GENESIS Digital Key on their phones and can share the digital key with their family and friends.

\* The GENESIS digital key app is compatible with Android smartphones equipped with the following: Android operating system version 7.0 (Nougat, released Aug. 22, 2016) or newer, and Bluetooth (BLE) 4.2 or newer. The app's services are limited on iPhones as Apple Inc.'s policy does not support NFC. The app is anticipated to be available via iPhones when Apple changes its corporate policy (the NFC card key feature is currently accessible).

06.

**GENESIS CarPay \_** Pay at affiliated shops and stores highlighted on the navigation display through GENESIS CarPay without a credit card for greater convenience.

**ERGO Motion Front Seats** \_ GENESIS GV80 features ergonomic ERGO Motion Seats with 7 air pouches that offer the ultimate in seating comfort when you're on the go for both the driver and front passenger. Furthermore, the upgraded 2nd generation smart seating posture adjustment system recommends the optimal and most comfortable seating position to help alleviate driver fatigue.

Urban Brown / Vanilla Beige Two-tone (Vanilla Beige Seats) Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 7 passengers / Signature Design Selection II (Olive Ash real wood interior) full package included

**Power and ventilated 2<sup>nd</sup> row seats** \_ The comfort adjustment functions including power 2<sup>nd</sup> row seats (for reclining, sliding, and tilting), one-touch relax(for 6-passenger models), and 2<sup>nd</sup> and 3<sup>rd</sup> row power folding seats offer 2<sup>nd</sup> row passengers a level of comfort close to that of a luxury sedan. In addition, the driver can adjust the 2<sup>nd</sup> row seats and fold down the 2<sup>nd</sup> and 3<sup>rd</sup> row seats from the infotainment system without having to exit the vehicle through the rear-seat configuration feature.

\* The features introduced in this brochure may vary from model to model.

**3<sup>rd</sup> row power folding seats** \_ The easy-to-use touch of a button function on the luggage side allows even children to fold down the 3<sup>rd</sup> row seats while the rear-seat configuration feature allows folding of the headrest of those seats for ultimate convenience.

\* The features introduced in this brochure may vary from model to model.

# PERFORMANCE

GENESIS GV80 offers an elegant and athletic premium SUV experience through a comfortable and balanced driving experience with a more powerful, high-performance engine.

## Gasoline 2.5 turbo

304	Maximum output (PS/5,800rpm)	43.0	Maximum torque (kgf-m/1,650~4,000rpm)	9.7	Combined fuel economy(km/ℓ) 2WD, 5 passengers, 19"
-----	---------------------------------	------	--	-----	---

## Gasoline 3.5 turbo

380	Maximum output (PS/5,800rpm)	54.0	Maximum torque (kgf-m/1,300~4,500rpm)	8.6	Combined fuel economy(km/ℓ) 2WD, 5 passengers, 20"
-----	---------------------------------	------	--	-----	---

## Diesel 3.0

273	Maximum output (PS/3,800rpm)	60.0	Maximum torque (kgf-m/1,500~3,000rpm)	11.7	Combined fuel economy(km/ℓ) 2WD, 5 passengers, 19"
-----	---------------------------------	------	--	------	---

Cardiff Green (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

**Electronically controlled suspension with road preview** \_ This system recognizes the surface conditions of the road ahead through a front-facing camera and GPS navigation, and controls the suspension to optimize for such conditions to ensure the ultimate in driving comfort and safety.

**All driving mode / terrain mode** \_ Drivers can switch between Comfort, Eco, Sport, or Custom driving modes according to personal needs or driving conditions. Drivers can also switch between Mud, Sand, or Snow terrain conditions to balance power between wheels for outstanding off-road performance. The current status of the driving mode is shown on the cluster display and the infotainment system.

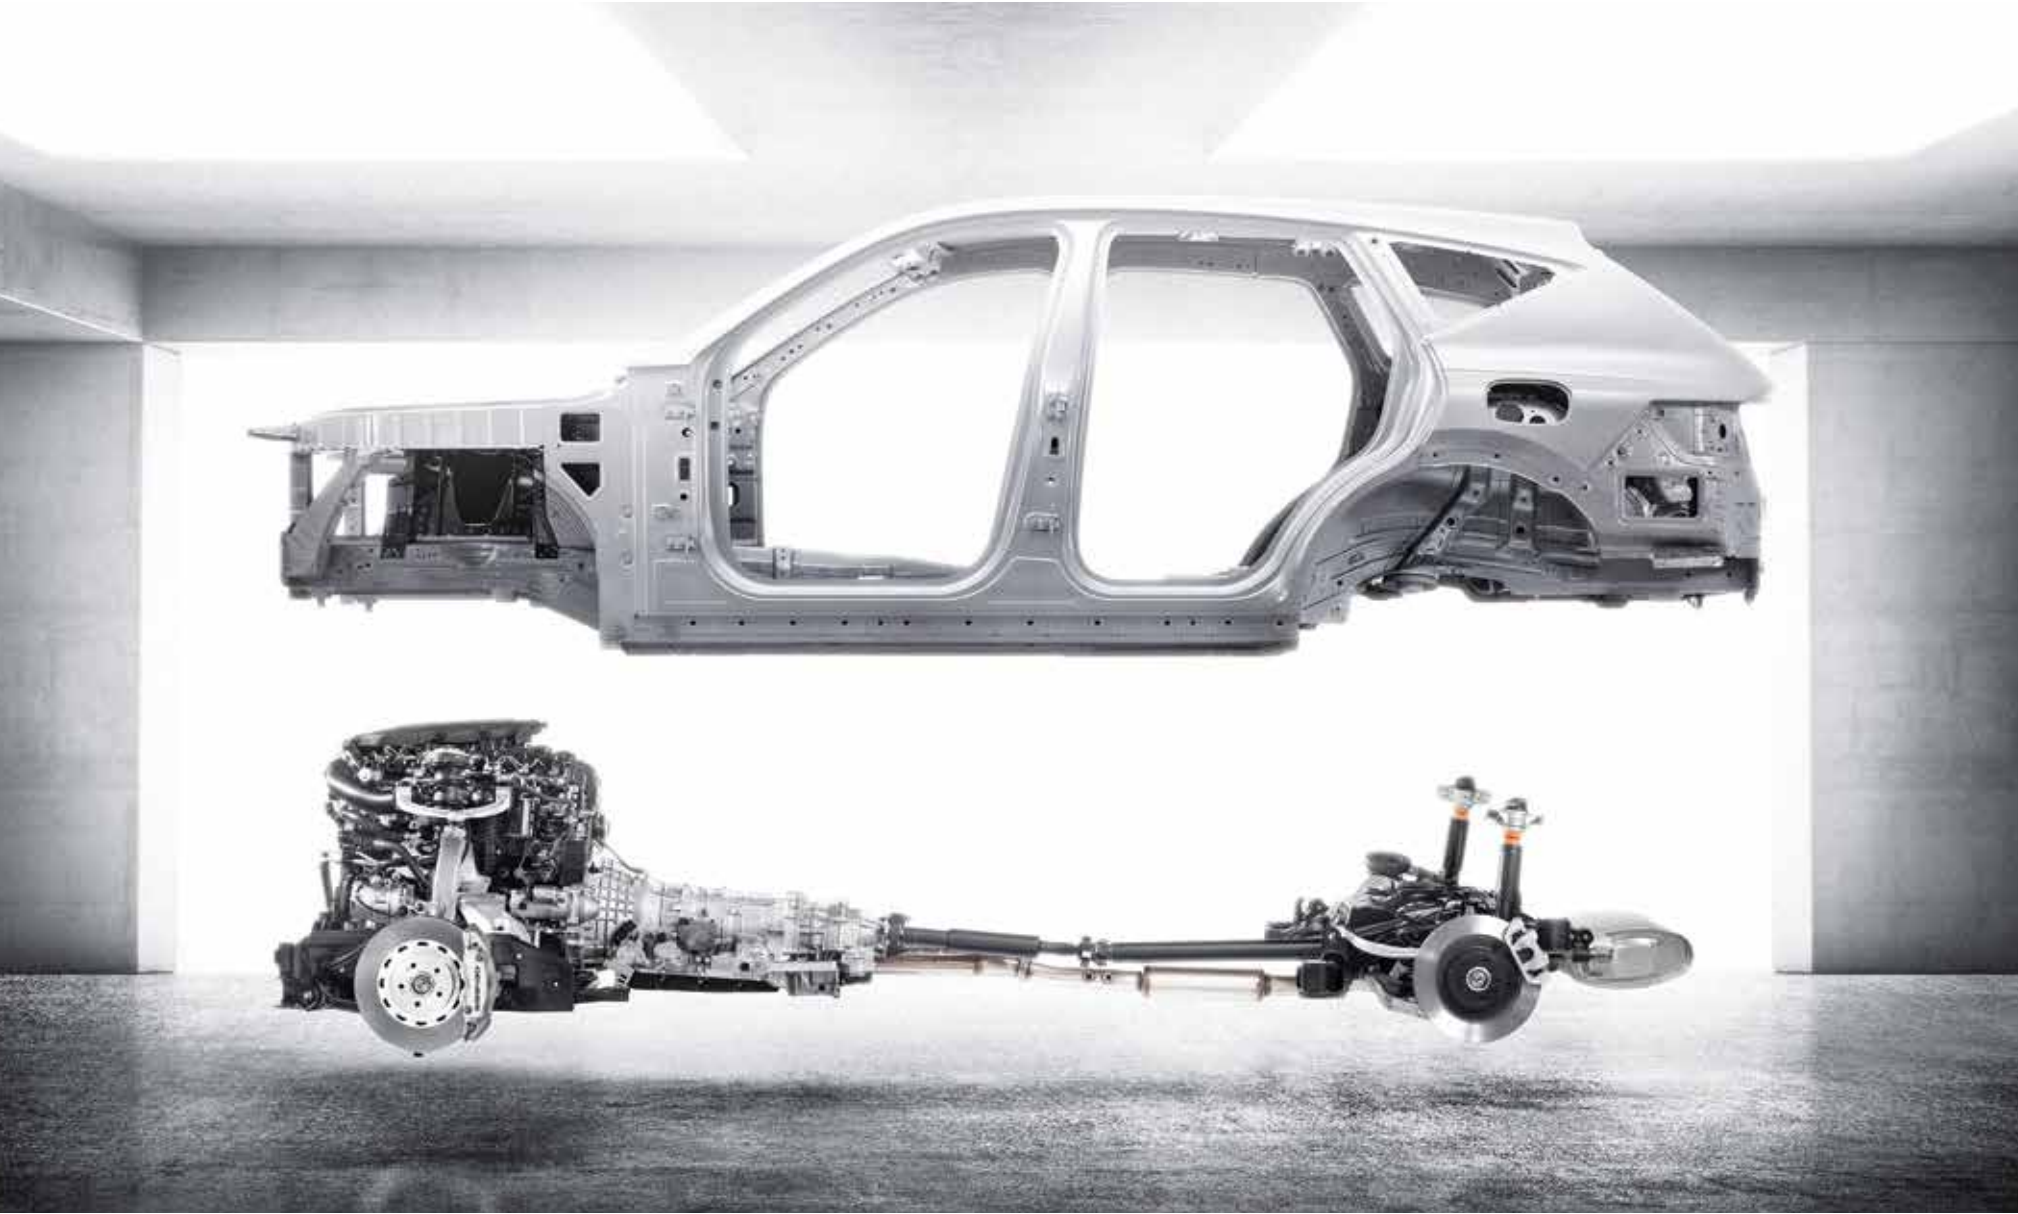

**AWD System (electronic limited-slip differential, or e-LSD)** \_ Power is optimally distributed in accordance with off-road, on-road or other various driving conditions. The use of the AWD system that tracks vehicle speed and road conditions to control power between the left and right wheels, and the e-LSD that balances power between the front and rear wheels ensures stability while driving on rough roads.

**New body platform** \_ GV80 uses an optimized new platform for rear-wheel drive SUVs that incorporates a new suspension structure which provides ultimate driving performance while light weight technology and a reinforced SUV frame ensure driving stiffness. An aluminum body is used for the doors, hood, and tailgate. The average tensile strength of the body was increased significantly to ensure the best collision safety in its class. Hot stamping plates were used over a wider area around the passenger compartment to bolster passenger safety as our number one priority.

**10-airbag system** \_ 10 airbags, including GENESIS' first center side airbag and driver and front passenger airbags that are deployed after sensing the severity of the impact and the presence of passengers, are installed to protect passengers against collisions from all directions.

**Lexicon 18 speaker system (QuantumLogic Surround)** \_ This QuantumLogic Surround system offers a clear, dynamic sound without distortion and provides more powerful multi-dimensional surround sound.

**Active road noise control** \_ This system feature is applied to detect tire vibration produced by the surface of the road and noise transmitted to the passenger compartment, and generates anti-phase sound waves in response through the vehicle's speakers, thereby reducing the noise and maintaining maximum tranquility.

**Double-jointed soundproof glass (front windshield and all doors)** \_ Acoustic laminated glass is applied to the front windshield and the glass of the 1<sup>st</sup> and 2<sup>nd</sup> row doors to offer the ultimate in unrivalled tranquility inside the passenger cabin.

# INTELLIGENT

GENESIS GV80 analyzes current driving conditions automatically and offers maximum safety and the ultimate driving experience through an active driver assistance system.

**Augmented reality navigation** \_ The navigation displays the destination and the route accurately superimposed on the actual driving feed to provide drivers with necessary information more intuitively. It also displays even the most minute details regarding the advanced driver assist system, including destination marks, smart cruise information, and departure alerts for vehicles in front.

Cardiff Green (Gasoline 3.5 turbo / AWD with electronic limited-slip differential / 7 passengers / 22" sputtering wheels & Michelin tires / full package)

**Highway Driving Assist 2 (with Auto Lane Changing)** \_ Helps maintain a safe distance on the highway from the vehicle in front, steering the vehicle so it remains centered within its lane at a speed preset by the driver even on curvy roads. The auto lane changing function helps maintain a safe distance with approaching vehicles from either side through lane-edge driving by steering closer to the opposite lane. When the driver switches on the turn signal while holding the steering wheel above a certain speed, the system changes lanes automatically.

**Smart Cruise Control (with driver's tendency learning)** \_ Automatically adjusts vehicle speed as set by the driver and helps maintain a safe distance from the vehicles in front according to the driver's tendencies. The cruise control system picks up on the driving behaviors of the driver, such as the distance maintained from cars in front, acceleration intensity and response rate, when the smart cruise control is deactivated and controls the vehicle in a manner similar to the driver once the cruise control is activated.

**Navigation-Based Smart Cruise Control** \_ Ensures safe driving once it is switched on, by automatically adjusting vehicle speed on highways based on navigation data. The smart cruise control adjusts vehicle speed automatically within safe driving zones and curved sections of the road and when entering and exiting highways.

**Lane Maintenance Assist** \_ Helps with steering to keep the vehicle within the chosen lane.

01.

**Forward Collision-Avoidance Assist** \_ Alerts the driver of the potential for a forward collision with vehicles, pedestrians or cyclists in front of the vehicle, and activates the brakes in the event of an impending collision. Forward Collision-Avoidance Assist also brakes automatically to avoid an impending collision with vehicles approaching from either side at an intersection.

02.

**Parking Collision-Avoidance Assist Rear** \_ Monitors the rear when the vehicle is in reverse, alerts the driver of any approaching pedestrians or objects and brakes automatically if a collision seems unavoidable even after the alert.

03. 04.

**Forward Attention Warning** \_ Through the built in camera, the system monitors the driver's level of attention and warns the driver through cluster display notifications and an acoustic warning to help secure the driver's attention and safety.

**Rear Cross-Traffic Collision Prevention Assist** \_ Monitors areas to the left and right when the vehicle is in reverse and alerts the driver of any approaching traffic on either side and brakes automatically if a collision seems unavoidable even after the alert.

05.

**Rear Collision-Avoidance Assist** \_ Alerts the driver to the potential for a collision from the rear when the turn signal indicator is switched on for lane changes and helps avoid mishaps and brakes automatically if a collision seems unavoidable even after the alert. Brakes automatically to avoid an impending collision with vehicles from the rear while pulling out from parallel parking.

06. 07.

**Surround View Monitor** \_ Helps the driver park safely by displaying the vehicle's surroundings through a 360 degree 3D view and various other video feeds.

**Remote Smart Parking Assist** \_ Assists the driver when parking or exiting a parking spot remotely using the smart key from outside the vehicle.

# FEATURES

MOBILITY CARE

Guaranteed for up to 5 years or 100,000km

- Applicable to the car body, general parts and engine, and major powertrain components
- ※ Warranties under Mobility Care will expire when either the mileage limit or the timeframe is reached.

Free replacement of disposable parts for up to three years or 60,000km (engine oil set and four major disposable parts within the warranty period)

- Engine oil set - 3 times (3.0D), air conditioner filters - 3 times (3.0D), brake pads (front) - 1 time, wiper blades (front) - 2 times, brake oil - 1 time, Home-to-home service - 3 times
- ※ The manufacturer's replacement and exchange criteria shall apply to each replacement, and details of the replacement service may vary by engine type.
- ※ Warranties under Mobility Care will expire when either the mileage limit or the timeframe is reached.

3-year disposable parts replacement notification services (IT-based total vehicle care)

- Vehicle check-up including mileage → Text message notifications of required repairs and parts replacement
- Maintenance checks and repair services through Home-to-Home service

GENESIS Body Care Service

- This unrivaled vehicle appearance care service provides body repairs, painting, and replacement relating to damage on the exterior surfaces of a newly purchased GENESIS.

GENESIS Butler Service

- Scope: GENESIS customers (For corporate customers, services are available for registered members of GENESIS or for those who actually have purchased or are renting or leasing GV80.)
- Service consultation with individually designated service managers is offered (on weekdays between 9 a.m. to 6 p.m.)
- Notification of upcoming events such as disposable parts replacements, notification of trouble codes, and maintenance scheduler alerts are provided for proper maintenance.
- ※ Contact: GENESIS Customer Service 080-700-6000

※ Warranty services and free replacement of disposable parts are provided to both the original and subsequent owners (remaining service coverage will be transferred).

GENESIS CONNECTED SERVICES

Experience the unique value of Genesis Connected Services. Drive safely and comfortably 24 hours a day, 365 days a year with advanced, connected car services.

Remote control

Check the status and control certain car functions anytime, anywhere using your smartphone.

Safety & security

Emergency assistance in case of accidents and emergencies.

Maintenance

Keep your car safe at all times by upgrading the navigation system wirelessly for free or getting assistance remotely on the maintenance and regular servicing of your car.

Navigation

Discover a new driving experience by getting accurate, realtime traffic information and setting destinations quickly and easily by voice.

Music streaming

Stream music in the car without a mobile phone connection.

※ Requires a data plan subscription

Wireless update

Quickly updates navigation maps and software automatically wirelessly.

- GENESIS Connected Service Center: 1899-5100

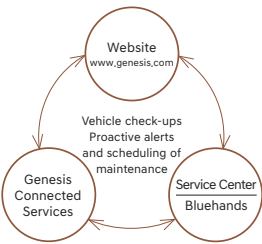

GENESIS Autocare Service (Autocare service at a requested time and location)

- This is a service that brings free maintenance services and GENESIS Mobility Care to the place and time you prefer.
- Scope: GENESIS customers (G90/EQ900, G80, GV80, G70)
- ※ For more information, please visit our website or contact GENESIS Customer Service.

Genesis Connected Services

- Complimentary, 5-year subscription to remote control, safety & security, maintenance, navigation and wireless update services upon initial enrollment after purchase.
- Inquiries: KakaoTalk Genesis Connected Services Customer Center (enter "제네시스 커넥티드 서비스" in the KakaoTalk search window and add as a friend)

Simple and easy vehicle management based on GENESIS Connected Services and Home-to-Home services

- Service that you can always count on

Detection of issues through GENESIS Connected Services

Maintenance announcements through the website or via text messages

(For significant issues, a recommendation for a visit to a service center will be issued.)

- Services that anticipate your needs in advance

GENESIS Connected Services notifies drivers of upcoming maintenance and parts replacement events and schedules service appointments based on vehicle mileage.

PRIVILEGE

Global Lifestyle Concierge

- Global Lifestyle Concierge is a customer center offering lifestyle-related benefits and services around the world, Consultation services and recommendations across diverse areas from hotels and airlines, dining, golf and healthcare are offered.
- ※ Dedicated number to be provided via the membership guide.

GENESIS Privileges

Choose 1 from among the 5 choices according to preference.

- Hotel membership: Choose any affiliated hotel in Korea to receive a complementary hotel membership for 1 year.
- Asiana Club: Receive all the benefits of Asiana Club as a complementary Gold Member for 2 years.
- Art & Culture: Receive benefits from various partners in the realm of art and culture.
- Premium carwash: Select either a carwash at home or a Sonax carwash to receive the premium carwash service.
- Lifestyle subscription: Receive subscriber benefits to either flowers or coffee for 1 year.

※ Details of GENESIS Privileges benefits will be offered via our website or the membership guide.

GV80 GENUINE PARTS

Parts	Features
Automatic Power Side Step	Automatic Power Side Step
Automatic Power Side Step	- Side steps are automatically deployed as the doors are opened to enhance convenience and safety when entering and exiting the vehicle.
Side Step (Fixed Type)	Side Step (Fixed Type)
Side Step (Fixed Type)	- Side Step blends in with the vehicle and also features non-slip patterns to help passengers enter and exit the vehicle safely.
Trailer Hitch	Trailer Hitch
Trailer Hitch	- This highly durable and safe trailer hitch connects the vehicle to a camping trailer.
Carbon Exterior Package	Carbon Front Skid / Carbon Rear Diffuser
Carbon Exterior Package	- The real carbon body package delivers a more dynamic and sophisticated look.
Cooling & Heating Cup Holders	2nd Row Seat Cooling & Heating Cup Holders
Cooling & Heating Cup Holders	- The cooling/heating functions on the cup holder keeps drinks either hot or cold.
Cooling & Heating Cup Holders	* Available only on 6-passenger models
Vehicle Protection Film	High Resilience Polyurethane Vehicle Protection Film
Vehicle Protection Film	- Applied on front and rear bumpers, rear upper bumper, side-view mirrors, door cover cap, fuel tank caps, and door steps.
Protection Mat Package	Floor Mats (Front and Rear Seats)
Protection Mat Package	- Helps maintain a clean interior with an anti-fouling, waterproof effect while adding a luxurious feel.
Protection Mat Package	* Applied only on 1st and 2nd row seats
* The above parts may be available on different dates. Inquire at the nearest Hyundai Carmaster for availability.	
* Vehicle Protection Film and Automatic Power Side Step are subject to a separate warranty period. (Warranty period - 3 years/60,000 km)	
* Automatic Power Side Step and Trailer Hitch Packages are not available together on diesel 3.0 6- or 7-passenger models.	
* The carbon exterior package is available on 2.5T and 3.5T gasoline models only (exclusive to gasoline engine models).	
* The Carbon Exterior Package and Trailer Hitch are not available together.	
* The features of the above packages can be installed only at the Automotive Storage Facility in Chilogok and HYUNDAI Motor Namyang Delivery Center. Vehicles with these packages can also be released only from these two locations.	
* Please refer to the monthly price table for more detailed features.

※ Curb weight (C): Curb weight of certified fuel economy with specifications of the supplement battery included in the Built-in Cam Package

	Gasoline 2.5 turbo	Gasoline 3.5 turbo	Diesel 3.0
Overall length (mm)	4,945	←	←
Overall width (mm)	1,975	←	←
Overall height (mm)	1,715	←	←
Wheelbase (mm)	2,955	←	←
Tread (front) (mm)	1,674	←	←
Tread (rear) (mm)	1,689	←	←
Engine type	I4 2.5 T-GDi	V6 3.5 T-GDi	I6 3.0 Diesel
Drivetrain	2WD/AWD	2WD/AWD	2WD/AWD
Displacement (cc)	2,497	3,470	2,996
Maximum output (PS/rpm)	304/5,800	380/5,800	273/3,800
Maximum torque (kgf-m/rpm)	43.0/1,650~4,000	54.0/1,300~4,500	60.0/1,500 ~ 3,000
Fuel tank capacity (ℓ)	80	←	←

Please follow the designated speed limit on the road for maximum fuel efficiency.

\*The above fuel economy was calculated based on standard driving conditions. Actual fuel efficiency may vary depending on road conditions, driving style, cargo weight, maintenance conditions, and outside temperature. \*Some of the photographed vehicles in this brochure depict optional features for illustrative purposes and may differ from the actual vehicles purchased. \*The features, colors, and specifications stated in this brochure are subject to change based on improvements in the vehicle's exterior or performance. \*The above engine performance data is based on the net value, which is the legal requirement applied by the Ministry of Land, Infrastructure and Transport from 1997 onwards. To produce the data, an advanced measurement method that takes into account the resistance of vehicle emissions was used. This method may generate results slightly lower than those generated by existing methods based on the gross value. \*The leather upholstery consists partially of synthetic leather. \*The vehicle colors printed in this brochure may differ from the actual colors. \*GENESIS models are sold by Car Masters at Hyundai Motor Company's branches and dealers at prices uniformly applied across the country to promote fair business practices. \*Use of engine oil or fuel that is of low quality may result in damage to the vehicle. \*Please refer to the owner's manual for details about new technologies and features stated in this brochure.

The images used in this brochure are intended to enhance customer understanding and are focused on high-end models and optional features. The features introduced in this brochure may vary by trim model, package, powertrain, and exterior color. Please refer to the monthly price table for more detailed features of each model.

※ Please refer to the GENESIS website for more details (guarantee scope, procedures, etc.).
