DESIGNER INTELLIGENCE

IMAGE BOOST. With a newly designed centre console, sharp new graphics on its multifunctional display and clever i-Key: MICRA is full of bright ideas.

I-KEY

Smart, simple and convenient, Nissan's i-Key takes the weight off your hands. With your arms full of shopping and your mind on the next thing to do, you don't want to be fumbling around for your car keys at the bottom of your bag. Thanks to radio frequency identification technology, you can unlock your MICRA at the touch of the button on the front door or boot handle. And that's not all. You can start your MICRA with the i-Key still in your bag or pocket, just press the start button and you're off. Easy.

MULTI FUNCTIONAL DISPLAY
MICRA's easy-to-read multi-information display gives you useful information such as fuel consumption, driving range, outside temperature and parking guidance.

NissanConnect

NISSANCONNECT

INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH

SMART AND FUNCTIONAL. NissanConnect hosts a range of audio, navigation and communication functions, as well as cutting edge connectivity and smartphone integration features. What's more, NissanConnect is incredibly easy to use thanks to the high resolution 5.8" anti-glare touchscreen.

CONNECTED WHEREVER YOU GO. NissanConnect offers Smartphone integration which allows you to enjoy an ever growing list of applications from the comfort of your NissanConnect touchscreen, all tailored to enhance your overall driving experience in a safe way*. Your MICRA will become an integrated piece of your connected lifestyle, just like your smartphone, tablet or computer.

INTELLIGENT DRIVER ASSISTANCE Navigation functions that support you in all kinds of traffic situations.

STREAMING AUDIO VIA BLUETOOTH®. Enjoy DAB digital radio, or why not wirelessly stream music from your mobile phone?

USB CONNECTION. Plug in your iPod or MP3 player to access your entire music library while you're on the road.

*Driving is a serious business. Only use NissanConnect services when safe to do so. Some applications may have late introduction. NissanConnect service requires a subscription but is available on a complimentary basis for 2 years from purchase. Service and applications only available in selected European countries and on selected Nissan models. Service and applications may be provided by third parties outside Nissan's control, and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties). Certain remote functions require a compatible phone or device, not included with vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks are not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

GREAT FIT. No doubts, no hesitation, no struggling. Slip confidently into that last space thanks to the parking assistance, leaving you free to get on with more important things.

STREET SENSE

COOL MOVES. Focused, resourceful and extremely agile, no one gets around the city more effortlessly than MICRA.

PARKING SLOT MEASUREMENT (PSM). At the touch of a button, Park Assist will size up your selected spot and tell you if there's enough room. Simply drive up, press the PSM switch and turn on the indicator. Park Assist will inform you whether you will fit in, saving you a lot of hassle.

REAR PARKING SENSORS. Once you've got the green light from Park Assist, you can back into that tiny space without a second thought. The rear parking system with its alerts will guide you in safely.

TOP TURNING CIRCLE. It's so easy to manoeuvre in the MICRA. At just 9.3 meters, MICRA's tiny turning circle is the smallest versus its key competitors to make sure you get around obstacles and out of tight spaces in no time.

FRESH ENERGY

TRAVEL LIGHT. MICRA produces one of the lowest CO₂ emissions for a petrol engine whilst boasting diesel-like fuel economy.

STOP START. Standard on all DIG-S models, Stop/Start reduces pollution in city traffic. The engine automatically turns off when your MICRA is at a standstill (in traffic jams for example) improving fuel economy by around 4%. As soon as you disengage the clutch (MT) or release the brake (CVT), the engine will smoothly restart.

DIG-S ENGINE. Offering diesel-rivalling economy, MICRA's Pure Drive 1.2L DIG-S 98 HP, supercharged petrol engine with manual transmission incorporates innovative technologies that reduce the amount of power lost through heat, pumping and friction losses, improving fuel consumption through optimised energy management.

ENGINE / TRANSMISSION	SIZE (L)	OUTPUT (ps)	TORQUE (nm)	CO ₂ EMISSIONS (g/km)	FUEL CONSUMPTION COMBINED (MPG [l/100 km])
1.2 80ps 5MT	1.2	80	110	115	56.5 [5.0]
1.2 80ps CVT	1.2	80	110	125	52.3 [5.4]
1.2 DIG-S 98ps 5MT	1.2	98	147	95 (Visia) / 99 (Acenta/Tekna)	68.9 [4.1] (Visia) / 65.7 [4.3] (Acenta/Tekna)
1.2 DIG-S 98ps CVT	1.2	98	147	115	56.5 [5.0]

NISSAN SAFETY SHIELD PHILOSOPHY

SURROUND YOURSELF WITH CONFIDENCE

Nissan Safety Shield technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and your passengers by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

WITH ESP

WITHOUT ESP

ABS. If you ever have to push down hard on the brakes, the Anti-lock Braking System limits wheel lock-up to help maintain control and stability.

Tyre Pressure Monitoring System (TPMS). No more guesswork: Each tyre pressure is monitored. If one of them has low pressure, a signal will light up on the dash alerting you to add pressure.

Vehicle Dynamic Control. Electronic Stability Program (ESP) controls brake pressure to individual wheels and reduces engine torque to help stabilise the vehicle's direction if tyre adhesion limits are accidentally exceeded.

TCS. The Traction Control System controls brake pressure to individual wheels and reduces engine torque to maximise traction.

6 AIRBAGS

Front, side and curtain airbags offer maximum protection to all passengers. If you want to install a baby seat in the front, just flick the switch inside the glove compartment to turn off the front passenger airbags.

In 2011, MICRA was awarded a four-star rating by EURO NCAP (European New Car Assessment Programme).

SPACE TO SPARE

WELL-ORGANISED. No more sliding objects or misplacing your mobile phone, tickets or sunglasses: Everything has its place in the MICRA.

VERY THOUGHTFUL. From dedicated holders to generous compartments, MICRA's neat and versatile storage spaces ensure that your car is tidy.

VERY ADAPTABLE. If you suddenly need room for larger items, you can fold down the rear seats at the pull of a lever to create a fully flat floor and 1,132 litres of space. Most accommodating.

STANDARD EQUIPMENT

With your ideas and our technology, you can customise your journey. Connect with Nissan MICRA and have some fun!

ALL NISSAN MICRAS COME WITH:

SECURITY

- Remote central locking
- Engine immobiliser

SAFETY

- Electronic Stability Programme (ESP)
- ABS with Brake Assist and EBD
- 6 airbags
- 2 adjustable rear head restraints
- Front seat belts with load limiter and pretensioner
- ISOFIX childseat anchorage points
- Tyre Pressure Monitor System
- Safety Kit (Warning Triangle, First Aid Kit and 2 High Visibility Jackets)

AUDIO

- CD radio with 4 speakers
- AUX and 12V socket

EXTERIOR STYLING

- 14" Steel wheels
- Black door mirrors & handles

INTERIOR STYLING

- Black cloth tricot/mesh seat fabrics

CONVENIENCE

- Front electric windows
- Electric speed-sensitive power steering
- Adjustable steering wheel
- Trip computer
- Anti-dazzle rear view mirror
- Urethane steering wheel
- Digital clock
- Tachometer
- Rear wiper
- Folding rear bench seat

OPTIONAL EXTRAS

- Metallic Paint
- Pearlescent Paint
- Personalisation Packs - interior and/or exterior

VISIA/VISIA LIMITED EDITION*

IN ADDITION TO STANDARD EQUIPMENT

AUDIO

- Bluetooth phone integration**
- USB socket**

INTERIOR STYLING

- Front & rear mats***
- Boot liner***

OPTIONS

- Manual A/C (standard on DIG-S)

*Visia Limited Edition only available with 1.2 manual
** not available on DIG-S
***Visia Limited Edition only

ACENTA

IN ADDITION TO VISIA

INTERIOR STYLING

- Gloss black centre console
- Leather steering wheel
- Chrome interior door handles
- Door pad fabrics

EXTERIOR STYLING

- 15" alloy wheels
- Roof spoiler
- Chrome lower grille
- Silver painted door finishers & gear base ring
- Body coloured door handles & door mirrors

CONVENIENCE

- Cruise control & speed limiter
- Climate control
- Driver & passenger vanity mirrors
- 60/40 split folding & tumble rear seats
- Drivers seat height adjust
- Front arm rest
- 3x adjustable rear head restraints

AUDIO

- Steering wheel audio controls

VENTILATION AND VISIBILITY

- Automatic lights
- Rain sensing wipers
- Electric door mirrors
- Rear window defroster
- Front fog lamps
- LED tail lamps

OPTIONS*

- NissanConnect with 6 speakers

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£180	£295	£350	£490	£640	£870	£1,100
Diesel Car	£0	£0	£0	£0	£130	£145	£180	£295	£350	£490	£640	£870	£1,100
Alternative Fuel Car	£0	£0	£0	£0	£115	£130	£165	£275	£325	£465	£610	£830	£1,055

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £225 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF and e-NV200Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty.

Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
