ALMERA

THE NEW ALMERA FOR ALL-NEW BEGINNINGS.

Getting a car signifies the start of many things — upcoming adventures, lifestyle changes, even a change in who you are. A car like the new Nissan Almera gives you that and so much more. With its refreshed exterior design, larger-than-life cabin and cargo space, interior comfort, and strong air-conditioning, each drive opens up a road of new possibilities and opportunities for you and your loved ones. With the new Nissan Almera, you're off to a good start.

A STYLISH NEW BEGINNING

Boomerang
Headlamps

Side Mirror
with Indicator Lights

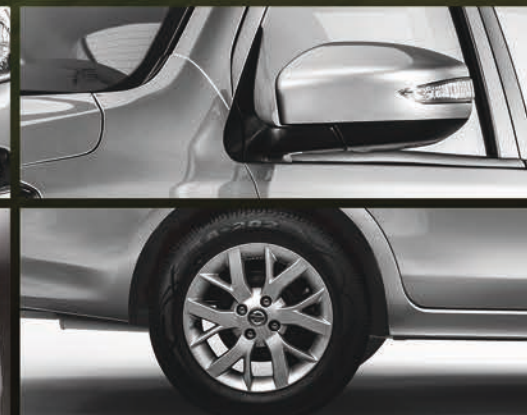

Redesigned Front Bumper
with Chrome Accents

Bigger and Bolder
Front Grille

Redesigned
Rear Spoiler

12-spoke
Alloy Wheels

The new Almera is anything but modest. Its sleek style and graceful curves are highlighted by chrome grille accents, stylish boomerang headlamps, a sleek rear spoiler and brand new 12-spoke alloy wheels that make the new Almera a real standout, whether you're on the road to catch a meeting or just sight-seeing.

MORE ROOM FOR RELAXATION.

Knee room of 636 mm

Excellent Headroom

Classy Interior

The world has changed. Small is big, practical is cool, and living well isn't about how much you spend. What's the perfect car for this new world? The new Nissan Almera. For a subcompact sedan, the spacious interior offers unexpected leg and headroom to seat five comfortably, and its improved classy interior provides superior comfort. Carpool or road trip, the new Almera now has more room for relaxation.

*Leather seats available for 1.5 VL AT

CENTER CLUSTER WITH CHROME ACCENTS

The redesigned center cluster now has chrome accents, with improved plate ring and decorative illumination for easier readability and nighttime visibility.

490 LITERS OF TRUNK SPACE

Life is easier when you can bring everything you need. The Almera's oversized trunk means there's no need to compromise. Going out for a family picnic? No problem. Load all your stuff and keep it safe and out of sight. Inside, versatile storage options get things organized with places for all your essentials.

REAR COMFORT FAN

The first subcompact sedan to improve cabin air circulation with a double ventilation grille and speed control dial, so everyone stays cool while travelling.

NISSAN SAFETY SHIELD® PHILOSOPHY
INNOVATION THAT LOOKS OUT FOR YOU

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

ANTI-LOCK BRAKING SYSTEM

Helps you maintain steering control around obstacles while breaking heavily.

ELECTRONIC BRAKE FORCE DISTRIBUTION

Sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

BRAKE ASSIST

Helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

NISSAN'S ZONE BODY CONSTRUCTION AND DUAL FRONT AIRBAGS

Helps absorb impact to protect passengers.
