

Innovation
that excites

2014 **XTERRA®**

WELCOME TO THE 2014 NISSAN XTERRA® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Xterra®.

[Click here](#) to sign up for news and updates on the 2014 Nissan Xterra®.

WOULDN'T IT BE COOL IF_
**HAPPINESS WAS MEASURED
IN VERTICAL FEET?**

It's time to get up. With a potent 261 horsepower and serious off-road capabilities, Nissan Xterra® is well-equipped for the climb. Bring the essentials with a roof rack so radically versatile, it's often imitated but never equalled. Got mud? You've got a ventilated gear box on the roof and an Easy Clean® cargo area in the back that just wipes down.¹ And, no matter how far you go, NissanConnect™ puts entertainment and navigation right at hand.² 2014 Nissan Xterra.® Look up and never look back.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²Driving is serious business. Only use NissanConnect™ services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google® services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36mo. trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.NissanUSA.com/connect for details

Nissan Xterra® PRO-4X® shown in Night Armor.

**EVERY EPIC DAY STARTS
WITH THE ESSENTIALS.**

Nissan Xterra® PRO-4X® shown in Lava Red.

4.0 LITER V6 **261** HP **281** LB-FT
OF TORQUE

BIG POWER FOR DEEP POWDER.

No matter how you slice it, Xterra® is built to deliver. A potent 4.0-liter DOHC 24-valve V6 helps give you the power to climb faster and farther, while advanced friction-reducing technologies help keep it all moving smoothly. Continuously Variable Valve Timing helps deliver heightened efficiency and on-demand power, which is important when you're towing up to 5,000 lbs.¹ Mix it all with some serious attitude and you've got one tough machine. And more fun than a gondola will ever be.

Nissan Xterra® PRO-4X® shown in Brilliant Silver.

¹See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

THE FEELING NO ONE'S BEEN HERE BEFORE.

Finding a little solitude is good for the soul. And Xterra® PRO-4X® equipped with 4-Wheel Drive is up for the challenge. Not only is it packed with advanced technologies ready to conquer the trail, it's also equipped with hard-core 4x4 components. From a fully boxed ladder frame to a locking rear differential, Xterra® PRO-4X® goes where few dare follow.

Locking Rear Differential.¹ When 4-Wheel Drive just isn't enough, activate the available electronic locking rear differential. This technology delivers equal power to both rear wheels to boost traction and help keep your PRO-4X® moving forward. Helping you reach your destination even in the gnarliest trail conditions.

Hill Start Assist.² Works on the uphill swing to help prevent rolling backward when you're starting from a stop on an incline. This system applies the brakes for a few moments, allowing you time to switch from the brake pedal to the accelerator.

Hill Descent Control.² What goes up must come down. PRO-4X®'s hill descent control automatically adjusts your speed and brake pressure to help keep you going at a controlled speed, freeing you up to concentrate on navigating difficult off-road situations.

Shift-on-the-Fly. Go where the wind – or whim – takes you, with a twist of a dial. Standard on PRO-4X® and available on other Xterra® models, the highly capable Xterra® 4WD system features shift-on-the-fly 4-Wheel Drive with a 2-speed transfer case, so you can go from 2WD to 4H at speeds up to 62 mph.

PRO-4X®

¹PRO-4X® models only. ²PRO-4X models with automatic transmission only. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Nissan Xterra® PRO-4X® shown in Night Armor.

Nissan Xterra® PRO-4X® shown in Metallic Blue.

NISSAN 6063-GRADE ALUMINUM ROOF RACK

INNOVATION THAT'S BEAUTIFUL – EVEN IN THE UGLIEST SITUATIONS

Wouldn't it be cool if a roof rack was as good-looking as it was versatile? From extreme whitewater rafting to helping your best buddy move, the iconic Xterra® roof rack helps you to take every last item in style. An integrated bumper step makes access quick and easy, while heavy-duty aluminum construction is designed to take a beating. And even though we like to see them loaded with gear, the racks look epic even when they're empty. And that's a beautiful thing, too.¹

Aerodynamic crossbars. Aerodynamic crossbars open up all kinds of possibilities¹

Aluminum construction. Starting with 6063-grade construction and up to 150-lb. capacity.

Roof rack-mounted off-road lights. Casting a mighty beam every step of the way are available off-road lights mounted right on the rack.

Bumper step. Built into the rear bumper, this grippy foothold helps give easy access to the roof.

Ventilated gear box. An available gear box is ventilated for wet, dirty stuff, and removable to make way for larger items.¹

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Nissan Xterra® PRO-4X® shown in Gray/Steel Cloth.

The main image shows the interior of a vehicle's cargo area. Two large silver scuba tanks are secured with red straps. Next to them are blue fins and a blue and white striped towel. The vehicle's interior is grey, and the seats are visible on the right. The background shows a view of the ocean through the windows.

MAN-HANDLE THE BIG STUFF.

The Utili-track® Cargo Channel System's cleats slide and lock into any position, giving you the means to accommodate just about any activity you can think of. Load it, lock it, start your adventure. Oversized hooks in the ceiling make securing your gear a cinch. Strap it down and get out there!¹

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo.

SQUIRREL AWAY THE SMALL STUFF.

A lesson from our bushy-tailed little friends – every nook and cranny is a great place to store something. Xterra® makes great use of its interior, with a neat underfloor storage area that keeps valuables out of sight and grunge out of the way. Stretch mesh netting helps keep those little items from rolling around, but still easy to grab when you need them.¹

RearView Monitor. Whether negotiating a tight parking space or lining up to attach a trailer, Xterra®'s RearView Monitor – included with the available Nissan Navigation System – is like having an extra pair of eyes where you need them most.^{1, 2}

Designed exclusively for the Xterra®'s interior, the Rockford Fosgate® audio system features nine speakers and an enclosed subwoofer for massive sound.

Go far off the beaten path, but stay in touch just by pushing a button on the steering wheel. It's voice-activated and lets you program in up to 40 numbers with easy access.³

Nissan Xterra® PRO-4X® shown in Gray Leather with optional equipment.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use and accessory equipment of such marks by Nissan is under license. Rockford Fosgate® is a registered trademark of Rockford Corporation.

NISSANCONNECT™¹

INNOVATION YOU'LL FIND INCREDIBLY HANDY.

NissanConnect™ is available smart technology that you'll find incredibly handy. With NissanConnect™ Apps, your Xterra® becomes your smartphone's best friend. Music, information and the apps that keep you connected to your world all work seamlessly together right through Sentra®'s touch-screen. And it keeps on getting better: the latest apps are easily updated via your smartphone and the basic app package is free for the first three years.¹

NissanConnect™ Apps: for the music you love.¹ Imagine the choices you have with Pandora®, iHeartRadio™, Slacker®, and more. It couldn't be easier – once you download the app, you can listen to your favorite streaming audio app and have control of common features via your audio system.^{2,3} You can find out how to download the app and more at www.NissanUSA.com/connect

NissanConnect™ Apps: everything that matters at your fingertips.¹ You're wired to your world with the NissanConnect™ Apps. Xterra®'s touch-screen lets you safely keep track of Twitter®, Facebook®, and more. And with location-based services including Online/Search powered by Google® and Yelp®, getting around has never been easier.^{2,3} In the near future, premium apps will be added, helping you find everything from low gas prices to movie tickets to parking – even letting you reserve a table at your favorite restaurant.^{3,4} You can find out more about the app and feature availability at www.NissanUSA.com/connect

More than just apps, NissanConnect™ keeps you in the loop with:

- **Nissan Navigation System – with voice recognition featuring one-shot destination entry; SiriusXM® Traffic and Travel Link®³**

- **iPod®/USB input⁵ – search for a tune with enhanced voice recognition**

- **Streaming audio via Bluetooth®⁶**

- **Hands-free text messaging assistant^{7,8}**

¹Driving is serious business. Only use NissanConnect™ services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google® services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.NissanUSA.com/connect for details. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Required SiriusXM Satellite Radio, SiriusXM® Traffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM® Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius® XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁴Points of Interest and/or Send-to-Car may require subscription and owner consent to activate. Certain services, including Google Points of Interest and/or Send to Car, provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. ⁵Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁶Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁷Driving is serious business and requires your full attention. Only use phone or other communication devices when safe. ⁸Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Facebook® is a registered trademark of Facebook, Inc. NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you needed for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies help monitor conditions. Like an available rearview camera that helps you see something behind you or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System¹

Available Automatic On/Off Headlights

Available RearView Monitor²

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.³

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

6 STANDARD AIR BAGS⁴

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁴

Front seat-mounted side-impact supplemental air bags⁴

Roof-mounted curtain side-impact supplemental air bags⁴

LATCH System (Lower Anchors and Tethers for CHildren)

snug-kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles and offers invaluable tips on correct installation. Look for the latest Fit Guide at **NissanUSA.com/SnugKids**.

Click the button to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee.
