## ENGINE PRE-HEATER

CONTENTS:

- 01 Engine pre-heater
- 02 Remote key fob

01

### ENGINE PRE-HEATER

A pre-heater helps to protect the environment and your engine: no more damaging cold starts. It reduces engine and component wear and also reduces fuel consumption. A pre-warmed engine also emits fewer noxious emissions on start-up.

Controlled with a Smart Remote key fob, the pre-heater defrosts and demists your windscreen, which aids safer driving. It also provides you with a warm and comfortable interior. You'll never have to scrape ice from your windscreen again!

02

## TOWING PACK

The Towing Pack provides all you need to safely and confidently tow a trailer or caravan with your CR-V.

PACK CONTENTS:

- 01 Detachable tow bar
- 02 13 Pin harness (not shown)

01

### DETACHABLE TOW BAR

For the safe transportation of caravans, trailers and carrier systems. With the Detachable Tow Bar you can tow with a maximum capacity of 2,000 kg depending on vehicle engine and transmission type. The maximum vertical load is 100 kg. Can be removed when not in use. Restrictions apply, please contact your Honda dealer for further information regarding compatibility.

## TOWING+ PACK

The Towing+ Pack offers the same levels of safety and confidence as the Towing Pack, with the addition of a 12v feed for caravans.

PACK CONTENTS:

- 01 Detachable tow bar
- 02 13 Pin harness (not shown)
- 03 12v Battery line

## EXTERIOR OPTIONS

The CR-V is designed to stand out from the crowd. Why not enhance your CR-V's sleek lines even further with full length running boards or add front and rear parking sensors to assist parking in tight and confined spaces?

### FRONT FOG LIGHTS

Drive your CR-V through foggy nights / days with ease. The Front Fog Lights will give you an extra sense of safety and comfort.

### FOG LIGHT GARNISH

Located below the fog light area, these chrome-look garnishes really complete your CR-V's distinguished front design.

### FRONT & REAR PARKING SENSORS

Front and rear sensors that produce an audible signal when near an object, so you can swing confidently into the tightest of parking spots. Sensor detection is visible on the car's intelligent-Multi Information Display (iMID).

### FULL LENGTH RUNNING BOARDS

To help entering and exiting your CR-V, these full length integrated Running Boards also add a touch of sophistication, while adding functionality.

### STYLISH RUNNING BOARDS

These striking, integrated Running Boards not only make entering and exiting of your CR-V easier, they also add design and functionality.

### EXHAUST PIPE FINISHER

Enhance the exterior look of the rear of your CR-V and accentuate the exhaust pipe. Round shape, constructed from stainless steel.

### WINDSHIELD COVER

Protect your CR-V's windshield and mirrors from heavy weather when it's parked outside by applying the genuine windshield cover.

## INTERIOR OPTIONS

Style the interior of your CR-V to your own personal taste. Whatever your style, there's a Genuine Honda Accessory to meet your requirements.

### FRONT BLUE AMBIENT LIGHTING

Illuminates the front foot area to give a cool and sophisticated atmosphere to the interior of your CR-V. Controlled through headlights.

### REAR BLUE AMBIENT LIGHTING

Add to the relaxed atmosphere inside the car with subtle ambient lighting in the rear foot area. Controlled through headlights. Only for black interiors.

### DOOR POCKET ILLUMINATION

Blue illumination behind interior door handles. The illumination functionality works together with headlights and can be dimmed with the meter panel dimmer.

### HONDA 3D SOUND

By adding a compact DSP (digital signal processing) unit to the existing sound system in your Honda, you can enhance your listening experience to a concert hall feeling.

## TRAVEL & UTILITY OPTIONS

When you're going places you need the right equipment. That's why our line-up of carrying and towing accessories offers you an easy and convenient way to adapt your CR-V to match your lifestyle.

### ROOF RAILS

Required for attaching the Cross Bars to the roof of your CR-V. Maximum load capacity: 75 kg

### CROSS BARS

Expand the carrying capacity of your CR-V by adding these strong and secure Cross Bars. Can only be used in combination with Roof Rails. Maximum load capacity 75 kg or maximum 2 bicycles.

### ROOF BOX 350L

This sturdy, waterproof box fits securely to the Cross Bars and gives you an additional 350 litres of storage space. Features an anti-theft lock. The maximum load is 50 kg. Dimensions (L×W×H): 150 × 90 × 35 cm.

### SKI BOX 430L

Constructed from UV resistant ABS plastic, this lockable, roof-mounted box offers 430 litres of additional storage space when you need to pack up skis or snowboards. Dimensions (L×W×H): 197 × 83 × 38 cm. For security, keys cannot be removed until locks are properly engaged.

### FRONT LIPPED RUBBER MATS

Featuring the CR-V logo, these black rubber mats provide protection against a wet and dirty foot area.

### REAR LIPPED RUBBER MATS

Featuring the CR-V logo, these black rubber mats provide protection against a wet and dirty foot area.

### PARKING AID CAMERA KIT

As soon as you shift in reverse, a rear camera view appears on the i-MID display, offering you the safety and confidence of a full view of what is happening behind you.

### TABLET HOLDER

This tablet holder can fit any tablet with dimensions varying from 7" to 11.6". Tiltable for best view. Including base carrier to fit your CR-V's headrest.

### SKI & SNOWBOARD ATTACHMENT

Easy-to-use ski holder for three or four pairs of skis (depending on the size of the skis) or two snowboards. Skis / snowboards are securely fastened between two rubber profiles that are kind to the equipment. Easy to attach to the Cross Bars without tools. CityCrash approved.

### BICYCLE ATTACHMENT

Transport a bicycle on the roof of your CR-V. Attaching to the Cross Bars, the Bicycle Attachment offers an easy fixation by providing a slot that keeps your bicycle upright and your hands free while you strap it down. Featuring anti-theft lock.

### TOW BARS

For the safe transportation of caravans, trailers and carrier systems. With the Honda genuine Tow Bars you can tow with a maximum capacity of 2,000 kg depending on vehicle engine and transmission type. The maximum vertical load is 100 kg. Fixed, Detachable and Retractable tow bars are available. Certain restrictions apply, please contact your Honda dealer for further information.

### BICYCLE CARRIER FOR TOW BAR

Transport up to two bicycles on your Tow Bar. Quick and easy to install and easily foldable for storage. Tilting function allows access to the boot. Holder and bicycles can be locked to secure against theft. Image shown for illustrative purposes. UK specification may differ.

## TRAVEL & UTILITY OPTIONS

When you're going places you need the right equipment. That's why our line-up of carrying and towing accessories offers you an easy and convenient way to adapt your CR-V to match your lifestyle.

### DOG GUARD

The Dog Guard is designed to keep your pets and luggage safely in the luggage compartment of your CR-V while driving. It divides the passenger compartment from the luggage compartment between the rear seat back and roof interior.

### TIE-DOWN BELT

Securely tie down items in your boot to prevent them from moving around while driving.

### CARGO MAT

Keep the interior of your cargo area clean. The cargo mat is designed to perfectly fit the area of your CR-V that needs the most protection.

### CARGO NET

Keep luggage secured in the boot with a specially designed horizontal cargo net. To be fixed to the standard cargo hooks in the boot.

## CHILD SEAT OPTIONS

The safest way for children to travel in cars is in a child car seat that is suitable for their weight and size, and is correctly fitted in the car.

A Honda child seat will keep your child safe and comfortable during your journey.

To see the entire range of Honda child seats and for more information, please contact your local dealer.

### GROUP 0+ BABY-SAFE PLUS

For babies 0-13 kg / 0-15 months. This infant carrier, in conjunction with the Baby-Safe ISOFix Base provides the ideal protection for your baby from birth. The high side wings and deep shell of the Baby-Safe Plus include side impact protection to provide the best possible protection, even for the smallest of babies.

### GROUP 1 DUO PLUS ISOFIX

For babies 9-18 kg / 9 months to 4 years. ISOFix fixation. Giving you the flexibility of two installation options – the ISOFix system or a 3-point seatbelt installation. The ISOFix system anchors the child seat directly to the car's chassis offering maximum protection in case of a collision, while the unique 'Pivot Link' system reduces the child's forward movement in the seat in the event of an accident.

### GROUP 2+3 KIDFIX

For 15-36 kg / 3-12 years. A very safe and comfortable seat for the older child with a recline facility and the unique ISOFix system which anchors the child seat directly to the car's chassis via the standard ISOFix system for superior protection. The child is secured in the seat with the 3-point seatbelt. The Kidfix can be installed in cars without ISOFix using the car's 3-point seatbelt.
