

GENESIS G80

GENESIS G80

GENESIS.

We know the expectations and values you seek in our name.

So we took a step forward and imagined the future you will face and visualized a lifestyle based on real needs and desires.

Then we captured every detail in GENESIS G80.

Equipped with advanced safety components and an array of new features, GENESIS G80 is a blend of bold lines and stunning technology.

The fully redesigned GENESIS G80 will merge seamlessly into your daily life and meet all the expectations you've ever had for GENESIS.

KOREA AUTOMOBILE JOURNALISTS ASSOCIATION /
AUTOMOBILE WRITERS' ASSOCIATION OF KOREA

2021 CAR OF THE YEAR

— KOREA 2021 —

Tasman blue (full package including 3.5 turbo gasoline / AWD / 20" pirelli all-season tires & sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

ATHLETIC ELEGANCE

Designs are an expression of unspoken messages and a concentration of endless images.
GENESIS G80 reveals its brand identity by perfectly balancing an elegant and dynamic exterior
with a wide interior that pushes the boundaries of cabin space.

Tasman blue (full package including 3.5 turbo gasoline / AWD / 20" pirelli all-season tires & sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

GENESIS G80

From the brand's signature slim, two-lined high-tech quad headlamps to the sensuous lines of the side repeaters, and from the delicately styled rear lamps to the bold and dynamic wheel designs, one surprise will only lead you to another.

Tasman blue (full package including 3.5 turbo gasoline / AWD / 20" pirelli all-season tires & sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

Forest blue mono-tone (full package including forest blue seats, maroon brown upper door trim / signature design selection II (ash color gradation real wood))

Feel the distinctive confidence and sensitivity that fills the GENESIS G80's cabin, from the gratifying elegance exuded by real wood trim finishes to the fine details of the rotary dial and the plush comfort of the Nappa leather seats.

Makalu gray matt (full package including 3.5 turbo gasoline / AWD / sport package dynamic / 20" Michelin summer tires & dark sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

GENESIS G80 SPORT

The dark chrome radiator grille and three-dimensional wing-shaped front bumpers immediately differentiate GENESIS G80 SPORT from its siblings. Black bezels around the headlamps, exclusive 20-inch wheels with G-MATRIX patterns, and a wide, bold rear bumper also highlight its sporty design.

Cavendish red (full package including 3.5 turbo gasoline / AWD / sport package dynamic / 20" Michelin summer tires & dark sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

The thrill of dynamic driving starts with the exquisite designs of the GENESIS G80 SPORT's exclusive three-spoke steering wheel, real carbon garnishes, and quilted Nappa leather seats.

Makalu gray matt (full package including 3.5 turbo gasoline / AWD / sport package dynamic / 20" Michelin summer tires & dark sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

PERFORMANCE

Every moment is exhilarating inside the GENESIS G80 SPORT, which perfectly balances the brand's refined driving performance with sportiness. Experience GENESIS G80 SPORT's full capabilities, from its agile handling to firm ride; breathtaking acceleration to solid braking; and quiet interior that maximizes dynamic audio sounds.

2.5 turbo gasoline engine			
304	Maximum output PS/5,800rpm	43.0	Maximum torque kgf.m/1,650~4,000rpm
3.5 turbo gasoline engine			
380	Maximum output PS/5,800rpm	54.0	Maximum torque kgf.m/1,300~4,500rpm

A POWERFUL COMBINATION OF ACTIVE REAR-WHEEL STEERING, SPORTY SUSPENSION TUNING, AND INSPIRATIONAL SOUND CONTROLS ENABLE ULTIMATE PERFORMANCE DRIVING.

01.

Rear Wheel Steering (RWS) _ This new technology enhances driving convenience and stability by actively controlling the steering angles of the rear wheels up to 3.5 degrees. In low speeds, the rear wheels steer in the opposite direction of the front wheels, reducing the vehicle's turning radius to increase agility and steering convenience. In mid to high speeds, the rear wheels steer in the same direction as the front wheels to reduce slippage and increase safety and conformability, strengthening the dynamic driving emotions of a sport model.

A

A. At low speeds (less than 60km/h): opposite direction of front wheels

B

B. At high speeds (over 60km/h): same direction as front wheels

※ The above is based on Comfort driving mode settings

※ The above options are available via the sport package, while Rear Wheel Steering (RWS), Active Noise Control-Road (ANC-R), Sport+ mode is available via the sport package dynamic.

02.

Sport+ mode _ This feature maximizes acceleration performance and transmission responsiveness, downshifting ahead of sudden braking and preventing upshift during turns. Rapid downshifting is achieved via an ETI (Engine Torque increase control). It also amplifies the excitement of performance driving via ASD (Active Sound Design), which emphasizes mid to low engine sound notes.

Active Noise Control-Road (ANC-R) _ This system sends sound waves opposite to the road noise that enters the cabin, significantly reducing its sound and maintaining tranquility in the cabin.

03. 04.

Sport suspension _ Dynamic driving performance is realized via higher tensile springs and shock absorbers with optimized damping capabilities, which also differentiates each driving mode. Tight handling is achieved in the Sport+ mode, for driving in winding roads.

Brake mode _ Drivers can choose between Comfort mode, which offers comfortable and stable driving; or Sport mode, which emphasizes braking capabilities.

GENESIS G80 SPORT PROVIDES OPTIMAL DRIVING MODES FOR EVERY DRIVER BY ACCURATELY RECOGNIZING ROAD CONDITIONS AND ACTIVELY CONTROLLING THE VEHICLE.

01.

Electronically controlled suspension with road preview _ Based on road conditions identified via the front end camera and the navigation, the Electronically controlled suspension with road preview automatically controls the damping force of the suspension to control the movement of the vehicle. This ensures a smooth and comfortable ride as the system detects road conditions such as speed bumps in advance and reduces the impact.

AWD system _ This system automatically senses slippery or unstable driving conditions that even the driver may not detect and proactively balances power between the front and rear wheels to ensure stability at all times.

02.

8-speed automatic transmission / Shift-by-Wire (SBW) _ The precise and smooth 8-speed automatic transmission replaces the previous bullet Transmission with a leaf spring and roller-type lever. The delicate woven patterns and ambient lights projected on the real glass materials of the dial-style shift on the shift-by-wire transmission base offer a unique touch to the fingers as well as visual aesthetics.

03.

Drive mode control system _ Drivers can switch between Comfort, Eco, Sport, or Custom driving modes according to preferences or driving conditions. From the smooth ride of the comfort mode to the powerful acceleration of the sport mode and to the fuel efficient eco mode, GENESIS G80 is ready to deliver optimal driving for any situation.

04.

10-airbag system _ A total of 10 airbags are installed, including a center side airbag between the front occupants to mitigate impact with each other or with other interior materials. Advanced airbags in the driver and front passenger seats are deployed after sensing the severity of the impact and the presence of other passengers, while front and rear side-curtain airbags and driver's knee airbags protect passengers against collisions from all directions.

INTELLIGENT

Endless variables arise while driving, demanding immediate intuition and insight. GENESIS G80 is outfitted with an array of progressive safety technologies that offer comprehensive and multi-dimensional assistance to control the vehicle, providing uncompromised safety for everyone on the road.

Augmented reality navigation _ This provides intuitive road information by overlaying digital road guidance over the actual road image. It also provides detailed information linked to the advanced driver-assist systems, such as the destination, smart cruise information, and an alarm to alert you when the vehicle in front of you moves forward.

Tasman blue (full package including 3.5 turbo gasoline / AWD / 20" pirelli all-season tires & sputtering wheels / electronically controlled suspension with road preview / panorama sunroof)

INTELLIGENT SAFETY FEATURES ACTIVELY RESPOND TO ALL SIGNS OF DANGER, NO MATTER HOW MINOR.

01. **Forward Collision-Avoidance Assist (FCA) system (junction crossing, change oncoming, change side, evasive steering assist)** _ This system helps to automatically bring the vehicle to a stop when there is a collision risk with another vehicle, cyclist or pedestrian that suddenly appears or stops ahead, or with vehicles approaching from the left or right side of an intersection. FCA helps to automatically steer the vehicle away from an oncoming vehicle or from a vehicle ahead in the adjacent lane if a collision risk increases while changing lanes, or when a pedestrian and/or cyclist gains proximity to a moving GENESIS G80 in the same lane.

A	B	A. FCA - Junction crossing
	C	B. FCA - Change side C. FCA - Evasive steering assist

02. **Lane Keeping Assist (LKA) system** _ This system alerts the driver if the vehicle leaves the lane while driving over a certain speed and without the use of the turn signals. LKA may also apply steering wheel control if the vehicle leaves the lane.

Lane Following Assist (LFA) system _ This helps assist steering to keep the vehicle centered in its current lane.

03. **Blind-Spot Collision-Avoidance Assist (BCA) system** _ This system alerts the driver of approaching vehicles in the blind spot area when the driver activates the turn signals to change lanes or when the vehicle is exiting a parallel parking spot. If the risk increases even after the warning, the system helps to automatically stop the vehicle to avoid a potential collision.

04. **Safe Exit Assist (SEA) system** _ When passengers are about to exit a parked vehicle, SEA detects vehicles approaching from the side rear and sends a warning. It also maintains the electronic child safety lock to keep the doors locked until the approaching vehicle has passed.

EXPERIENCE GENESIS G80'S STUNNING EVOLUTION TOWARDS AUTONOMOUS DRIVING
WHETHER YOU'RE ON THE HIGHWAY, CHANGING LANES OR FACING A CURVE AHEAD.

01.

Highway Driving Assist (HDA) 2 system (includes lane changing assist) _ While on the highway, this helps the vehicle maintain a safe distance from the vehicle in front and also to stay centered in its lane at a set speed even in turns. If the driver has his/her hands on the steering wheel and uses the turn signal while driving over a certain speed, HDA 2 will automatically assist in the lane maneuver.

02. 03.

Forward Attention Warning (FAW) _ This system alerts the driver if inattentive driving patterns are detected.

Blind-Spot View Monitor (BVM) system _ When the turn signals are activated, video images of the respective side/rear view of the vehicle appears on the center cluster.

04.

Navigation-based Smart Cruise Control (NSCC) system _ This system automatically slows down the vehicle when approaching low-speed zones or curved sections, assisting in safe driving. It returns to its pre-set speed after passing these sections.

ENJOY MAXIMUM SAFETY AND ULTIMATE COMFORT AT ALL TIMES AS GENESIS G80 SURROUNDS YOU WITH CUTTING-EDGE TECHNOLOGY.

01. 02.

Surround View Monitor (SVM) system _ Video images of the area surrounding the vehicle can be viewed to assist in safe parking.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA) system _ This system alerts the driver if a collision risk is detected from the left and right sides of the vehicle while reversing. If the risk increases even after the warning, RCCA helps to stop the vehicle.

03.

Reverse Parking Collision-Avoidance Assist (PCA) system _ This alerts the driver if a collision risk is detected while reversing. If the risk increases even after the warning, it helps to automatically stop the vehicle.

04.

Remote Smart Parking Assist (RSPA) system _ This system enables the driver to control the drive/reverse functions remotely from outside the vehicle via the key fob. Drivers can control the vehicle to move forwards or backwards to enter or exit a parking space, including reverse parking.

05.

Reverse guiding lamps _ When in reverse, these LED lights are angled to illuminate the ground behind the vehicle. This allows pedestrians and other vehicles to easily notice that the vehicle is reversing, maximizing safety and preventing accidents.

06.

Intelligent Front-Lighting System (IFS) _ This system automatically activates or deactivates part of the high beam lights when it detects an oncoming vehicle or a vehicle ahead, to prevent glare for drivers of other vehicles. This supports safer driving at night as the high beam lights don't have to be adjusted manually.

Anthracite gray/dune beige two-tone (full package including dune beige seats, anthracite gray upper door trim / signature design selection II (olive ash real wood))

CONVENIENCE

Ambient light colors a space with various emotions.
GENESIS G80 offers astonishing experience with a variety of convenience features, from opening the door to validating various driving information, setting the desired functions, and using smart devices.

Front ERGO Motion seats _ The driver's seat and the front passenger's seat is equipped with air cells that can be controlled to provide optimal driving posture and seating comfort. It also provides enhanced side and cushion support in connection to the driving mode or vehicle speed, while the stretch mode controls each air cell individually to reduce fatigue while driving. Furthermore, GENESIS G80's driver's seat has been recognized by Germany's Aktion Gesunder Rucken e.V. (Campaign for Healthier Backs) for the highest level of comfort.

AGR (Aktion Gesunder Rucken e.V., Germany) Certification _ Campaign for Healthier Backs, or Aktion Gesunder Rucken e.V., bestows its international seal of approval to outstanding back-friendly products, such as car seats, after rigorous evaluation by its panel of orthopedic surgeons on how the seats can be adjusted to prevent discomfort and the impact of seat structures on back posture.

CONTROLLING THE INFOTAINMENT FEATURES HAS NEVER BEEN SO EXCITING.
EVERY COMMAND YOU GIVE IS PART OF THE PLEASURE.

01.
12.3" 3D cluster _ The wide, high-resolution 12.3" 3D cluster provides various view modes and differentiated drive mode illumination. The cluster's embedded camera tracks the driver's eye movements to provide 3D information at any angle, maximizing visibility.

02.
Head-Up Display _ Shows driving speed and GPS information, as well as key driver assist information and crossroads. The high-resolution, 12" wide display boasts clear visibility during daytime or nighttime.

03.
GENESIS touch controller _ Located on the center console, this allows users to control the various infotainment systems easily without having to repeatedly touch any buttons or screens. Its handwriting recognition system helps users set a destination or enter a phone number simply by using handwritings instead of typing into a keyboard.

04.
14.5" infotainment system _ The wide display screen can be controlled by its touchscreen or by handwriting recognized via an integrated controller, while the screen divides to show media, weather and navigation features on its right side. The system's natural language processing voice recognition feature enables users to control the vehicle's air conditioner or open a window, while Kakao Talk's service allows users to send text messages verbally. Passengers can enjoy music streaming (Genie/Melon) services without any cable or Bluetooth connections to their smartphone, while the system's integration with GENESIS CarPay makes out-of-car payments easy. The latest maps and software are updated automatically.

※ Customers must subscribe to separate data packages to access music streaming (Genie/Melon) services.

	A	A. Voice recognition controls
	B	B. GENESIS CarPay
	C	C. Wireless update of navigation system

OPEN DOORS WITH A SMARTPHONE AND ENJOY WIRELESS CHARGING FROM THE REAR SEATS.
ONCE INSIDE, FRESH AIR AND COMFORTABLE SEATS AWAIT YOU.

01.

01. GENESIS digital key _ Users can lock and unlock their vehicle by simply touching the door handles with a smartphone downloaded with the digital key app, or start the engine with the smartphone placed on the console's wireless charging pad. The digital key can be shared by friends and family and also be used to control selected vehicle systems from a remote distance of approximately 10 meters.

02.

03.

02. 03. Built-in camera _ Cameras on the front and rear ends of the vehicle allow users to see video images live or save them to playback/download, or upload to social media outlets via the vehicle's display screen or a smartphone.

Touch-type climate control panel (including haptic feedback) _ This system can control air conditioning/heating for front and rear seats. It also features an air purification system that dramatically reduces the level of fine-dust in the vehicle.

04.

04. Rear seat dual monitors _ The dual rear seat displays consist of large 9.2" monitors that have a wide viewing angle. The monitors allow right and left rear seat passengers to use separate video and audio inputs. Touchscreen features make the monitors easy to use, while the monitors can be tilted to compensate for front-seat adjustments.

05.

05. Wireless charging & multi-purpose armrest for rear seat passengers _ A wireless charging pad on the rear seat armrest enables passengers to charge their smartphones easily without any cables. Passengers can also enhance their comfort by controlling the seat adjustments, ventilation & heating, and the infotainment system through the integrated controller.

06.

06. Power and ventilated/heated rear seats _ The rear seats can slide forwards or backwards for adjustment while the seats' ventilation and heating system is linked to the vehicle's speed, which automatically controls the blower speed to provide passengers with more meticulous care. The driver can also easily control the ventilation/heating of all seats via the main climate control panel.

※ The GENESIS digital key app is compatible with Android smartphones equipped with the following: Android operating system version 7.0 (Nougat, released Aug. 22, 2016) or newer, and Bluetooth (BLE) 4.2 or newer. The app's services are limited on iPhones as Apple Inc.'s policy does not support NFC. The app is anticipated to be available via iPhones when Apple changes its corporate policy (the NFC card key feature is currently accessible).

FEATURES [GENESIS G80]

18" Diamond cut wheels

MEMBERSHIP

MOBILITY CARE

5 year, 100,000 km warranty
- General and body parts, as well as engine/powertrain components
※ During the duration of the warranty period or mileage, whichever comes first.

3 year, 60,000 km free replacement of key consumables
- Engine oil set (2.5T and 3.5T: 6 times), air conditioner filters (3 times), front brake pads (1 time), wiper blades (2 times), brake fluid (1 time), Home-to-home service (2.5T and 3.5T: 6 times)
※ Frequency is in accordance to manufacturers' guidelines and may differ between vehicle models.
※ During the duration of the warranty period or mileage, whichever comes first.

3 year, wearable parts replacement notification (IT-based total vehicle management)
- Diagnosis of the vehicle's condition and mileage → Telephone or SMS notice when repairs or maintenance is needed → Vehicle inspection and repair service

Genesis Butler Service
- Eligibility: Genesis owners (for company cars, service is provided to one registered user).
- Offers personalized consulting channel via an assigned Genesis service manager (9 a.m~18 p.m, Weekdays)
- Vehicle maintenance services, such as wearable parts replacement alerts, error code warnings, and advance/basic inspections.
※ Inquiries: Call the Genesis customer center at 080-700-6000 or visit the website.

Genesis Autocare Service
- Eligibility: Available to GENESIS customers that have mobility care Home-to-home services and engine oil exchange services remaining.
- Free visit, vehicle inspection, and replacement of engine oil and consumables at the customer's desired time and location.
※ Inquiries: Call the Genesis customer center at 080-700-6000 or visit the website.

Genesis Connected Services
- Complimentary, 5-year subscription to remote control, safety & security, maintenance, navigation, and wireless update services upon initial enrollment after purchase.
※ Complimentary services include Automatic Collision Notification, SOS Emergency Dispatch, real-time traffic information and free Monthly Reports for 10 years.
※ Inquiries: KakaoTalk Genesis Connected Services Customer Center (enter "제네시스 커넥티드 서비스" in the KakaoTalk search window and add as a friend)

Quick and convenient vehicle maintenance through Genesis Connected Services and Home-to-Home service

- **24/7 service companion**
Vehicle diagnosis through Genesis Connected Services and counseling through MMS and website (service appointment suggestion when care is needed).
- **Preemptive maintenance**
Notification and scheduling of regular maintenance and parts replacement through Genesis Connected Services based on the vehicle's mileage.

PRIVILEGE

Genesis Global Lifestyle Concierge
- Enjoy concierge services that accommodate a wide range of experiences at any global location.
- Consultation services and recommendations for worldwide hotels, airlines, dining, golf and health/safety are available.
※ Members will be charged for any fees that arise during the process of consulting, confirming information and/or making reservations on behalf of the customer.
※ A dedicated number is provided via the membership guide.

Genesis Privileges
Please choose one service from the following five choices according to your preference.

- **Hotel Membership**
Choose one of the many hotels affiliated with us and enjoy membership privileges for one year.
- **Asiana Club Membership**
Enjoy all the benefits of Asiana Club as a GENESIS exclusive gold member.

- **Art & Culture**
Receive benefits from various partners in the realm of art and culture.

- **Flower & Coffee Deliveries**
You may choose to receive regular deliveries of either flowers or coffee for one year.

- **Premium Car Care**
Premium services such as car washes and coating available.

※ Details of Genesis Privileges will be available via our website or the membership guidebook.

Maintain constant speeds for driving efficiency. [Fuel efficiency figures are for standard mode. Actual figures may vary depending on factors such as road conditions, driving patterns, vehicle load, ambient temperature, and maintenance status.] Vehicles portrayed in this publication may have optional features and differ from actual vehicles purchased. [Options, colors, and specifications shown in this publication may change to improve the appearance and performance of the vehicle.] For detailed information and notes on the specifications, please refer to the user's manual. [Engine performance figures are net values. Net values are based on a new measuring system legally imposed by the Korean Ministry of Transportation since 1997 that takes into account the resistance of exhaust gases, which may lead to a slight decrease from conventional gross output figures.] Leather seats make partial use of artificial leather. [The vehicle colors printed in this brochure may differ from the actual colors.] **GENESIS is sold exclusively through regional branches, official distributors, and certified car masters to ensure reliable product quality and pricing nationwide.** [Use of engine oil or fuel that is of low quality may result in damage to the vehicle.] **For more information on new technology and new specifications presented in this publication, please refer to the user's manual.**

This publication shows top models and options to help customers' understanding.

Options apply differently according to the trim, package, power train, and exterior color selected. Please refer to the monthly price list for detailed specifications for each model.

GENESIS CONNECTED SERVICES

Experience the unique value of Genesis Connected Services.
Drive safely and comfortably 24 hours a day, 365 days a year with advanced, connected car services.

Remote control
Check the status and control certain car functions anytime, anywhere using your smartphone.

Safety & security
Emergency assistance in case of accidents and emergencies.

Maintenance
Keep your car safe at all times by upgrading the navigation system wirelessly for free or receive assistance remotely regarding the maintenance and regular servicing of your car.

Navigation
Discover a new driving experience by getting accurate, realtime traffic information and by setting destinations quickly and easily by voice.

Music streaming
Stream music in the car without a mobile phone connection.
※ Requires a data plan subscription

Wireless update
Quickly updates navigation maps and software automatically wirelessly.

Genesis Connected Services Customer Service: 1899-5100

GENESIS BODY CARE SERVICES

Alleviates concerns about unexpected repair costs and car insurance premium increases resulting from damage to the vehicle's exterior after purchase.
Eligibility: Individuals and private businesses that purchase a new GENESIS G80 directly from an authorized dealer (excludes vehicles used for rental, lease, and business operations).
Application deadline: Before delivery — Apply through the dealer's office; After delivery — Apply through the Genesis Boutique within 30 days, including the day of delivery.
Repair locations: Authorized service network (service centers operated directly by the company or bluehands)

Program	Points Requirement	Non-reimbursable cost	Coverage & Limits	Coverage Period from the Time of Enrollment	Frequency Limits

G80 GENUINE PARTS

Package	Highlights
Vehicle protection film	Thermoplastic Polyurethane (TPU) Protective Film - A transparent protective film applied to the exterior of the vehicle prevents stone chip damage or scratching of the vehicle's surface. - Scope of application: Front bumper sides, door cups, door step plates, side mirrors, fuel tank door, rear bumper upper, and rear bumper sides.

※ Warranty for protective automobile TPU is provided by the film's manufacturer. Please refer to the separate warranty provided (warranty period: 3 years/60,000 km).

※ Continuously spraying high pressure water to the edges of paint protection film may cause the film to partially peel off.

※ Application of the protective film is carried out only at the Chilgok and Namyang delivery centers, so vehicles consisting of the above package can only be released at these two delivery centers.
