

GENESIS G70

Transcending the philosophy, design identity and technology of GENESIS,
the new GENESIS G70 has been born, emerging as a luxury performance sedan.
Equipped with human-centric technology and state-of-the-art engineering,
GENESIS provides new opportunities to create memorable moments both on the road
and in our daily lives. The start of this relationship is an everlasting one and
it is also the source of our inspiration and evolution.

Blazing red (full package with 2.0 turbo gasoline / 2WD / 18" bridgestone tires & hyper silver wheels [double 5 spoke type (A)] / electronically controlled suspension)

Blazing red (full package with 2.0 turbo gasoline / 2WD / 18" bridgestone tires & hyper silver wheels [double 5 spoke type (A)] / electronically controlled suspension)

GENESIS G70

“Athletic elegance.” GENESIS G70’s exterior design reflects the most athletic characteristics of GENESIS’ design identity. GENESIS G70’s silhouette captures the explosive energy before acceleration, stirring dynamic sensations even when standing still. The sleek interior layout is both elegant and powerful, designed to captivate the driver with intuitive details. Experience a new level of sports luxury with GENESIS G70.

Tasman blue (full package with 2.0 turbo gasoline / 2WD / 19" michelin tires & diamond cut wheels / electronically controlled suspension / wide sunroof)

The Crest Grille, inspired by the GENESIS emblem, and the double lines of the Quad Lamps express the confident and audacious character of the new GENESIS G70. Bold character lines stretching across voluminous surfaces, along with the rear Quad Lamps and the distinctive GENESIS name on the trunk lid exudes the powerful image of a high-performance sedan.

Obsidian black/dune beige two-tone (full package with dune beige seats, obsidian black upper door trim / signature design selection (geometrix patterned aluminum))

The layout and height of GENESIS G70's crash pad is thoughtfully designed to secure a wide view from the low driver's seat.
The high-tech cluster display, the comfortable body-hugging seats and luxurious aluminum panels are just the beginning of a breathtaking experience.

GENESIS G70 SPORT

GENESIS G70 SPORT adds a further layer of charisma.
GENESIS has sharpened its athletic edge on the already young and daring image of GENESIS G70
with moderation and balance to create GENESIS G70 SPORT without any flaw.
Subtle changes such as a differentiated radiator grille and exquisite interior details
maximize the excitement of a high-performance sports sedan.

Bond silver (full package with 3.3 turbo gasoline / AWD / sport package / 19" michelin tires & dark sputtering wheels / wide sunroof. Dynamic package not shown.)

GENESIS G70 SPORT's charisma starts with its exterior design. Features such as the exclusively-developed dark polished stainless steel Daylight Opening (DLO) door frame moldings, the dark glossy chrome surround moldings and the dark tinted chrome mesh applied to the radiator grille, as well as the 19" dark sputtering wheels with G-Matrix patterns and Brembo brake calipers exclusive to the model, complete the high-performance image of GENESIS G70 SPORT.

Simply sitting on GENESIS G70 SPORT's distinctive red seats with its premium quilting and red stitches deliver a thrilling sensation. GENESIS G70 SPORT's sophistication is enhanced by fine details such as the exquisite swirl patterns on the aluminum garnishes to the metal pedals.

Obsidian black/sevilla red two-tone (full package with sport package / sevilla red seats, obsidian black upper door trim / sport design selection (spin patterned aluminum). Dynamic package not shown.)

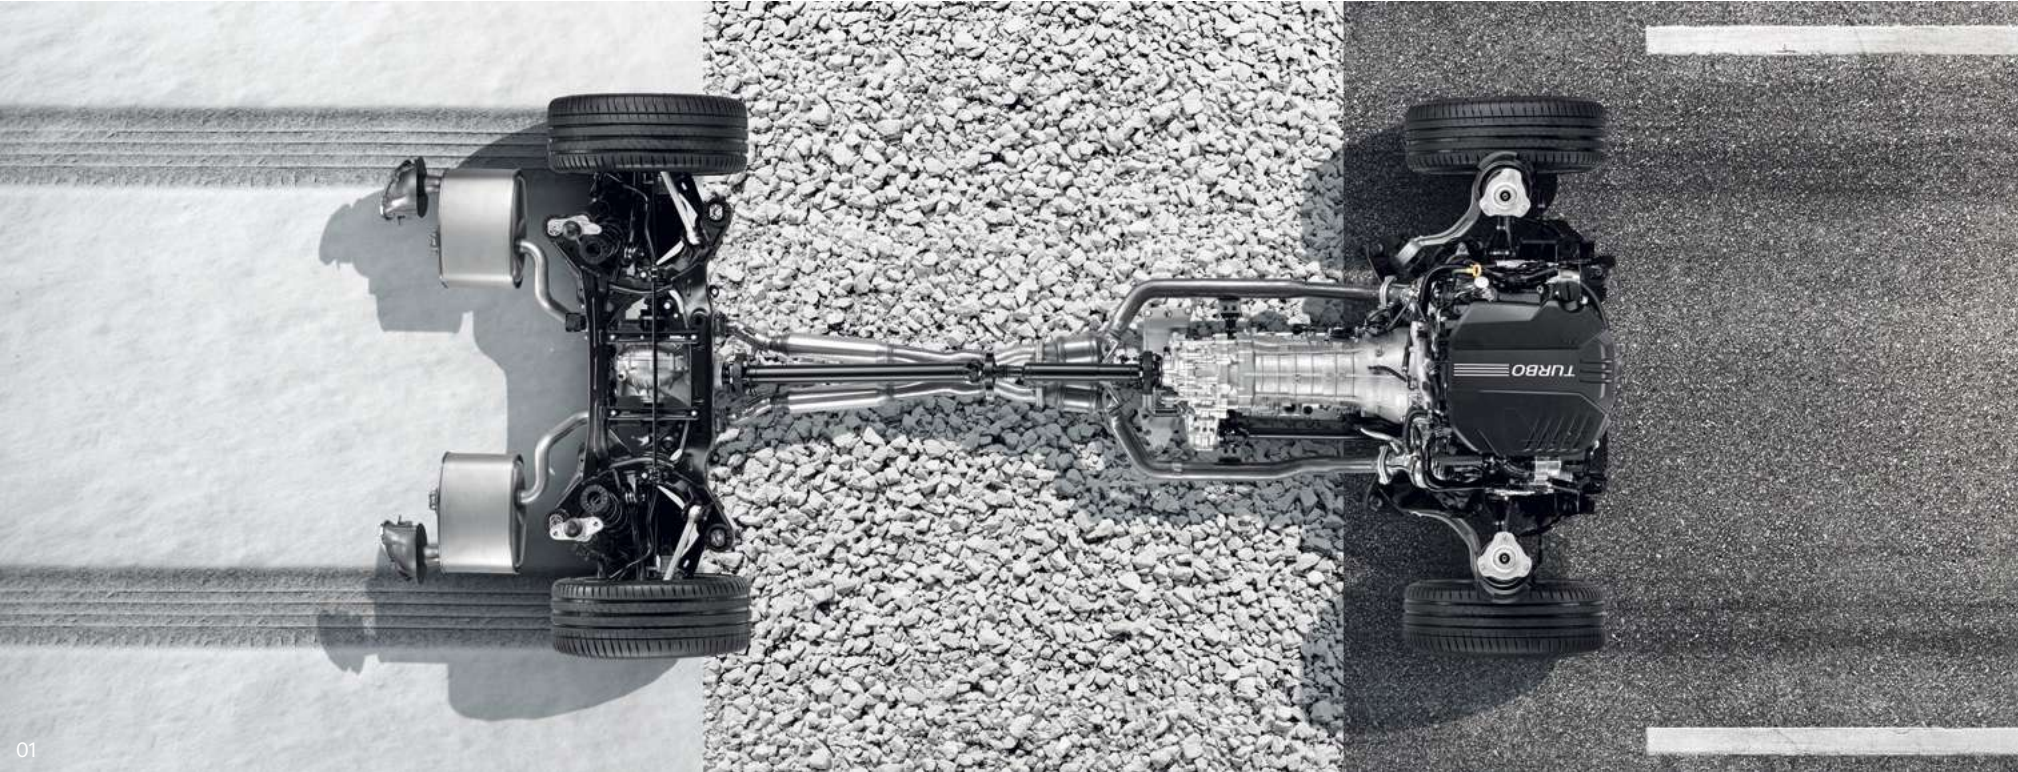

Bond silver (full package with 3.3 turbo gasoline / AWD / sport package / 19" michelin tires & dark sputtering wheels / wide sunroof. Dynamic package not shown.)

REFINED PERFORMANCE

GENESIS G70's engines, equipped with explosive power and outstanding control features, take dynamic driving to the next level. Advanced sport concept features that boost the excitement of driving, to the wide array of safety technologies ready to face any situation on the road make every moment in the GENESIS G70 a stunning experience.

2.0 turbo gasoline engine			
252	Maximum output PS/6,200rpm	36.0	Maximum torque kgf.m/1,400~4,000rpm
※ With the Sport package: 255PS/6,200rpm			
10.7	Combined fuel economy km/ℓ(2WD, 18")		
3.3 turbo gasoline engine			
370	Maximum output PS/6,000rpm	52.0	Maximum torque kgf.m/1,300~4,500rpm
※ With the Sport package: 373PS/6,000rpm			
9.4	Combined fuel economy km/ℓ(2WD, 19")		

GENESIS G70 OFFERS THE PERFECT BALANCE BETWEEN DYNAMIC DRIVING AND SAFETY WITH CUTTING-EDGE TECHNOLOGY THAT RECOGNIZES ROAD CONDITIONS IN ADVANCE AND REACTS TO DRIVING CONDITIONS IMMEDIATELY.

01.

AWD system _ This system automatically senses slippery or unstable driving conditions that even the driver may not detect and proactively balances power between the front and rear wheels to ensure stability at all times.

Electronically controlled suspension _ Depending on the drive mode selected by the driver, this function adjusts the damping levels of the shock absorber. COMFORT offers stability befitting a luxury sedan, SPORT provides a dynamic and reliable ride, and SPORT+ offers seamless unity with the road surface.

02.

AWD + LSD intergrated control system _ This system controls the All Wheel Drive (AWD) transfer in tandem with the left/right traction control of the Limited Slip Differential (LSD), improving driving performance during turns. It also allows the driver to drift around corners.

※ Applied when 3.3 turbo gasoline / AWD / Sport package are selected.
※ Limited Slip Differential (LSD) not applied with 2.0 turbo gasoline / AWD

03.

8-speed automatic transmission / Shift-by-wire (SBW) _ The 2nd-generation rear-wheel 8-speed electronic automatic transmission achieves optimal efficiency, rendering a sophisticated response and smooth transmission. The electronic shift-by-wire lever is light and compact, and a cushioned finish on the top of the knob offers a luxurious grip.

10-airbag system _ A total of 10 airbags are installed, including a center side airbag between the front occupants to mitigate impact with each other or with interior materials. Advanced airbags in the driver and front passenger seats are deployed after sensing the severity of the impact and the presence of other passengers, while front and rear side-curtain airbags and driver's knee airbags protect passengers against collisions.

CAPTIVATING GRAPHICS, VIVID EXHAUST SOUNDS AND AN EXHILARATING BRAKING SYSTEM
COMPLETE THE EXCLUSIVE DRIVING EXPERIENCE THAT ONLY A SPORTS SEDAN CAN OFFER.

01.

12.3" 3D cluster _ The wide, high-resolution 3D cluster provides differentiated designs and content visuals for each drive mode, including the new Sport+ mode. The cluster's embedded camera tracks the driver's eye movements to provide vivid 3D information at any angle without the use of specialized glasses.

Drive mode control system _ Drivers can switch between Eco, Comfort, Sport, Sport+ or Custom driving modes according to personal preferences or driving conditions. Drivers can choose from a comfortable and fuel efficient ride to a high-performance sedan's firm and dynamic ride via the Sport+ mode which maximizes acceleration and responsiveness.

Head-Up Display (HUD) _ Vehicle information is projected on the front windshield with optimized brightness for excellent visibility even during the day.

02.

Brembo brakes _ These sophisticated and high-performance brakes are applied to secure GENESIS G70's superior driving performance and differentiated image as a sports sedan.

03.

Variable exhaust muffler _ GENESIS G70's exhaust sound can vary depending on the drive mode (Eco, Comfort, Sport, Sport+) selected by the driver. The sound is aligned with the accelerator's opening of the throttle, creating an exhaust note that best matches the driver's performance preference. It also has the effect of providing an extra 3PS of horsepower.

※ Available with 3.3 gasoline turbo/Sport package.

A STATE-OF-THE-ART SYSTEM METICULOUSLY ASSISTS THE DRIVER
IN ANY SITUATION, ENSURING UNCOMPROMISED SAFETY.

01.
Forward Collision-Avoidance Assist (FCA) system (junction turning) _ This system helps to automatically bring the vehicle to a stop when there is a risk of collision with another vehicle, cyclist or pedestrian that suddenly appears or stops ahead. It may also help bring the vehicle to a stop when there is a risk of collision with an approaching vehicle when making a left turn at an intersection.

02.
Blind-Spot Collision-Avoidance Assist (BCA) system _ This system alerts the driver of approaching vehicles in the blind spot area when the driver activates the turn signals to change lanes or when the vehicle is exiting a parallel parking spot. If the risk increases even after the warning, the system helps to automatically stop the vehicle to avoid a potential collision.

03.
Blind-Spot View Monitor (BVM) system _ When the turn signals are activated to change lanes, video images on the center cluster show larger areas of the respective side/rear of the vehicle than the side-view mirrors to assist safe driving.

04.
Lane Keeping Assist (LKA) system _ This system alerts the driver if the vehicle leaves the lane while driving over a certain speed and without the use of the turn signals. LKA may also apply steering wheel control if the vehicle leaves the lane.

Lane Following Assist (LFA) system _ This helps assist steering to keep the vehicle centered in its current lane.

05.
Driver Attention Warning (DAW) system _ A comprehensive system that analyzes driving patterns of the driver and the vehicle's position in the lane to assist in safe driving. It posts messages on the cluster and sets off warning signals to encourage the driver to rest when it detects inattentive driving.

06.
Intelligent Front-Lighting System (IFS) _ This system automatically activates or deactivates part of the high beam lights when it detects an oncoming vehicle or a vehicle ahead, to prevent glare for drivers of other vehicles. This supports safer driving at night as the high beam lights don't have to be adjusted manually.

INTELLIGENT DRIVER ASSIST FEATURES PROVIDE CONVENIENCE AND SAFETY AT ALL TIMES, WHETHER YOU'RE ON THE HIGHWAY OR IN A DIFFICULT PARKING SPACE.

01. Highway Driving Assist (HDA) system _ While on the highway, this system helps the vehicle maintain its speed and stay centered in the lane by utilizing comprehensive information such as the distance of the car ahead, lane information and speed limits provided by the GPS. It assists braking, acceleration and steering when driving long distances or on congested roads, ensuring a comfortable ride.

Navigation-based Smart Cruise Control (NSCC) system _ When driving on a highway or expressway with smart cruise control enabled, this system appropriately reduces the speed when entering low speed limit zones and curved sections based on the road data provided by the GPS system. After safely passing such sections, the speed automatically returns to the previously set speed.

Smart Cruise Control (SCC) system _ Pressing the drive assist button while driving activates this function, which helps to maintain a set speed while keeping a safe distance from the car ahead. The vehicle will automatically stop if the car in front stops, then automatically restart if the car in front departs shortly. If there is a long time lapse, stepping on the accelerator or pressing the button will restart the vehicle.

02. Rear Cross-Traffic Collision-Avoidance Assist (RCCA) system _ This system alerts the driver if a collision risk is detected from the left and right sides of the vehicle while reversing. If the risk increases even after the warning, RCCA helps to stop the vehicle.

03. 04. Surround View Monitor (SVM) system _ Video images of the area surrounding the vehicle can be viewed to assist in safe parking.

Safe Exit Warning (SEW) system _ This system detects vehicles approaching from the rear and cautions passengers about to open the door to exit the vehicle.

05. Reverse guiding lamps _ When in reverse, these LED lights are angled to illuminate the ground behind the vehicle, allowing pedestrians and other vehicles to easily notice the reversing vehicle.

MEANINGFUL CONVENIENCE

Experience the comfort and convenience GENESIS G70 has to offer, from the intuitive layout of the cabin to the customized features that mirror your individual preferences, to the smart technologies that connect your car to the world. The thoughtful details inside GENESIS G70 will impress you every day.

Obsidian black/sandstorm gray two-tone (full package with andstorm gray seats, obsidian black upper door trim / signature design selection (geometrix patterned aluminum))

THE WIDE ARRAY OF TECHNOLOGY OFFERED IN GENESIS G70 BRING THE VEHICLE AND DRIVER ONE STEP CLOSER TO EACH OTHER BY SMARTLY CONNECTING INDIVIDUAL PREFERENCES AND DRIVING EXPERIENCES.

01.
10.25" infotainment system _ The wide touchscreen display can split to show media, weather and GPS features separately on the right side. The system's voice recognition feature enables users to control the vehicle's air conditioning through a simple voice command, while maps and other software are updated automatically.

GENESIS CarPay _ This is an easy-to-use payment app that lets you pay for refueling and parking at affiliated businesses by simply touching on the wide display screen inside your car.
※ The number of affiliated stores continue to grow. Check the latest list via the vehicle's navigation system or on the GENESIS CarPay app.

	A	A. GENESIS CarPay
	B	B. Voice recognition controls
	C	C. Wireless update of navigation system

02.
GENESIS digital key _ Users can lock and unlock their vehicle by simply touching the door handles with a smartphone downloaded with the digital key app, or start the engine with the smartphone placed on the console's wireless charging pad. The digital key can be shared by friends and family and also be used to control selected vehicle systems from a remote distance of approximately 10 meters.

※ The GENESIS digital key app is compatible with Android smartphones equipped with the following: Android operating system version 7.0 (Nougat, released Aug. 22, 2016) or newer, and Bluetooth (BLE) 4.2 or newer. The app's services are limited on iPhones as Apple Inc.'s policy does not support NFC. The app is anticipated to be available via iPhones when Apple changes its corporate policy (the NFC card key feature is currently accessible).

03.
Personal profile _ Select your saved profile on the infotainment display screen or by using your digital key to call up preferred seat positions, cluster information, infotainment & head-up display settings, drive modes and air condition settings.

04.
Wireless smartphone charger _ Charge your phone wirelessly by simply putting it on a built-in charging pad. If the driver exits the vehicle leaving the smartphone behind, an alert will be given.

A VEHICLE THAT CARES ABOUT GOOD DRIVING POSTURE AND CLEAN AIR.
EXPERIENCE GENESIS G70'S SINCERITY AND ATTENTION TO DETAIL.

01.
Built-in camera _ High-definition cameras mounted on the front and rear of the vehicle allow you to check the vehicle's surroundings via the infotainment display screen and on a smartphone. Video images can be viewed real-time, saved, downloaded or shared on-line. This option requires extra batteries.

02. 03.
Rear occupant alert _ This system recognizes the opening & closing of the rear doors to alert the driver of rear occupants when exiting the vehicle. Warnings are given when the driver turns off the engine and opens the driver-side door.
Clean-air mode _ Sensors detect and automatically filter high levels of fine dust inside the vehicle.

04.
15 Lexicon speakers system (Quantum Logic Surround) _ 15 Lexicon speakers with the latest Quantum Logic surround sound technology are positioned optimally for the best acoustic performance. Real stainless steel midrange speaker grilles reproduce a clear voice range that is close to the original sound. Subwoofers installed on the bottom of the driver's seat and front seat provide the deepest and richest bass sound experience.

05.
Intelligent driver's seat _ Electrically adjustable driver seat including lumbar support, cushion extension and seatback bolster optimizes seat adjustments to conform to the driver's posture and anatomy. Seat adjustment settings are displayed on the AVN screen for greater operational convenience.

Smart posture control system _ Seat, steering wheel, outside mirror and head-up display positions are automatically adjusted by feeding the driver's biometric information (height, seated height, and weight) into the system, which also analyzes the driver's driving posture. Health-related information, such as lumbar load and strain under the present driving posture can also be checked at any moment.

06.
Rear seat folding (6:4 type) _ Ergonomic seat design provides a comfortable ride in long distance travel. A practical, 6:4 split, rear seat folding function facilitates the loading of long leisure equipment or bulky luggage.

FEATURES

18" Hyper silver wheels
[double 5 spoke type (A)]

18" Hyper silver wheels
[multi spoke type (B)]

MEMBERSHIP

MOBILITY CARE

5 year, 100,000 km warranty
- General and body parts, as well as engine/powertrain components
※ During the duration of the warranty period or mileage, whichever comes first.

3 year, 60,000 km free replacement of key consumables
- Engine oil set (3.3T and 2.0T: 6 times), air conditioner filters (3 times), wiper blades (2 times), Home-to-home service (3.3T and 2.0T: 6 times)
※ Frequency is in accordance to manufacturers' guidelines and may differ between vehicle models.
※ During the duration of the warranty period or mileage, whichever comes first.

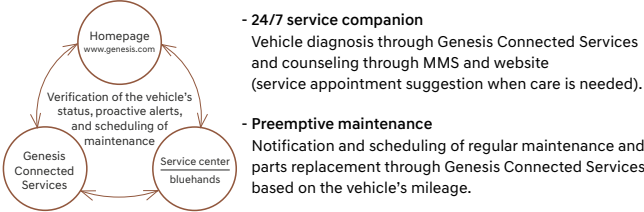

3 year, wearable parts replacement notification (IT-based total vehicle management)
- Diagnosis of the vehicle's condition and mileage → Telephone or SMS notice when repairs or maintenance is needed → Vehicle inspection and repair service

Genesis Butler Service
- Eligibility: Genesis owners (for company cars, service is provided to one registered user).
- Offers personalized consulting channel via an assigned Genesis service manager (9 a.m~18 p.m, Weekdays)
- Vehicle maintenance services, such as wearable parts replacement alerts, error code warnings, and advance/basic inspections.
※ Inquiries: Call the Genesis customer center at 080-700-6000 or visit the website.

Genesis Autocare Service
- Eligibility: Available to GENESIS customers that have mobility care Home-to-home services and engine oil exchange services remaining.
- Free visit, vehicle inspection, and replacement of engine oil and consumables at the customer's desired time and location.
※ Inquiries: Call the Genesis customer center at 080-700-6000 or visit the website.

Genesis Connected Services
- Complimentary, 5-year subscription to remote control, safety & security, maintenance, navigation and wireless update services upon initial enrollment after purchase.
※ Complimentary services include Automatic Collision Notification, SOS Emergency Dispatch, real-time traffic information and free Monthly Reports for 10 years.
※ Inquiries: KakaoTalk Genesis Connected Services Customer Center (enter "제네시스 커넥티드 서비스" in the KakaoTalk search window and add as a friend)

Quick and convenient vehicle maintenance through Genesis Connected Services and Home-to-Home service

※ Warranty services and free replacement of disposable parts are provided to both the original and subsequent owners (remaining service coverage will be transferred).

GENESIS CONNECTED SERVICES

Experience the unique value of Genesis Connected Services. Drive safely and comfortably 24 hours a day, 365 days a year with advanced, connected car services.

Remote control
Check the status and control certain car functions anytime, anywhere using your smartphone.

Safety & security
Emergency assistance in case of accidents and emergencies.

Maintenance
Keep your car safe at all times by upgrading the navigation system wirelessly for free or getting assistance remotely on the maintenance and regular servicing of your car.

Navigation
Discover a new driving experience by getting accurate, realtime traffic information and setting destinations quickly and easily by voice.

Wireless update
Quickly updates navigation maps and software automatically wirelessly.

Genesis Connected Services Customer Service: 1899-5100

GENESIS BODY CARE SERVICES

Alleviates concerns about unexpected repair costs and car insurance premium increases resulting from damage to the vehicle's exterior after purchase.
Eligibility: Individuals and private businesses that purchase a new GENESIS G70 directly from an authorized dealer (excludes vehicles used for rental, lease, and business operations).
Application deadline: Before delivery — Apply through the dealer's office; After delivery — Apply through the Genesis Boutique within 30 days, including the day of delivery.
Repair locations: Authorized service network (service centers operated directly by the company or by bluehands)

Program	Points Requirement	Non-reimbursable cost	Coverage & Limits	Coverage Period from the Time of Enrollment	Frequency Limits
Smart I	150,000	-	Body (Top/Bottom/Sides): Up to ₩1,200,000	1 year or 20,000 km, whichever comes first	Within the coverage period: - Body: Up to 2 times (1 time only per area)

Standard	175,000	100,000 (One-time limit/ vehicle damages only)	Body (Top/Bottom/Sides): Up to ₩1,600,000 Windshield: Up to ₩1,000,000 Tires: Up to ₩400,000	1 year or 20,000 km, whichever comes first	Within the coverage period: - Windshield: 1 time - Tire: 1 tire, 1 time only
Premium	210,000	100,000 (One-time limit/ vehicle damages only)	Body (Top/Bottom/Sides, includes wheels): Up to ₩1,600,000 Windshield: Up to ₩1,000,000 Tires: Up to ₩400,000 Lamps/Keys: Actual replacement cost	1 year or 20,000 km, whichever comes first	Within the coverage period: - Body (includes wheels): Up to 3 times (1 time only per area) - Windshield: 1 time - Tire: 1 tire, 1 time only - Lamps: 1 lamp, 1 time only - Keys: 1 key, 1 time only (excludes the card key)

※ Area of vehicle covered: Top (hood, trunk lid, tailgate) / Bottom (front/rear bumpers) / Side (front/rear fenders, front/rear doors)
※ Please refer to the Genesis website for details (scope of coverage, procedures, etc.).

PRIVILEGE

Genesis Global Lifestyle Concierge
- Enjoy concierge services that accommodate a wide range of experiences at any global location.
- Consultation services and recommendations for worldwide hotels, airlines, dining, golf and health/safety are available.
※ Members will be charged for any fees that arise during the process of consulting, confirming information and/or making reservations on behalf of the customer.
※ A dedicated number is provided via the membership guide.

Genesis Privileges
Please choose one service from the following six choices according to your preference.

- Costco Executive Membership**
Enjoy all the benefits of Costco as an executive member for one year.
- Flower & Coffee Deliveries**
You may choose to receive regular deliveries of either flowers or coffee for one year.
- Premium Car Care**
Premium services such as car washes and coating available.
- Hotel Membership**
Choose one of the many hotels affiliated with us and enjoy membership privileges for one year.
- Art & Culture**
Receive benefits from various partners in the realm of art and culture.
- Asiana Club Membership**
Enjoy all the benefits of Asiana Club as a GENESIS exclusive gold member.

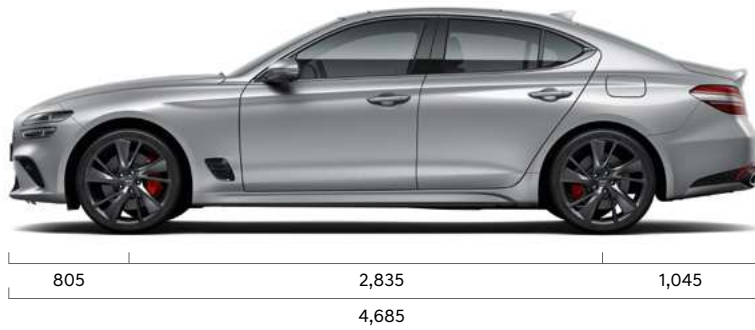

※ Details of Genesis Privileges will be available via our website or the membership guidebook.

G70 GENUINE PARTS

Package	Highlights
Vehicle protection film	Highly elastic polyurethane PPF protective film - A transparent protective film applied to the exterior of the vehicle prevents stone chip damage or scratching of the vehicle's surface. - Scope of application: Front bumper sides, door cups, door edges, door step plates, side mirrors, fuel tank door, rear bumper upper, and rear bumper sides.

※ Warranty for protective automobile TPU is provided by the film's manufacturer. Please refer to the separate warranty provided (warranty period: 3 years/60,000 km).
※ Continuously spraying high pressure water to the edges of paint protection film may cause the film to partially peel off.
※ Application of the protective film is carried out only at the Chilgok and Namyang delivery centers, so vehicles consisting of the above package can only be released at these two delivery centers.

Maintain constant speeds for driving efficiency. | Fuel efficiency figures are for standard mode. Actual figures may vary depending on factors such as road conditions, driving patterns, vehicle load, ambient temperature, and maintenance status. | Vehicles portrayed in this publication may have optional features and differ from actual vehicles purchased. | Options, colors, and specifications shown in this publication may change to improve the appearance and performance of the vehicle. | For detailed information and notes on the specifications, please refer to the user's manual. | Engine performance figures are net values. Net values are based on a new measuring system legally imposed by the Korean Ministry of Transportation since 1997 that takes into account the resistance of exhaust gases, which may lead to a slight decrease from conventional gross output figures. | Leather seats make partial use of artificial leather. | The vehicle colors printed in this brochure may differ from the actual colors. | GENESIS is sold exclusively through regional branches, official distributors, and certified car masters to ensure reliable product quality and pricing nationwide. | Use of engine oil or fuel that is of low quality may result in damage to the vehicle. | For more information on new technology and new specifications presented in this publication, please refer to the user's manual.

This publication shows top models and options to help customers' understanding.

Options apply differently according to the trim, package, power train, and exterior color selected. Please refer to the monthly price list for detailed specifications for each model.
