

# TRUCKS

HONDA

# You can buy a car or you can buy a Honda.

**At Honda**, our goal is to continue building a company that fosters trust.

We strive to provide the reliable, safe and efficient vehicles you've come to expect. Whether you're looking for a great car or truck, we're committed to helping you find a Honda you can depend on for years — even decades.

We pride ourselves on delivering exceptional customer service every step of the way. From the factory floor to the showroom, you can see our dedication to giving customers the kind of confidence and peace of mind that only comes with a Honda.

**HONDA**

2012

# Odyssey

## Feel at home anywhere.

The 2012 Odyssey offers more of the features and refinement you've always wanted in a minivan. There are safety features like active front seat head restraints and an available rearview camera with display in the navigation screen. Fun features like an available DVD Ultrawide Rear Entertainment System with 16.2-inch display and split-screen capability, and an MP3/auxiliary input jack. Plus, there's advanced features like an available HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface. So if you're into stylish-fun-advanced features, the Odyssey is here for you.

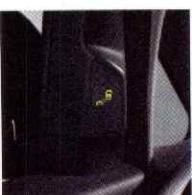

**Starting from \$29,990 MSRP\***

### Another set of eyes on the road.

Whether you're taking your Odyssey across town or across the country, the available blind spot information system makes your trip easier. When a vehicle enters either of your blind spots, lights located on your side mirrors illuminate automatically. It's an innovative and downright cool feature that lets you know when other drivers are trying to get a closer look at your Odyssey.

### Deal with your baggage.

The Odyssey's available flip-up trash bag ring makes cleanup a breeze, even after a family road trip. You can stash food wrappers, tissues and other garbage in a bag that's easy to reach. And best of all, you won't find petrified food remains under the seat months later. Now cleaning out your Odyssey is as easy as taking out the trash.

### ODYSSEY LX

248-hp, 3.5-litre, 24-valve, SOHC, i-VTEC® V6 engine • 5-speed automatic transmission with Grade Logic Control • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 12-volt power outlets (2) • 229-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 5 speakers including subwoofer • Active front seat head restraints • Advanced Compatibility Engineering™ (ACE™) body structure • Driver's seat with 8-way power adjustment • Dual-zone manual air conditioning • Front bag hook • MacPherson strut front suspension and multi-link double wishbone rear suspension • Maintenance Minder system • MP3/auxiliary input jack • One-Motion 60/40 Split 3rd-Row Magic Seat® • Power windows with auto-up/down driver's and front passenger's window • Rear privacy glass • Remote entry system • Revised battery management system (BMS) • Steering wheel-mounted cruise control • Three-row side curtain airbags with rollover sensor • Tire Pressure Monitoring System (TPMS) • Variable Cylinder Management® (VCM®) • Vehicle Stability Assist (VSA®) with Traction Control • Wide-mode adjustable 2nd-row seats with armrests and walk-in feature

### ODYSSEY EX

**ADDS TO OR REPLACES LX FEATURES:**

\*MSRP is \$29,990 for a new 2012 Honda Odyssey (model RL5H7CE). Freight and PDI (\$1,590), license, insurance, applicable taxes and registration are extra. Dealer may sell for less. See your Honda Dealer for full details.

## Yeah, it does that.

All new for 2012, the completely redesigned CR-V is more efficient, more powerful, more stylish and more functional, and could very well be the best all-around compact SUV on the road. Whether it's the exceptional traction of Real Time AWD™, the added efficiency of ECON mode or the leading technology of intelligent Multi-Information Display (i-MID) and Bluetooth® HandsFreeLink™, the new CR-V redefines what you can get – and do – in a compact SUV.

Starting from \$25,990 MSRP\*

### CR-V LX

185-hp, 2.4-litre, 16-valve, DOHC, i-VTEC® 4-cylinder engine • 5-speed automatic transmission • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 12-volt power outlets • 16" styled steel wheels • Easy fold-down 60/40 split rear seatback • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 4 speakers • Advanced Compatibility Engineering™ (ACE™) body structure • Air conditioning with air-filtration system • Available Real Time AWD™ (Intelligent Control System™) • Centre console • Compass • Drive-by-Wire Throttle System™ • Driver's seat with manual height adjustment • Dual-stage, multiple-threshold front airbags (SRS) • Ecological Drive Assist System™ (Eco Assist™) • Exterior temperature indicator • Front and rear splash guards • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface • Heated folding power side mirrors including expanded view driver's mirror • Heated front seats • Hill Start Assist • intelligent Multi-Information Display (i-MID) • Maintenance Minder system • Motion-Adaptive Electric Power-Assisted Rack-and-Pinion Steering (EPS) • Multi-angle rearview camera with guidelines

- Power door locks • Power windows with auto-up/down driver's window • Rear privacy-tinted glass • Remote entry system • Side curtain airbags with rollover sensor • SMS text messaging • Steering wheel-mounted audio controls • Steering wheel-mounted cruise control • Tire Pressure Monitoring System (TPMS) • USB device connector • Vehicle Stability Assist (VSA®) with Traction Control

### CR-V EX

#### ADDS TO OR REPLACES LX FEATURES:

- 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 6 speakers • 17" alloy wheels • Automatic on-off headlights • Body-coloured door handles • Body-coloured heated folding power side mirrors including expanded view driver's mirror • Dual-zone automatic climate control with air-filtration system • Fog lights • One-touch power moonroof with tilt feature • Retractable cargo area cover • Security system • Variable intermittent windshield wipers

### CR-V EX-L

#### ADDS TO OR REPLACES EX FEATURES:

- 360-watt AM/FM/CD Premium audio system with MP3/Windows Media® Audio playback capability and 7 speakers including subwoofer • Driver's seat with 10-way power adjustment and power lumbar support • Leather-trimmed seating surfaces • Leather-wrapped steering wheel and instrument panel-mounted shifter • Real Time AWD™ (Intelligent Control System™) • SiriusXM® Canada Satellite Radio†

### CR-V TOURING

#### ADDS TO OR REPLACES EX-L FEATURES:

- Auto-dimming rearview mirror • Chrome door handles • Honda Satellite-Linked Navigation System™ with bilingual Voice Recognition • Roof rails

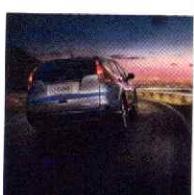

### Centre your attention.

The i-MID (Intelligent Multi-Information Display) is the centre from which all of the CR-V's technology flows. It's where you pick your tunes, check your rearview camera, see and customize vehicle info and settings, and view turn-by-turn directions, if equipped with available navigation system. You can even add your own wallpaper display.

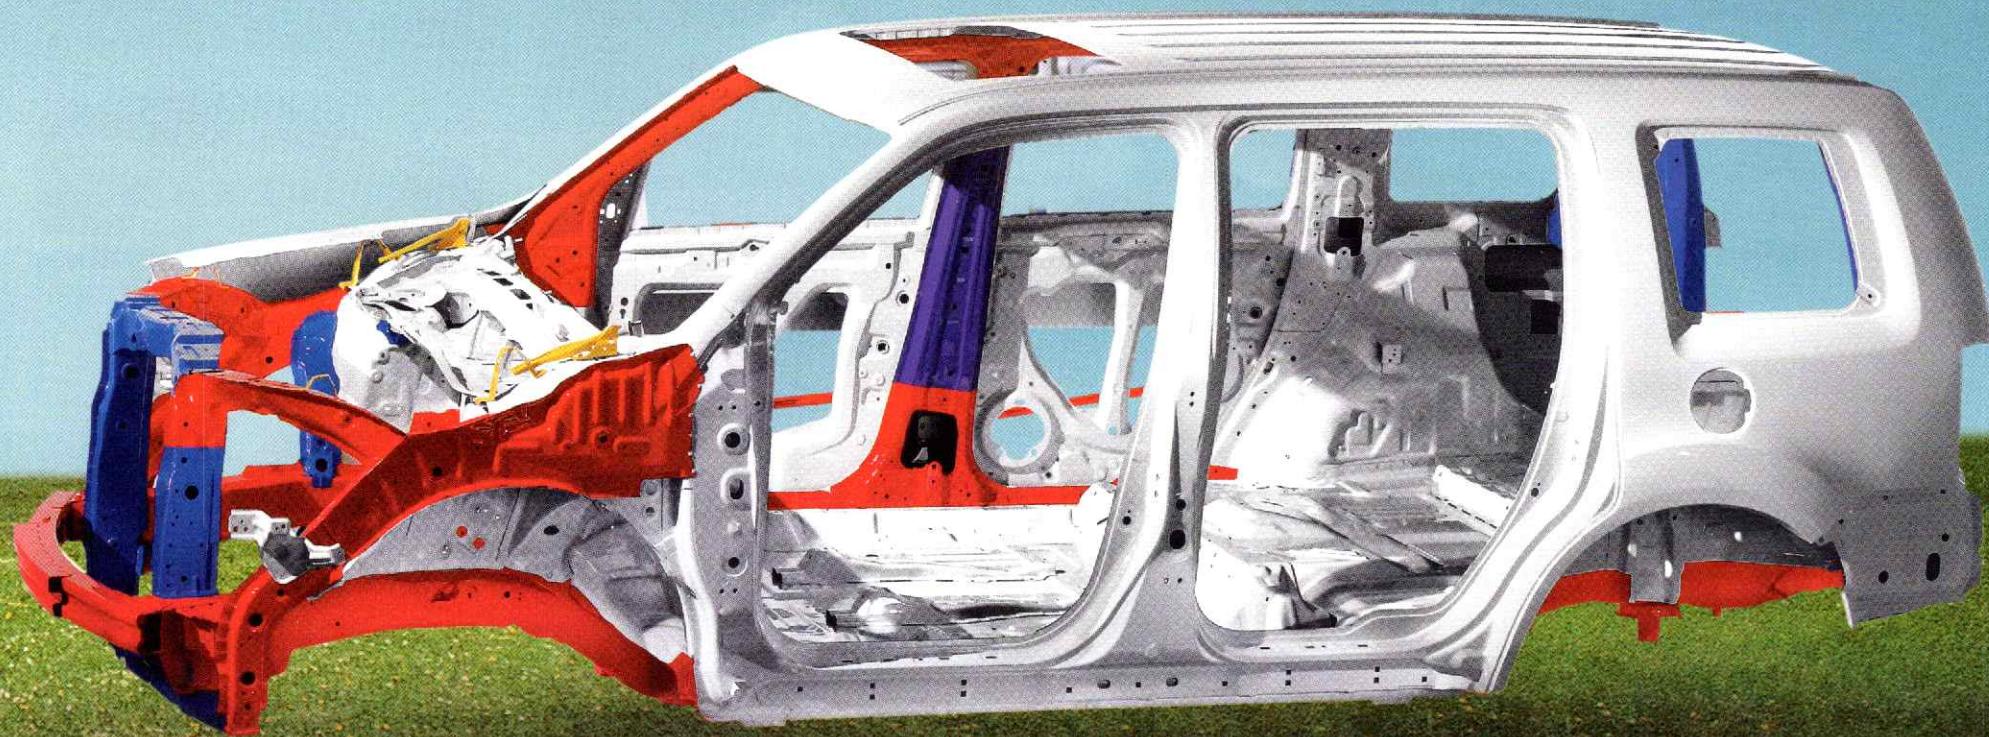

### Grip the road.

For drivers who want the four-season confidence of all-wheel drive, the available Real Time AWD™ (Intelligent Control System™) debuts on the 2012 CR-V. It helps to give you traction in low-grip driving conditions such as snow, rain and unpaved road surfaces, and provides a faster, more intuitive initial response when a loss of traction is detected.

\*MSRP is \$25,990 for a new 2012 Honda CR-V (model RM3H3CE(S)). Freight and PDI (\$1,590), license, insurance, applicable taxes and registration are extra. Dealer may sell for less. See your Honda Dealer for full details.

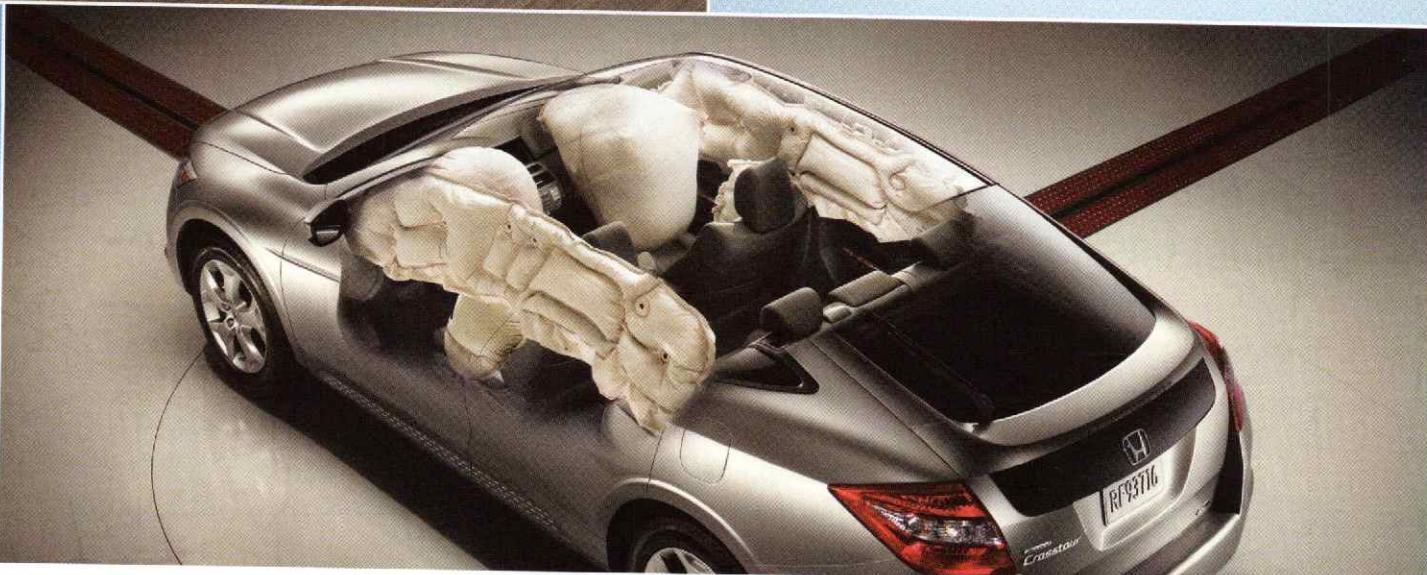

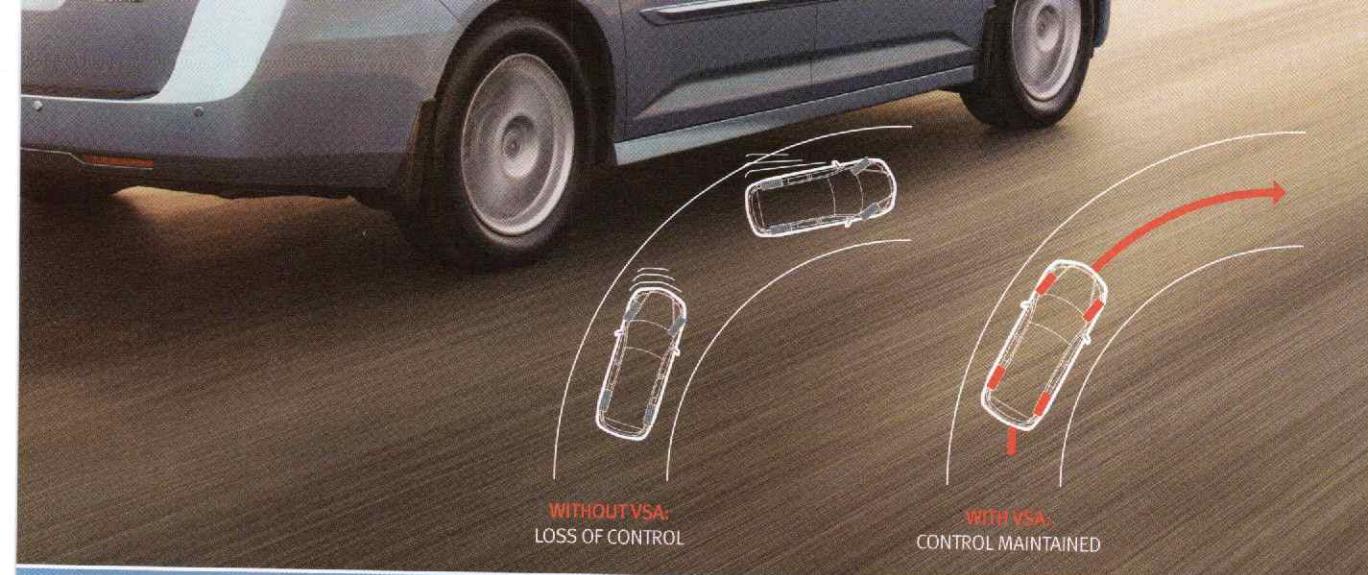

To build and price your Honda, visit [Honda.ca](http://Honda.ca)

## Solid on safety.

**Safety for Everyone** is Honda's commitment to providing one of the highest levels of standard safety features to help ensure occupant safety and protection. In fact, recent crash tests conducted by the National Highway Traffic Safety Administration ranked Honda as a leader for models with 5-star crash safety ratings for front and side impact.\* And through real-world research, Honda is focused on developing unequalled measures of protection to enhance the safety of occupants in other vehicles and even pedestrians -- an innovative idea that is quickly becoming a reality.

\*Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)). Models tested with standard side-impact airbags (SABs).

**Solid Frame Structure.** All Honda trucks are built with a unique rigid-steel body structure for added strength and stability. Impact-absorbing front and rear crumple zones deform in a controlled manner to help absorb collision energy before it has a chance to intrude into the passenger cabin. Further occupant protection comes from a rigid safety cell that is reinforced with high-tensile steel and numerous cross braces to help stop cabin deformation.

**Active Front Head Restraints.** Active front seat head restraints lessen the potential for neck injuries during rear-end collisions by reducing the space between the occupant's head and the seat head restraint.

**Six Standard Airbags.** Six airbags line the vehicle's cabin, including three-row side curtain airbags with rollover sensor and the passenger- side Occupant Position Detection System (OPDS) airbag that will not deploy if the system detects a smaller-sized or out-of-position occupant.

**Anti-lock Brakes.** For safe stopping, the 4-wheel Anti-lock Braking System (ABS) helps you maintain control under hard braking conditions, while Electronic Brake Distribution (EBD) with Brake Assist optimizes braking power based on weight distribution inside the vehicle.

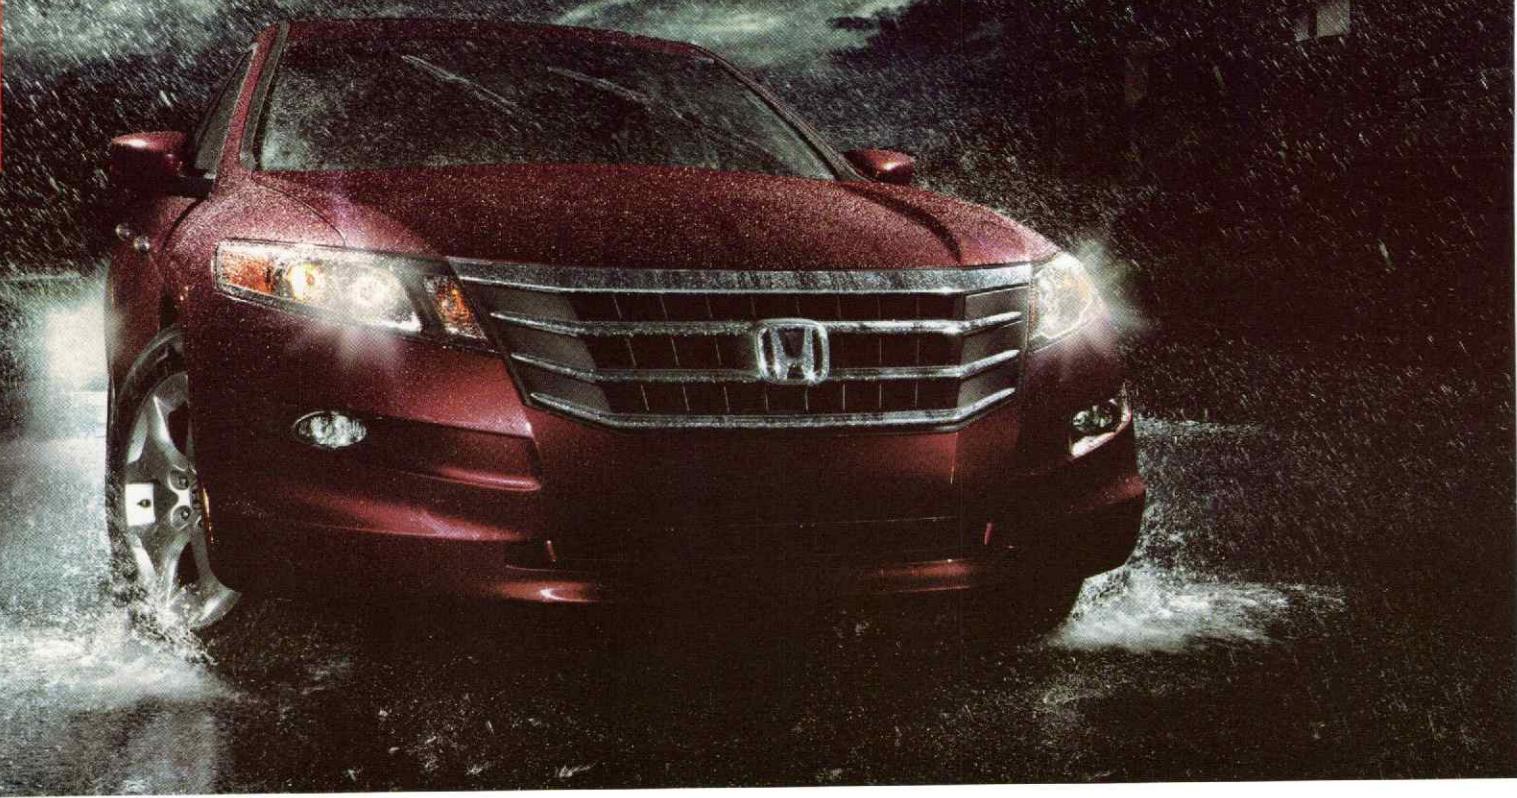

**Vehicle Stability Assist.** Vehicle Stability Assist (VSA<sup>®</sup>) senses and corrects oversteer and understeer situations to enhance handling and cornering stability, while Traction Control enhances grip during acceleration.

**Tire Pressure Monitoring System.** For enhanced safety and fuel efficiency, a Tire Pressure Monitoring System (TPMS) continually checks the air pressure in each tire. If pressure drops in any one tire, an alert appears on the driver's instrument panel.

**LATCH.** Standard Lower Anchors and Tethers for Children (LATCH) offer secure child-seat restraint positions in the second row and in Pilot and Odyssey, in the third row too.

2012

# Crosstour

## Form. Function. Forward-thinking.

It's showing up in style in the middle of a snowstorm. It's an exhilarating drive along country roads and stopping at every yard sale along the way. It's power when you want it and fuel efficiency when you need it. It's luxury that says you've arrived and the versatility to send you on your way again. It's the best of both. It's the Crosstour.

Starting from \$34,900 MSRP\*

### Don't sweat the big stuff.

Size and agility. Open the rear tailgate and the Crosstour reveals its versatile nature. In its upright position, the rear cargo area has more than enough space for your golf gear and your groceries. Pull the discreet release levers and the 60/40 split rear seats fold flat to accommodate longer items. In fact, you get 1,453 litres of cargo space with the seats down.

### CROSSTOUR EX-L

271-hp, 3.5-litre, 24-valve, SOHC, i-VTEC® V6 engine • 5-speed automatic transmission with Grade Logic Control • Available Honda Satellite-Linked Navigation System™ with bilingual Voice Recognition and steering wheel-mounted controls • Available Real Time 4WD® • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 18" aluminum-alloy wheels • 360-watt AM/FM/CD Premium audio system with 6-disc in-dash CD changer, MP3/Windows Media® Audio playback capability and 7 speakers including subwoofer • Backup camera with display in rearview mirror or Navigation System • Body-coloured heated folding power side mirrors • Driver's seat with 8-way power adjustment including

power-adjustable lumbar support  

- Dual exhaust with chrome finishers
- Dual-zone automatic climate control with air-filtration system • HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface
- Illuminated driver's and passenger's power window, door lock and mirror switches
- MP3/auxiliary input jack • Power-assisted, ventilated front disc/solid rear disc brakes
- Power moonroof with tilt feature
- Remote entry system with power window control • Remote-linked 2-position memory system for driver's seat and exterior mirror
- USB device connector • Vehicle Stability Assist (VSA®) with Traction Control
- SiriusXM® Canada Satellite Radio†

To build and price your Honda,  
visit [Honda.ca](http://Honda.ca)

\*MSRP is \$34,900 for a new 2012 Crosstour (model TF1H5CJN). Freight and PDI (\$1,550), license, insurance, applicable taxes and registration are extra. Dealer may sell for less. See your Honda Dealer for full details.

## Add a little anywhere to your life.

The Honda Pilot. It's more spacious than most. It's more fuel efficient than ever. It's got adventure for eight written all over it. It's ready to tow with a standard integrated trailer hitch and, with the incredible fuel efficiency of the Variable Cylinder Management® system, it's in for the long haul. Its MacPherson strut front with multi-link rear suspension makes it handle with car-like precision and rock-like stability, while its smart, storage-wise versatility allows you to pack more into your Pilot than you can into a single weekend. This is the Honda Pilot. This is going to be fun.

Starting from \$34,820 MSRP\*

### PILOT LX 2WD

250-hp, 3.5-litre, 24-valve, SOHC, i-VTEC® V6 engine • 5-speed automatic transmission with Grade Logic Control • 18" alloy wheels • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 8-passenger seating • 12-volt power outlets • 60/40 split-folding second-row seat and 60/40 split-folding third-row bench seat • 229-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability, 2 GB CD library and 7 speakers including subwoofer • Active Control Engine Mount (ACM) system • Active front seat head restraints • Active Noise Cancellation™ (ANC) • Advanced Compatibility Engineering™ (ACE™) body structure • Dual-stage, dual-threshold front airbags (SRS) • Flip-up tailgate glass • Body-coloured door handles • Body-coloured side mouldings • Front and rear air conditioning system • Front side airbags with passenger-side Occupant Position Detection System (OPDS) and three-row side curtain airbags with rollover sensor • HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface • Heated folding power side mirrors • Integrated trailer hitch • Maintenance Minder system • Exterior temperature indicator • MP3/auxiliary input jack • Steering wheel-mounted audio controls with illumination • Tri-zone automatic climate

control with air-filtration system • Passenger's seat with 4-way adjustment • Second-row automatic HVAC controls • Power windows with auto-up/down driver and passenger window • Remote entry system • Steering-wheel mounted cruise control • Tinted glass • Tire Pressure Monitoring System (TPMS) • Variable Cylinder Management® (VCM®) • Vehicle Stability Assist (VSA®) with Traction Control

### PILOT LX

ADDS TO OR REPLACES LX 2WD FEATURES:  
Towing capacity – 2045 kg • Variable Torque Management™ 4-wheel drive system (VTM-4®) • Heavy-duty automatic transmission cooler

### PILOT EX

ADDS TO OR REPLACES LX FEATURES:  
Body-coloured heated folding power side mirrors • Chrome exhaust finishers • Driver's seat with 10-way power adjustment and power lumbar support • Fog lights • Auto-on headlights • Roof rails • Heated front seats • HomeLink® remote system • USB device connector • Second-row folding centre armrest • Security system • Rear camera

### PILOT EX-L

ADDS TO OR REPLACES EX FEATURES:  
Auto-dimming rearview mirror • Available 110-volt power outlet • Available Honda DVD Rear Entertainment System with

9-inch display, integrated remote control and wireless headsets with personal surround sound • Conversation mirror • Leather-trimmed interior • Leather-wrapped steering wheel • Passenger's seat with 4-way power adjustment • Power moonroof with tilt feature • Power tailgate • SiriusXM® Canada Satellite Radio\*

### PILOT TOURING

ADDS TO OR REPLACES EX-L FEATURES:  
110-volt power outlet • 650-watt AM/FM/CD Premium audio system with MP3/Windows Media® Audio playback capability and 10 speakers including subwoofer and 5.1 Surround Sound Theatre Mode • Body-coloured front and rear parking sensors • Body-coloured heated folding power side mirrors with memory and integrated turn indicators • Chrome side mouldings • Heated second-row seats (outboard positions only) • Honda DVD Rear Entertainment System with 9-inch display, integrated remote control and wireless headsets with personal surround sound • Honda Satellite-Linked Navigation System™ with trilingual Voice Recognition, multi-view rear camera with onscreen display guidelines, wallpaper function, Song By Voice™ and illuminated steering wheel-mounted controls • Integrated second-row sunshades • Rear cargo net • Wired for trailer connection

### This is Pilot versatility.

It has a flip-up glass tailgate for easy loading and cargo access. But it also has a 60/40 split-folding second-row seat and a 60/40 split-folding third-row bench seat, so it can go from comfort zone to cargo carrier in seconds. And there's a massive amount of storage in the centre console and 71 litres of cargo space in the rear storage well. Plus, the Pilot can flat-carry items up to four feet wide without tilting or scratching surfaces.

### Plug in for the ride.

Rear cabin temperature controls and an available household 110-volt power outlet keep passengers comfortable and connected to devices such as laptops or game consoles.

# 2012 Ridgeline

## A workhorse with a 5 passenger saddle.

Say hello to the new Ridgeline Sport. It works hard, and plays harder. It begins with a strong stance and powerful lines. Then we added exclusive black 18-inch alloy wheels and blacked-out honeycomb grille, with matching headlight and brake light housings. All the latest Ridgeline models have improved fuel efficiency, the unique In-Bed Trunk™ and dual-action tailgate. With an integrated trailer hitch and smart power-distributing, ground-controlling Variable Torque Management™ 4-wheel drive system (VTM-4®), plus a wealth of safety features, the Ridgeline definitely packs more brains than your average truck. Honda knows that Canadians are blessed with rugged outdoor terrain. So we've given you the perfect truck to get out and take advantage of it.

### Starting from \$34,990 MSRP\*

#### Towing. Now we're talking truck.

The Ridgeline comes right off the showroom floor with the most of what you'll need for rigorous hauling duty. It'll tow up to 2268 kg (5,000 lb.), and its closed-box high-strength steel frame with unit-body construction gives it 20 times more rigidity than conventional trucks – so it can pull those heavy loads with confidence-inspiring stability.

#### Lockable In-Bed Trunk.

The lockable In-Bed Trunk provides 240.7 litres of secure weatherproof storage space for toolboxes, golf clubs or anything else you need to keep safe and dry.

#### RIDGELINE DX

250-hp, 3.5-litre, 24-valve, SOHC, VTEC® V6 • 247 lb.-ft. torque @ 4300 rpm • 17" styled steel wheels • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 5-speed automatic transmission with Grade Logic Control • 12-volt power outlets (3) • 60/40 lift-up rear seat with underseat storage • 100-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 6 speakers • Air conditioning with air-filtration system • Auto-off headlights • Drive-by-Wire Throttle System™ • Driver's and front passenger's illuminated vanity mirrors • Dual-action tailgate • Dual-stage, dual-threshold front airbags (SRS) • Exterior temperature indicator • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • Heated folding power side mirrors • Heavy-duty automatic-transmission cooler • Heavy-duty power-steering cooler • Heavy-duty radiator with dual fans • Heavy-duty tie-down cleats (8) • Immobilizer Theft-Deterrent System • In-Bed Trunk™ • Integrated bed lights (4) with auto-off timer • Integrated closed-box frame with unit-body construction • Limited-slip rear differential • MacPherson strut front suspension

- Maintenance Minder system
- Multi-link rear suspension with trailing arms
- Power sliding rear cabin window
- Power windows with auto-up/down driver's window
- Side curtain airbags with rollover sensor
