

2011 Civic SEDAN

# Less paper today means more blue skies tomorrow.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children*, and with this vision in mind, we felt it was time to make a change for the greater good of the planet.

That's why Honda Automotive has decided to print fewer paper brochures and start encouraging people to visit [honda.ca](http://honda.ca) to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

# A car for Canada. A Civic for everyone.

**The 2011 Honda Civic.** More than just Canada's best-selling\* car 12 years in a row, the Civic lineup is a shining example of the high standards Honda has set as an automaker. Driving a Civic is about having everything you want in a car, without compromise. A car that's a champion of the environment with low-emission, fuel-efficient engines. A car where safety isn't simply a list of features; it's a pledge to protect you, your passengers and even the people around you. And just to top it all off, a car that's extremely fun to drive.

\*Based on Association of International Automobile Manufacturers of Canada (AIA<sup>MC</sup>) data reflecting sales between October 1997 and August 2009.

CANADA'S CAR. | Civic

# Introducing the ride of your life.

The Civic Sedan was designed with one point of view in mind – yours. From the outside, it's impossible to ignore its cutting-edge aerodynamics, clean lines and aggressive stance, but it's on the inside where the real driving excitement begins. A sporty digital instrument panel offers quick reads, so your eyes will always be focused on the road ahead. The height-adjustable driver's seat and tilt and telescopic steering column allow for the perfect driving position. Smooth-operating tactile switches are intuitively located and easy to reach. Simply put, the Civic has everything you've been wishing for – and a little bit more.

# Puts the sedan in its place. Out in front.

Introducing the 2011 Civic Sedan Special Edition, a fresh take on a proven performer. It has the reliability and efficiency you expect from the 4-cylinder, SOHC, i-VTEC engine, and more standard features to sweeten the deal, like 16" aluminum-alloy wheels, heated side mirrors, and a power moonroof. You get a whole lot of Civic, which translates to a whole lot of Special Edition fun.

- 16" aluminum-alloy wheels
- All-season tires: P205/55 R16
- Power-assisted, solid rear disc brakes
- Body-coloured heated side mirrors
- Body-coloured door handles
- Exhaust finisher
- Power moonroof with tilt feature
- Special Edition badge
- Variable intermittent windshield wipers
- Exterior temperature indicator
- Map lights
- Power windows with auto-up/down driver's window
- Rear beverage holders
- Remote entry system with electronic trunk release
- USB device connector
- Black cloth interior with silver contrast accent stitching
- 60/40 split fold-down rear seatback
- Rear-seat centre armrest
- Leather-wrapped steering wheel

Sedan, yes.  
Sedate, no.

**The Civic Sedan Si.** Whoever said all sedans are the same obviously hasn't met the new Civic Sedan Si. Or experienced the thrilling performance and fuel efficiency of a 197-hp, 2.0-litre, 16-valve, DOHC, i-VTEC 4-cylinder engine. Or explored the ultraquick shifting of a close-ratio 6-speed manual transmission. Or carved a corner with the confidence that comes from a helical limited-slip differential. Or rekindled their feeling for the open road in a sport-tuned-strut-front and double-wishbone-rear-suspension kind of way. Or heard the difference a 7-speaker, 350-watt AM/FM/CD Premium audio system with subwoofer and USB device connector makes to performing all of the above.

# Civic SEDAN

## Civic DX Sedan

140-hp, 1.8-litre, 16-valve, SOHC, i-VTEC® 4-cylinder engine • 5-speed manual transmission (MT) • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) • 12-volt power outlet • 15" steel wheels with full covers • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 4 speakers • Active front seat head restraints • Advanced Compatibility Engineering™ (ACE™) body structure • Audio anti-theft feature • Control-link MacPherson strut front suspension • Drive-by-Wire Throttle System™ • Driver's seat with manual height adjustment • Dual-stage, dual-threshold front airbags (SRS) • Folding and power side mirrors • Front and rear stabilizer bars • Front console armrest • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • Lower Anchors and Tethers for Children (LATCH) • MP3/auxiliary input jack • Maintenance Minder system • Multi-functional centre console storage • Power-assisted rack-and-pinion steering • Power windows • Reactive-link double-wishbone rear suspension • Rear decklid spoiler • Side curtain airbags • Tilt and telescopic steering column

## Civic DX-G Sedan Adds to or replaces DX features:

Available 5-speed automatic transmission (AT) with Grade Logic Control and lockup torque converter • 15" lightweight aluminum-alloy wheels • Air conditioning with air-filtration system • Electric variable power-assisted rack-and-pinion steering (EPS) (MT only) • Programmable automatic power door locks • Remote entry system • Steering wheel-mounted cruise control
