

VOLVO CARS  
**RANGE**  
MODEL YEAR 2016

# THE VOLVO WAY.

## *Everything we do starts with people.*

At Volvo Cars, our mission is to make people's lives easier, safer and better. This is something that comes naturally to us. It's the Volvo way. We do this by following a Scandinavian design philosophy where we assess an object by who will use it and build around the needs of that person.

Today, we're still as focused as ever on our three core values: safety, quality and care for the environment. Protecting what's important, making people feel special and taking pride in helping the world become a better place for all.

*SENSUS*

*"Sensus is our way of enabling you to communicate instinctively with your car, and keeping you connected with your digital world."*

## YOU'RE IN CONTROL, NATURALLY.

We have designed a gorgeous space around the driver. All of our instruments and controls are intuitive and easy to use. We call this approach of connecting you and your car with the world around you, "Sensus".

The Sensus screen is a multimedia hub, giving you immediate connectivity to information and entertainment at your fingertips with applications, such as Glympse and Yelp. Now it's even easier to stay connected. You can also choose between three unique

instrument cluster modes to customize your driving experience even further.

You will also have access to the Volvo On-Call app which allows you to send Navigation directions straight from your smart phone to your car, and remote start your engine. Volvo Sensus is our way of enabling you to communicate instinctively with your car, and keep you connected with your digital world.

INTELLISAFE

City Safety functions at speeds up to 50 km/h. This system can help prevent a collision if the difference in speed between your vehicle and the vehicle ahead is less than 15 km/h.

We've further improved our optional Blind Spot Information System (BLIS). It now uses radar technology\* to alert you to vehicles closing up in your blind spot. There's also Cross Traffic Alert\*, which watches out for vehicles you can't see when you're reversing out of tight parking spaces.

Because we care about other road-users just as much as you, Pedestrian and Cyclist Detection with Full Auto-Brake watches out for pedestrians and cyclist in your path and applies the brakes if you're unable to react in time.

\*S60, V60, XC60 and XC90 only

*"Relax and let your Volvo car do the hard work for you."*

## COMMITTED TO SAFETY.

Since the birth of Volvo Cars in 1927, keeping you safe has been part of our DNA. We have pioneered safety advances and invented life-saving technologies, such as the three-point safety belt. We have also fit all of our cars with safety cages and laminated windshields since 1944. In 1976, we developed the catalytic converter and the lambda sond, a sensor that monitors exhaust gas, reducing emissions and boosting performance as well as economy.

Today, we are building cars that actively scan the area around you, looking out for the unexpected. Volvo pioneered City Safety, a low speed collision avoidance technology that helps prevent collisions at speeds

of up to 50 km/h. We are the world's first car manufacturer to include this feature as standard equipment in all new models.

We also developed Pedestrian Detection, a system that detects pedestrians and brakes the car when necessary, and we won't stop there. Volvo On Call provides access to Roadside assistance and Emergency support at the touch of an SOS button. Also included is Automatic collision alert, which notifies a trained operator to contact the vehicle and send emergency service as soon as a collision is detected. In the future, our aim is to design cars that will prevent collisions with other road users altogether.

*DRIVE-E*

*“Our Drive-E powertrains give you an exhilarating driving experience with smooth responsiveness and reduced environmental impact.”*

## SUSTAINABLE DRIVING IS EXCITING.

At the heart of every Volvo car we make is our approach to sustainable driving and innovative thinking. We offer a range of technologies that give you more efficiency and lower running costs.

Our Drive-E powertrains combine the low-fuel consumption and emissions of a four-cylinder engine with the performance of a six or eight-cylinder. The result is a smooth, powerful ride, with fewer stops at the pump.

We also offer an Interior Air Quality System that checks incoming air for pollutants and closes the vents when necessary, we call this CleanZone. An active carbon filter helps protect you from harmful gases and unpleasant odors, so you can breathe happy and healthy.

At Volvo Cars, we always strive to make our manufacturing process sustainable. All of the electricity for our factory in Sweden comes from clean, hydro-electric power. Environmentally-aware mobility is central to our philosophy of intelligent, thoughtful luxury.

## THE VOLVO S60.

*Let's take the long way home.*

If you're the kind of driver who takes the long way home across twisty roads just for the fun of it, we designed our S60 for you. Our dynamic sedan not only offers a spirited, engaging ride, its contemporary Scandinavian design will also appeal to your sense of style. As you expect from us, you'll get to enjoy all of this in legendary Volvo car comfort. The S60 also includes an Advanced Stability Control that

can quickly identify any tendency of skidding. This allows the antiskid system to activate earlier and with greater precision, which helps to improve handling and rapid lane change maneuvers. The Dynamic Stability and Traction Control System also has a Sport Mode that allows the car to be driven more actively by relaxing the sensitivity of the anti-spin system.

We have given the S60 a sporty three-spoke steering wheel with available Paddle Shifters\* and also angled the controls and displays towards you. Our Adaptive Digital Display\* (TFT) gives you beautifully bright, clear graphics and lets you flick between three modes: Elegance, Eco and Performance, whichever suits mood and driving style.

\*Standard T6 and T6 R-Design, optional T5.

To enjoy the S60's chassis and direct steering, take a test drive.  
FIND YOUR NEAREST DEALER AT **VOLVOCARS.CA**

On the S60, beautifully crafted integrated tailpipes in the lower rear fascia help to finish off the rear view of the car.

#### **S60 ENGINES:**

- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, five-cylinder turbocharged engine, 250 hp
- T6, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD 3.0L Turbocharged I-6, 300 hp
- T6 AWD 3.0L R-Design, six-cylinder turbocharged engine, 325 hp
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, approx. 310 hp

## THE ALL-NEW VOLVO S60 CROSS COUNTRY.

*Rugged looks and capability  
with a daring attitude.*

The all-new Volvo S60 Cross Country offers sleek, standout style with all-wheel drive ability and 7.9 inches of ground clearance. Along with a raised ride height, the black fender extensions, Hill Decent Control, Corner Traction Control, and scuff plates indicate that this is a capable adventurer. However, the car's agility on rough roads and forest tracks doesn't come at the expense of an engaging, sporting drive on smooth roads. It possesses a unique combination of coupe-like style and tough capability to take adventurous drivers further, whatever the weather and wherever the destination.

### **S60 CROSS COUNTRY ENGINE:**

- T5 AWD, five-cylinder turbocharged engine, 250 hp

## **THE VOLVO V60.**

*It's not your usual Wagon.*

The V60 is designed to fit in with your life, whatever you're doing. It's for people who want the benefits of an SUV, but also want the advanced handling of a modern sports car. The V60 offers thrilling performance with the economical comfort of using

less fuel. Thanks to a smaller, more intelligent powertrain that packs the power of a much larger, thirstier engine. While having the comfort and space you'd expect from a Volvo wagon, this is a true driver's car.

We know that your busy life requires flexibility and space, but we also know that you don't want to sacrifice driving pleasure. Therefore, we developed the V60, a wagon that is as dynamic as it is versatile. With its clever 40/20/40 split rear seat, you can carry everything you need and you just might reach your destination a little bit quicker.

Optional sport seats have great side support all the way from your thighs to your shoulders, so they keep you firmly in position, even when you're cornering fast. (R-Design interior shown)

#### **V60 ENGINES:**

- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, five-cylinder turbocharged engine 250hp
- T6 AWD, 3.0L Turbocharged I-6, 300 hp
- T6 AWD 3.0L R-Design, six-cylinder turbocharged engine, 325 hp
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, approx. 310 hp

## THE VOLVO V60 CROSS COUNTRY.

*Adventure that lives up to its promise.*

The minute you set eyes on our V60 Cross Country, you know it means business. This Cross Country wagon is a dynamic driver's car. With standard AWD, 18" Alloy Wheels and Hill Descent control, it allows you to

take everything you need, no matter how remote your destination is. Also, thanks to the V60 Cross Country's protective design elements, it is much less vulnerable to scratches and minor damage.

Once you set off on your journey, the 7.9 inches of ground clearance gives you a great overview in town, and the capability to leave the city far behind. When the road gets rough or the weather turns ugly, the All-Wheel Drive technology takes you safely to your final destination. No matter where you go, no matter what the season, our V60 Cross Country wagon lives up to its promise.

With rugged design elements all around and unique 18-inch alloy wheels, the V60 Cross Country challenges you to take it on an adventure, braving the elements and exploring new terrain. On the inside, you'll enjoy the comfort of a meticulously crafted interior with our optional supportive leather sport seats that have contrasting, brown stitching.

• T5 AWD, five-cylinder turbocharged engine, 250 hp

## THE VOLVO XC60.

*Meet the SUV that's great to drive.*

Your lifestyle says you need an SUV; your heart says you want a stylish, driver-focused vehicle. If this is your dilemma, we designed the XC60 for you. It's the perfect choice for those who want a commanding driving position, as well as car-like

agility, making the XC60 at home on city boulevards, highways and country roads. Thanks to a host of improvements both inside and outside, our dynamic, refined SUV just got even better.

Thanks to its well balanced chassis, the XC60 doesn't drive like a towering, top-heavy SUV. Instead, it's every bit as nimble and agile as a ground-hugging sedan, while its ride height gives a commanding driving position and added confidence. The headlamps are focused and determined, while intense vertical LED daytime running lights give it a striking appearance, in both height and stature.

If you like to make driving your Volvo car even more exhilarating, our XC60 R-Design with Polestar Performance tuning software is the ideal solution. This standard R-Design upgrade boosts engine horsepower to 325 and increases torque to 354 lb/ft for a truly thrilling ride.

LEARN MORE ABOUT POLESTAR AT **[VOLVOCARS.CA](http://VOLVOCARS.CA)**

Inside, our sport seats\* give you all the comfort you expect from Volvo Cars and grip you through tight corners (R-Design interior shown). Your every interaction with the car is more intuitive, expressive and customizable. Select the red Performance mode on your Adaptive Digital (TFT) Display\*\* and get ready for another great day behind the wheel.

\*Standard T6 R-Design, optional T5, T6 FWD and T6 AWD.

\*\*Standard T6 and T6 R-Design, optional T5 FWD and T5 AWD.

#### **XC60 ENGINES:**

- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, five-cylinder turbocharged engine, 250 hp
- T6, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD, six-cylinder turbocharged engine, 300 hp
- T6 AWD R-Design, six-cylinder turbocharged engine, 325 hp
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp
- T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, approx. 310 hp

## THE VOLVO XC70.

*For the ambitious drivers who make their own rules (and their own roads).*

You've got a true adventurer's spirit and you need a vehicle with total all-round capability, both on and off road. Our XC70, with its high ground clearance and superb chassis, is the answer. You'll drive confidently knowing that your car has the refined strength to take you anywhere, in any weather.

The XC70 is all about control. Steep, rough roads ahead? Simply push a button and turn your journey down the hill into a smooth one. Prevent fishtails, spinouts and rollovers with all-wheel drive and stability control technology. Going off-road should always be by choice.

The XC70 comes with an optional power-operated tailgate\* that you can open with your key fob before you get to your car. Parents will love the XC70's two-stage integrated booster cushions\*\* for children. With one simple movement, the booster cushions fold out of the seat cushions.

\*Included in the Platinum Trim Level or optional Proximity Package.

\*\*Optional.

Optional equipment shown.

LED Daytime Running Lights, a bold honeycomb grille, and matte silver touches give the XC70 a sophisticated, contemporary feel.

#### **XC70 ENGINES:**

- T5, four-cylinder turbocharged Direct Inject Drive-E Engine, 240 hp
- T5 AWD, five-cylinder turbocharged engine, 250 hp

## THE VOLVO S80.

*And you thought  
true sophistication had  
gone out of style.*

The Volvo S80 is our benchmark when it comes to luxury, comfort and interior space. Premium soft leather, room to stretch, and heated front seats designed to perfectly align with the human form. Every well-crafted detail of your S80 will make you feel rewarded, whether you're in the driver's seat or stretching your legs out to enjoy a little thinking time in the rear.

### **S80 ENGINE:**

- T5, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp

# THE ALL-NEW VOLVO XC90.

*Experience our idea of luxury.*

The all-new XC90 redefines the luxury car for the 21<sup>st</sup> century. It is the safest, most advanced production car we have ever made; the most powerful and the most efficient. It is a car designed for a demanding audience, you. Individuals who want an SUV that expresses who they are and a vehicle that turns every drive into a memorable experience.

Every detail is designed to make driving more enjoyable and less stressful. Whether you're on your favorite country road or negotiating urban highway traffic, the all-new XC90's semiautonomous driving technologies, first-class cabin, and attention to detail enhance your entire experience. With the all-new XC90, we deliver on our promise to set the benchmark for luxury SUVs.

You know you're looking at truly great design when what appears simple at a first glance turns out to be ingenious and stimulating once you discover the thoughts and details that make up the whole. The all-new XC90 marks a new chapter in Volvo Cars' history and introduces a design language that combines a strong presence with subtle details. It is perfectly executed and contemporary, yet timeless.

#### **XC90 ENGINES:**

- T5 AWD, 2.0L Turbocharged I-4, 250 hp, 8-speed Geartronic Auto Transmission
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 316 hp
- T8 Twin Engine AWD Plug-In Hybrid, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine complemented with an electric motor, 313 + 87 hp

*"The all-new XC90 T8 Twin Engine feels truly special behind the wheel, allowing you to switch between 400hp AWD performance and pure electric driving at the touch of a button."*

## THE T8 TWIN ENGINE HYBRID.

*Power without compromise.*

By combining a state-of-the-art Drive-E engine with a powerful electric motor, the all-new XC90 T8 Twin Engine gives you thrilling performance and exceptional efficiency. Fully charged, the T8 Twin Engine provides 40 km (estimated) of pure electric driving, sufficient to cover most commutes and other everyday scenarios. On those occasions when you require more power, the 316 hp Drive-E powertrain starts automatically, whenever it is called upon.

The T8 Twin Engine is our range-topping model and feels truly special behind the wheel, allowing you to switch between 400hp AWD performance and pure electric driving at the touch of a button. With distinctive drive modes, including Pure Electric, Hybrid, and Power, it adapts to your every need. In fact, your all-new XC90 can be anything you want it to be, a silent-running pure electric city car, a smart plug-in-hybrid, a seven-seat SUV, or a high-performance luxury car, all without ever having to compromise.

**Our T8 Twin Engine AWD plug-in hybrid makes every journey an event, combining the modern feel of zero-emission driving with astonishing performance.** As well as its twin-charged, high-performance Drive-E petrol engine, the all-new XC90 T8 Twin Engine has a powerful electric motor, resulting in a combined output of 400hp and a 0-100km/h in 5.6 seconds (estimated). The powertrain switches smoothly between sources in hybrid mode. In electric mode it gives a near-silent driving experience.

The electric motor is powered by high-capacity batteries that are mounted centrally along the transmission tunnel – an intelligent positioning that gives excellent weight distribution and, consequently, outstanding handling. It also means that with the all-new XC90, Volvo Cars is the only manufacturer that offers a hybrid SUV with seven seats. As a symbol of the Pure electric mode, the gear shifter in traditional Swedish crystal is handmade for you by Orrefors™.

READ MORE AT [VOLVOCARS.CA](http://VOLVOCARS.CA)

*R-DESIGN*

The R-Design story continues in the interior, starting with supportive sport seats with unique R-Design leather or leather and Nubuck textile upholstery. Also included is an exclusive R-Design steering wheel, as well as sport pedals. A soft-touch gear shifter and our unique blue instrument cluster all add to the R-Design experience.

For an exterior with a more individual, sporty look, the R-Design offers gorgeously sculpted alloy wheels, and unique door mirror covers with a Silver finish. In the rear, a motorsport-style diffuser enhances the car's dynamic presence, while the R-Design's chrome dual exhaust pipes add the perfect finishing touch to your the's exterior.

## THE R-DESIGN.

Would you like to enhance the dynamic personality of your S60, V60, XC60 or XC90 even further? Then the R-Design is for you. This trim level offers a range of features to give your Volvo car a sporty, unique profile with a stiffened sport chassis. This includes a faster 0-100, enhanced cornering, sport-tuned chassis and design. Now you can enjoy the thrill of driving your Volvo car even more.

## THE S60 AND XC60 SPECIAL EDITIONS.

*Safety first, luxury second to none.*

The all-new S60 & XC60 Special Edition Vehicles offer innovative safety features, maximized luxury and dynamic performance. These vehicles are equipped to handle any situation, in all conditions, all while keeping you safe, comfortable and in control. The Special Edition Vehicles are equipped with industry-leading

safety features including City Safety, Adaptive Cruise Control and Pedestrian & Cyclist Detection as well as offering leather seating surfaces, electronic climate control and countless other features that provide the driver and their passengers with a premium, uncompromised drive.

polestar<sup>+</sup>

polestar<sup>+</sup>

The unique design of the bespoke Polestar rims is done for a reason, the airy design supports airflow around the brake system in order to increase braking endurance during hard driving.

## WHEN DRIVING MATTERS.

*“All Polestar products are developed for people like ourselves – for those who appreciate driving with full control.”*

Polestar is about motorsport, and motorsport is about driving. That's why we focus on one thing only: optimizing driveability. A Polestar vehicle is designed to deliver optimal grip and control, regardless of the surface or conditions. Our Polestar products, available in both the S60 and V60, are equipped with 80% stiffer springs and Öhlins shock absorbers to respond to every nuance of the road. Meanwhile, the sport mode of the six-speed automatic transmission engages the active sport exhaust, providing an aggressive engine note.

## LEASING OPTIONS

### FLEXIBLE TERMS

Leasing is available for terms as short as 24 months or up to 48 months. You can drive a new Volvo car every few years while within the manufacturer warranty and maintenance plans and without the burden of negotiating trade-in values.

### CHOICE OF MILEAGE PLANS

The standard mileage option allows up to 24,000 kilometres per year, however, several other mileage plans are available to tailor to your commuting needs. Under the low mileage plan, options are available as low as 16,000 kilometres per year and we also offer plans for drivers who will exceed 24,000 kilometres per year.

### MULTIPLE SECURITY DEPOSIT LEASE\*

A multiple security deposit lease allows you to place a lump sum refundable security deposit at lease inception, which reduces your monthly lease charge resulting in substantial savings over the term of the lease. The additional security deposits are refunded to you at the end of the lease term.

### GUARANTEED AUTO PROTECTION (GAP) WAIVER

Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo car is declared a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the balance owed to Volvo Car Financial Services less any deductible.

### EXCESS WEAR AND USE PROTECTION PLAN\*

As a part of everyday driving, normal wear and use can be expected. However, when turning in your leased vehicle, you may be responsible for any excess wear and use damage, therefore, Volvo Car Financial Services offers an optional plan to protect you and your car from unexpected occurrences that happen from nature and chance.

## FINANCE OPTIONS

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned cars. Our low rates and flexible terms can get you behind the wheel of the Volvo you want to drive with finance terms up to 60 months.

\*Please contact your local Volvo car retailer for detailed information on Financial Services Options.

## SPECIAL PROGRAMS

### VOLVO MOBILITY PROGRAM

The goal of the Volvo Mobility Program is to assist persons with physical disabilities or hearing impairment. For those with exceptional transportation needs, this can be facilitated within the extraordinary comfort and safety of a specially adapted Volvo car. For additional information on this program, please contact **Mobility by Volvo Customer Care** at (800) 480-9012.

### VOLVO OVERSEAS DELIVERY PROGRAM

The Volvo Overseas Delivery Program offers a unique way to buy your new custom-built car as well as a unique way to see more of Europe. When you're done traveling, bring the pleasure of driving a Volvo car back home. Purchase any new Volvo car as part of the Volvo Overseas Delivery Program and enjoy all this, and more:

- Attractive pricing on Canadian models.
- Access to colours and certain features normally only available in Europe.
- 15 days of international insurance and temporary European registration included.
- Two complimentary round-trip tickets to Scandinavia (a peak season surcharge may apply).
- One free hotel night in Gothenburg, Sweden, the home of Volvo Cars.
- An exciting Volvo Cars factory tour or a visit to the new Volvo Brand Experience Center.
- An exclusive VIP delivery experience at the Volvo Cars Factory Delivery Center.
- The opportunity to explore Europe in the comfort and safety of your own Volvo car, either with one of our spectacular tours or on your own.
- Complimentary home shipment services. Just leave your car with us. We'll ship it to you the convenient way while you relax and enjoy your complimentary flight back home.

Can you think of a better way of traveling overseas and making your souvenir part of an unforgettable experience? If you would like to know more, contact your local Volvo car retailer, our Customer Care Center 1-800-663-8255, or visit [www.volvocars.ca](http://www.volvocars.ca)

## SERVICE AND WARRANTY

### VOLVO ROADSIDE ASSISTANCE

Whenever you need us, we're just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Volvo Roadside Assistance card and dial **1-800-263-0475** at any time. Your complimentary four-year membership activates the moment you become a Volvo owner. A connection to Volvo Roadside Assistance can also be made through our free Volvo On Call app. Download it for iPhone or Android by typing Volvo On Call through your app store.

### VOLVO NEW CAR WARRANTY

Your new-car warranty provides comprehensive coverage for four years or 80,000 kilometres, whichever occurs first. Additional warranties cover corrosion, seat belts, the supplemental restraint system, hybrid components emission systems, genuine Volvo car replacement parts and genuine Volvo accessories. Should you encounter any problem with your Volvo car, simply contact the nearest retailer for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional protection of a VIP plan, contact your local retailer.

### VOLVO GENUINE SERVICE

- Lifetime replacement parts and labour warranty
- Complimentary software updates
- Alternative transportation
- Personal service contact
- Health check
- Complimentary car wash
- Roadside assistance
