When the script flips, so does your cargo space

Road-trip minded, but built for spontaneity — Sentra features a wide, accessible trunk that lets you bring bulkier items with ease. The 60/40-split rear seats give you options on how to flex your space, allowing you to bring long items like skis, or drop down both seats for maximum cargo space.¹⁴ Once you're on the road, up to three USB ports keep your passengers charged up, while an available built-in Wi-Fi Hotspot helps to keep them from asking "Are we there yet?"^{3, 5, 15}
