ORDINARY IS OUT.
AMAZING IS IN.

HONDA

ROUTINE IS OUT. CHANGE IS IN.

When unplanned plans lead to unforgettable weekends and extra luggage space leads to extra fun. When absent-minded turns lead to new favourite hangouts and the right music leads to the best backseat party ever. When a diversion in the road leads to new stories to tell and more space in the back leaves more room for friendship. Then you have a car that doesn't just change the way you ride, it changes the way you live.

FUEL WORRIES ARE OUT. WEEKEND PLANS ARE IN.

1.5 L i-DTEC
Diesel Engine

It isn't everyday that the words diesel engine and revolution are used in the same sentence. But in all fairness, it isn't everyday that a diesel engine revolutionises automotive technology forever. Honda is proud to launch its new state-of-the-art i-DTEC engine.

This 1.5 L engineering marvel is the lightest engine in its category, that enables greater reduction in the overall weight of the vehicle, and a much lower burden on the engine. Add to that friction reduction innovations that mitigate loss of energy and what you get is an unparalleled mileage of 25.8 kmpl.

Apart from better efficiency, our optimal aluminium engine provides better thermal management that helps reach ignition temperature faster, combined with a turbo charger that adds the extra air and boost, and what you get is 100 ps @ 3600 rpm of sheer power and unmatched acceleration.

LOOKING IS OUT.
STARING IS IN.

The new Honda Amaze boasts of an appealing chrome front grille and alloy wheels. A smooth and strong design concept and the character lines, running down the length of the car, give it a futuristic yet elegant style. Complementing the whole look are the ORVM turn indicators, fog lamps and an eye-catching rear design with chrome rear garnish and attractive combi lamps. With all the appreciative stares coming your way, your life is bound to change.

STUFFY IS OUT. COMFY IS IN.

The Amaze is a testimony to Honda's 'Man Maximum, Machine Minimum' principle that believes in maximising space for you and minimising space taken up by the machinery. The Amaze is designed for comfort with a host of features like spacious rear legroom, rear centre armrest, driver seat height adjuster, tilt steering, heat absorbing front windshield, stylish speedometer, eco lamp indicator, built-in audio system with USB & Aux-in and steering mounted audio controls. With best-in-class cabin space and so much attention paid to your comfort, you will be amazed at how Amaze changes your life.

ADJUSTING IS OUT.
INDULGENCE IS IN.

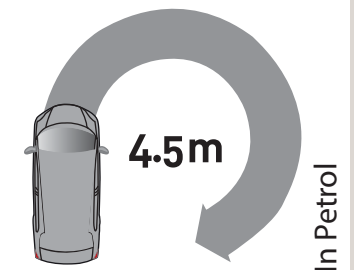

The rear of this car has been specifically designed to accommodate your every need while traveling. The 400 litre boot space provides you with the comfort of knowing that everything you want is always with you. While the spacious glove box, bottle holders, front door pockets and power folding ORVM lamps give you more convenience, the lowest turning radius in its category gives you easy maneuverability. You can now indulge yourself by taking a trip with everyone you like and with everything you need. Driving the Amaze will forever change the way you travel.
