

NEW NISSAN QASHQAI

New Nissan QASHQAI. Defy Ordinary.

Qashqai - the original crossover - has done it again - defying expectations. It continues to overcome the challenges of the city, bringing excitement to urban drivers with its eye-catching, refined design, our even sharper advanced technologies, and enhanced connectivity. Ideal for urban driving, Qashqai e-POWER* uses a petrol engine and lithium-ion battery to power an electric motor, giving you the pleasure of an electric drive. It is also available with a mild hybrid powertrain.

The new, sporty N-Design grade brings you bold, distinctive styling with no compromise on comfort. Black Alcantara^[1] and Black Quilted Leather^[2], special 20" Diamond Cut alloy wheels, two-tone paint and a N-Design specific interior add an extra level of dynamism and elegance to the range.

All you have to do now is decide which Qashqai to choose.

* e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.

[1]Alcantara® on dashboard padding, door inserts, door armrest, central console and knee pad. [2]Black quilted leather on customer touch points only.

Images and descriptions shown are for guidance purpose. In some instances photos are of non-local specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be available as standard or only as option.

Sharp modernity. Redefined.

With its new, sporty and more dynamic proportions, new Qashqai is an icon redefined. Bolder, subtly sophisticated and resolutely striking, its new lighting signature and sharply cut grille add a powerful expression of modernity.

New redesigned front grille

New rear bumper

New LED lights*

New N-Design 20" alloy wheels

New 20" N-Design wheels* with a distinctive geometric pattern, plus new LED lights with sequential turn signals* enhance an increased sense of poise and performance.

**Feature available depending on version, as standard or only as option (at an extra charge).*

Surrounded by refinement.

A new, more elegant interior, with quality materials, superior finishes and subtle, sophisticated, customisable lighting* create an instant feeling of calm and comfort in a cabin you can truly make your own.

*Feature available depending on version, as standard or only as option (at an extra charge).

Elegance at its best.

Qashqai's cabin is even more designed around you. From the three sharper, clearer digital displays* to the ergonomically-designed cockpit and seating to the convenient cup holders, USB outlets and storage space. Everything is right where you need it, effortlessly.

Improved Full 12.3" digital combimeter*

Frameless auto dimming mirror*

NissanConnect 12.3" infotainment screen

A true sense of harmony.

Step into a more harmonious, refined interior. With quality materials carefully chosen to complement each other, it makes every journey more relaxing, more rewarding... more Qashqai.

Alcantara® & Part Leather^[1]

e-POWER* shifter^[1]

Onboard quietness.

New thicker glass and improved soundproofing mean less road noise, less wind noise and a calmer, more peaceful journey.

Wireless Phone Charger 15W^[1]

Designed to the Qi charging standard & optimised for Qi certified devices^[2]
** e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.*

[1] Feature available depending on version, as standard or only as option (at an extra charge). [2] For non-Qi certified devices, wireless charging performance can be limited.

Stay connected to your vehicle,
the road and the world around you

SIMPLE. INTUITIVE. CONNECTED.

NissanConnect Services^[1] make you and your Qashqai even more connected. You get increased control of features such as remind-me alerts and speed alerts, personalised for each driver-profile.

FREEDOM OF CHOICE

Use Apple CarPlay^{[2][3]} and Android Auto^{TM[2][3]} to access your music, messages, favorite apps and more while you're driving. Benefit from in-car connectivity, wired or wireless.

SMART-HOME CONTROL

Easily connect to and control compatible smart home devices while in the car for peace of mind and convenience such as lights, A/C and even the start of your dishwasher.

PERSONALISED DRIVING EXPERIENCE

Focus on your drive thanks to Qashqai profile personalisation^[5] [for up to six drivers]. Your Qashqai recognizes you and adapts to your needs & preferences including car language, radio station, journey settings & history, app. login and configuration.

On board with Google built-In.

Qashqai is now as much a part of your Google ecosystem as all your essential devices^[1]. Interact seamlessly & naturally in & out of your Qashqai by accessing core Google apps and services making your car a logical extension of your digital world.

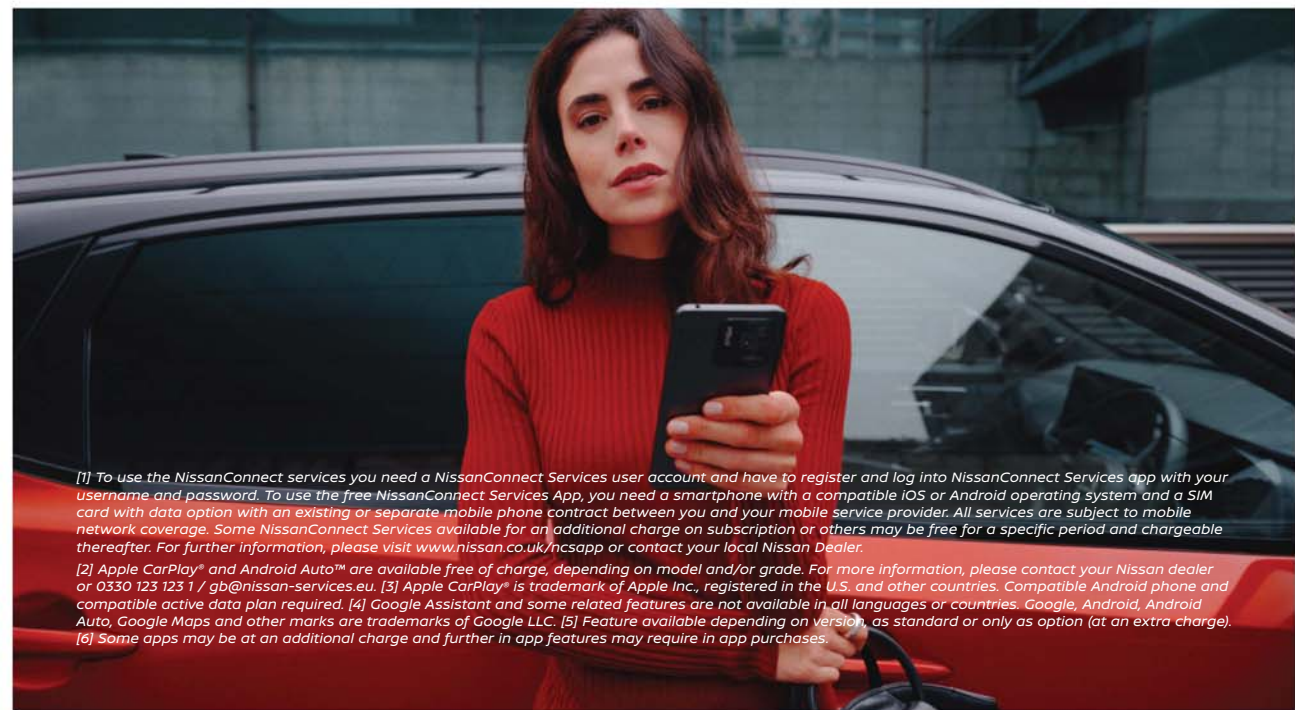

Talk to Google Assistant in your Qashqai to control functions such as navigation, calls & messages, calendar events creation and the A/C. Just say, "Hey Google" to get started.

Simple Google Maps navigation with live updates and no need to connect your smartphone. Once connected to your Google Account, get a personalised experience with maps that match your routine, your preferences and your schedule.

Whether for functional needs (e.g. parking) or for pure entertainment, Google Play Store brings over 70 apps^[6] to Nissan's in-car catalogue when you're connected to your Google Account. Use of the apps requires an internet connection. You can purchase in-car WIFI or use your phone data.

^[1] To use the NissanConnect services you need a NissanConnect Services user account and have to register and log into NissanConnect Services app with your username and password. To use the free NissanConnect Services App, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage. Some NissanConnect Services available for an additional charge on subscription or others may be free for a specific period and chargeable thereafter. For further information, please visit www.nissan.co.uk/ncsapp or contact your local Nissan Dealer.

^[2] Apple CarPlay[®] and Android Auto[™] are available free of charge, depending on model and/or grade. For more information, please contact your Nissan dealer or 0330 123 123 1 / gb@nissan-services.eu. ^[3] Apple CarPlay[®] is trademark of Apple Inc., registered in the U.S. and other countries. Compatible Android phone and compatible active data plan required. ^[4] Google Assistant and some related features are not available in all languages or countries. Google, Android, Android Auto, Google Maps and other marks are trademarks of Google LLC. ^[5] Feature available depending on version, as standard or only as option (at an extra charge). ^[6] Some apps may be at an additional charge and further in app features may require in app purchases.

Focus on what matters.^[1]

Every Nissan Qashqai is now equipped with advanced safety technologies^[2] to monitor the road and help keep you and your passengers safe. ProPILOT Assist with NAVI-Link^{[2][3]} helping to provide a comfortable, relaxing driving while maintaining an ideal distance from the vehicle in front.

Nissan Qashqai, with its suite of active and passive safety technologies, has achieved a 5 star Euro NCAP safety rating

INTELLIGENT CRUISE CONTROL
Keeps your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT FORWARD COLLISION WARNING
Keeps an eye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

EMERGENCY LANE KEEPING
A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

INTELLIGENT EMERGENCY BRAKING WITH JUNCTION ASSIST, PEDESTRIAN AND CYCLIST RECOGNITION
Monitors constantly the presence of vehicles, cyclists, or pedestrians in your way. The system warns the driver and applies brakes if there is any danger ahead and if it is necessary. Junction Assist improves safety at intersections by reducing the risk of collision with upcoming traffic.

^[1] It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit www.nissan.co.uk/techterms. ^[2] Feature available depending on version, as standard or only as option (at an extra charge). ^[3] ProPILOT Assist is available on a limited range of vehicles. ProPILOT Assist is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT Assist is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers). Driver should monitor all traffic sign and obey traffic laws. It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time.

Take a fresh view of parking.*

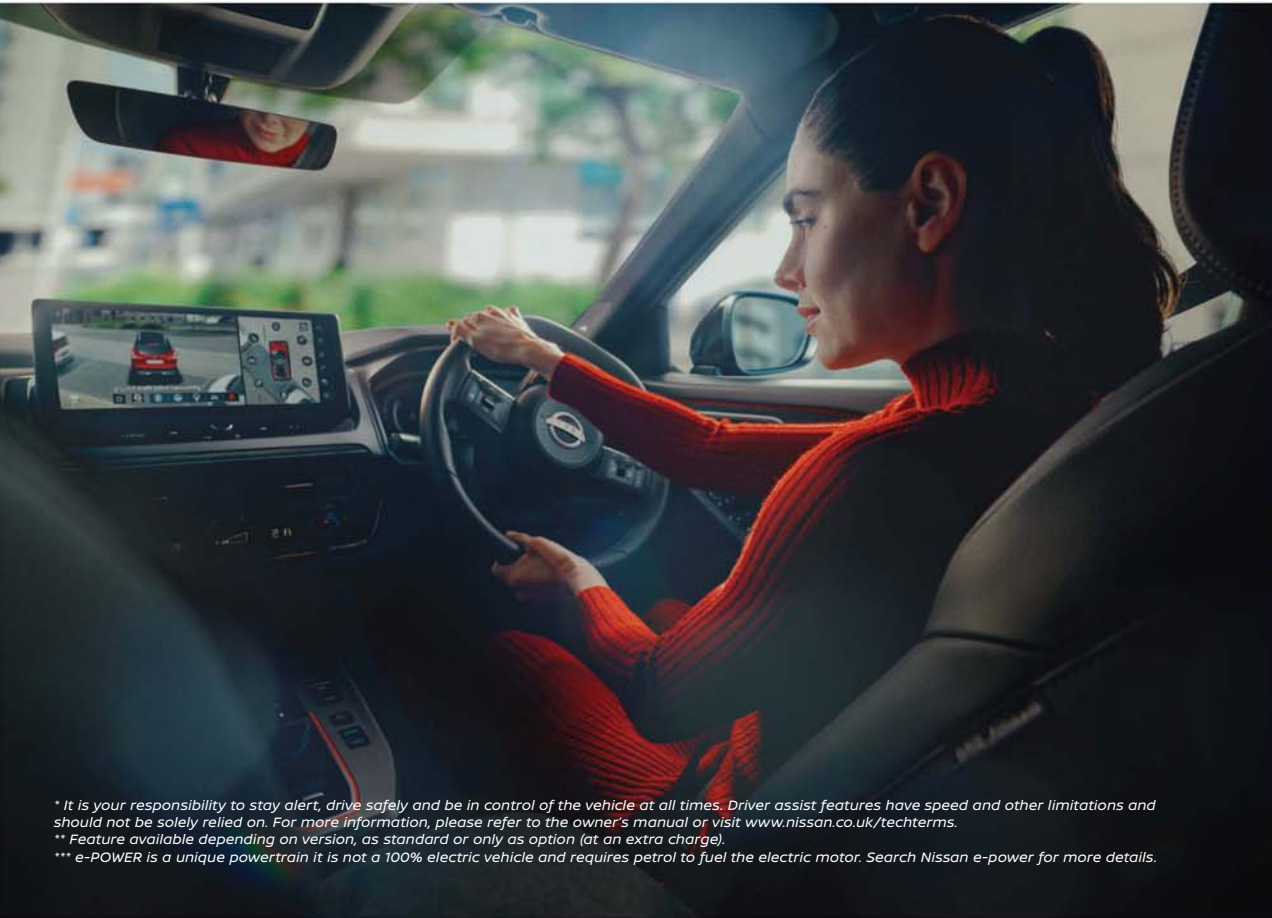

Qashqai's new 3D Around View Monitor** helps you park with confidence. ProPILOT Park**, available on Qashqai with e-POWER***, offers automatic parking space detection and automatic control of steering, braking and acceleration while parking.

Rear camera shows what is right behind you

Side camera shows you a kerbside view

All-around view adds a virtual 3D, 360° view as you manoeuvre

Front camera combines front and overhead views

Better all round.

Split-screen closeups of your front, rear and kerbside views and the new Invisible Hood View* giving you full visibility at ground level, are perfect for narrow spaces where precision is key.

* It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit www.nissan.co.uk/techterms.

** Feature available depending on version, as standard or only as option (at an extra charge).

*** e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.

*Feature available depending on version, as standard or only as option (at an extra charge).

190hp
Instant Power
& Acceleration

The perfect engine for your driving style.

New Qashqai offers two powertrains to match the way you drive. Feel driving pleasure with e-POWER,* this unique technology delivers instant torque and smooth acceleration from an electric, battery-powered motor that is recharged by a petrol engine. Or enjoy the convenient mild hybrid petrol engine, ideal for extra-urban driving.

e-POWER*

Wheels are driven by an electric motor, with the battery topped up by a petrol engine.

MILD HYBRID

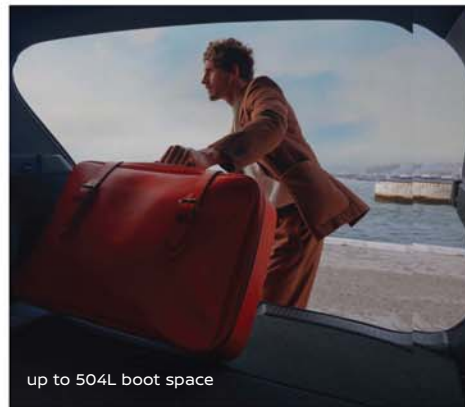

Wheels are driven by a petrol engine assisted by a Lithium-ion battery charged on the go.

* e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.

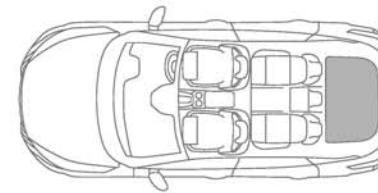

Handsfree power tailgate*

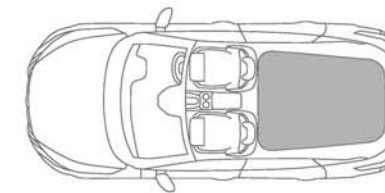

up to 504L boot space

UP TO 504L
BOOT SPACE

UP TO 1447L BOOT SPACE
WITH FOLDED SEATS

Step into space.

Up to 1447L of space means Nissan Qashqai is ready to carry everything you need. Two luggage boards (both with one wipe-clean surface) offer 16 boot configurations* for maximum flexibility, whatever your cargo. Smart features like the Nissan handsfree power tailgate* and wide opening rear doors take the hassle out of loading and unloading, to help you enjoy your trips even more.

*Feature available depending on version, as standard or only as option (at an extra charge).

85° door opening

Your Qashqai. Your way.

With five grades – including the distinctive, all-new sportiness of N-DESIGN, new Qashqai is all about choices. Pick from eight full-body colours and five two-tone options,* then take it further with sharp alloy wheels. Whatever your style, whatever your personality, there's a Qashqai for you.

* paints available depending on grade and may be subject to an additional charge.

Service Contracts

Give your Nissan Qashqai the care it deserves with a Nissan Service Plan. Nissan Service Plan covers all the scheduled operations recommended by Nissan and specified in the owner's manual & warranty booklet. Nissan Service Plan allows you to know from the start how much your Service will cost and can we guarantee this? that once a customer has purchase their maintenance contract the price is fixed? In addition to the scheduled operations, you can benefit from the replacement of wear and tear parts such as wiper blades or brake pads by subscribing to a Full Service Plan. Select the duration that covers your needs and benefit from the use of Nissan Genuine Parts fitted by our trained technicians. A well maintained vehicle has a greater resale value. If you sell your Nissan before your contract expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Plan improved peace of mind!

Extended Warranty

Nissan Extended Warranty gives you the opportunity to extend your warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

FUTURE SUSTAINABILITY GOALS

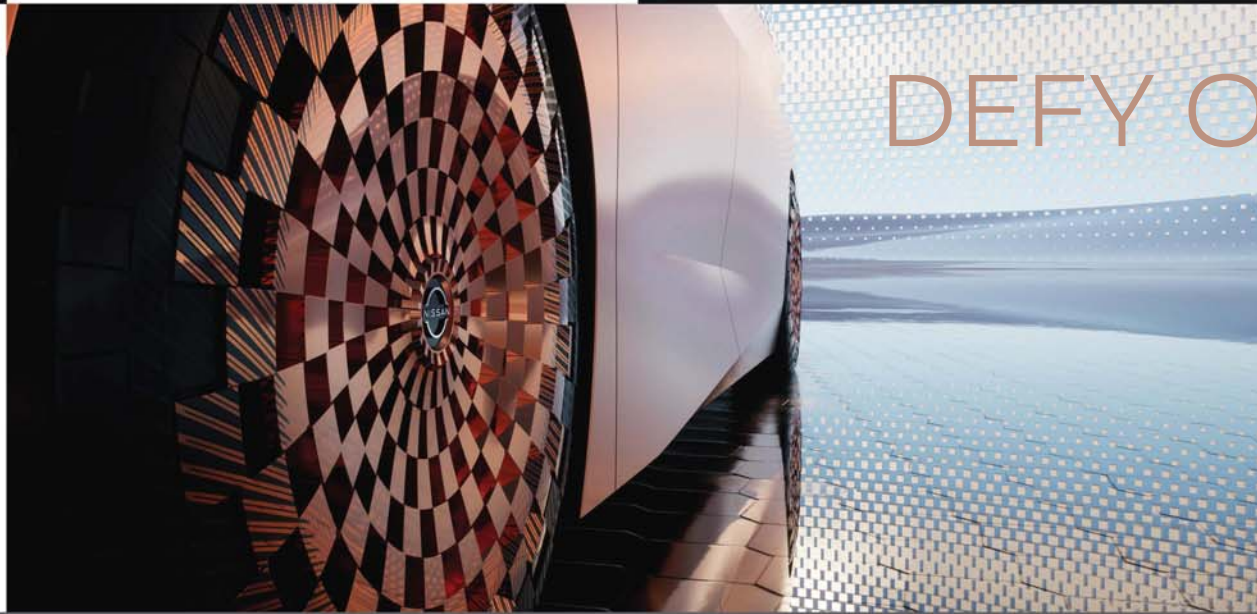

Nissan's future strategy centers on sustainability, aiming for carbon neutrality by 2050. How have we calculated this 41.2% - what have we based it on and what do we plan to do to achieve this number - we need to provide further details to customers re how we have determined we can achieve this - we can direct them to a website that provides more detail. Any claims around sustainability also need to comply with the Green Claims Code - this is included at Appendix 1 of the marketing checklist. The company plans to electrify all-new vehicle offerings in key markets by the early 2030s.

90 YEARS OF DARING TO DO WHAT OTHERS DON'T.

We have built our heritage on a passion for innovation and electric our cutting edge technologies such as e-POWER and e-4ORCE.* And promoting diversity, equity and inclusion.

* e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details. e-4ORCE all-wheel drive available on [X grade].

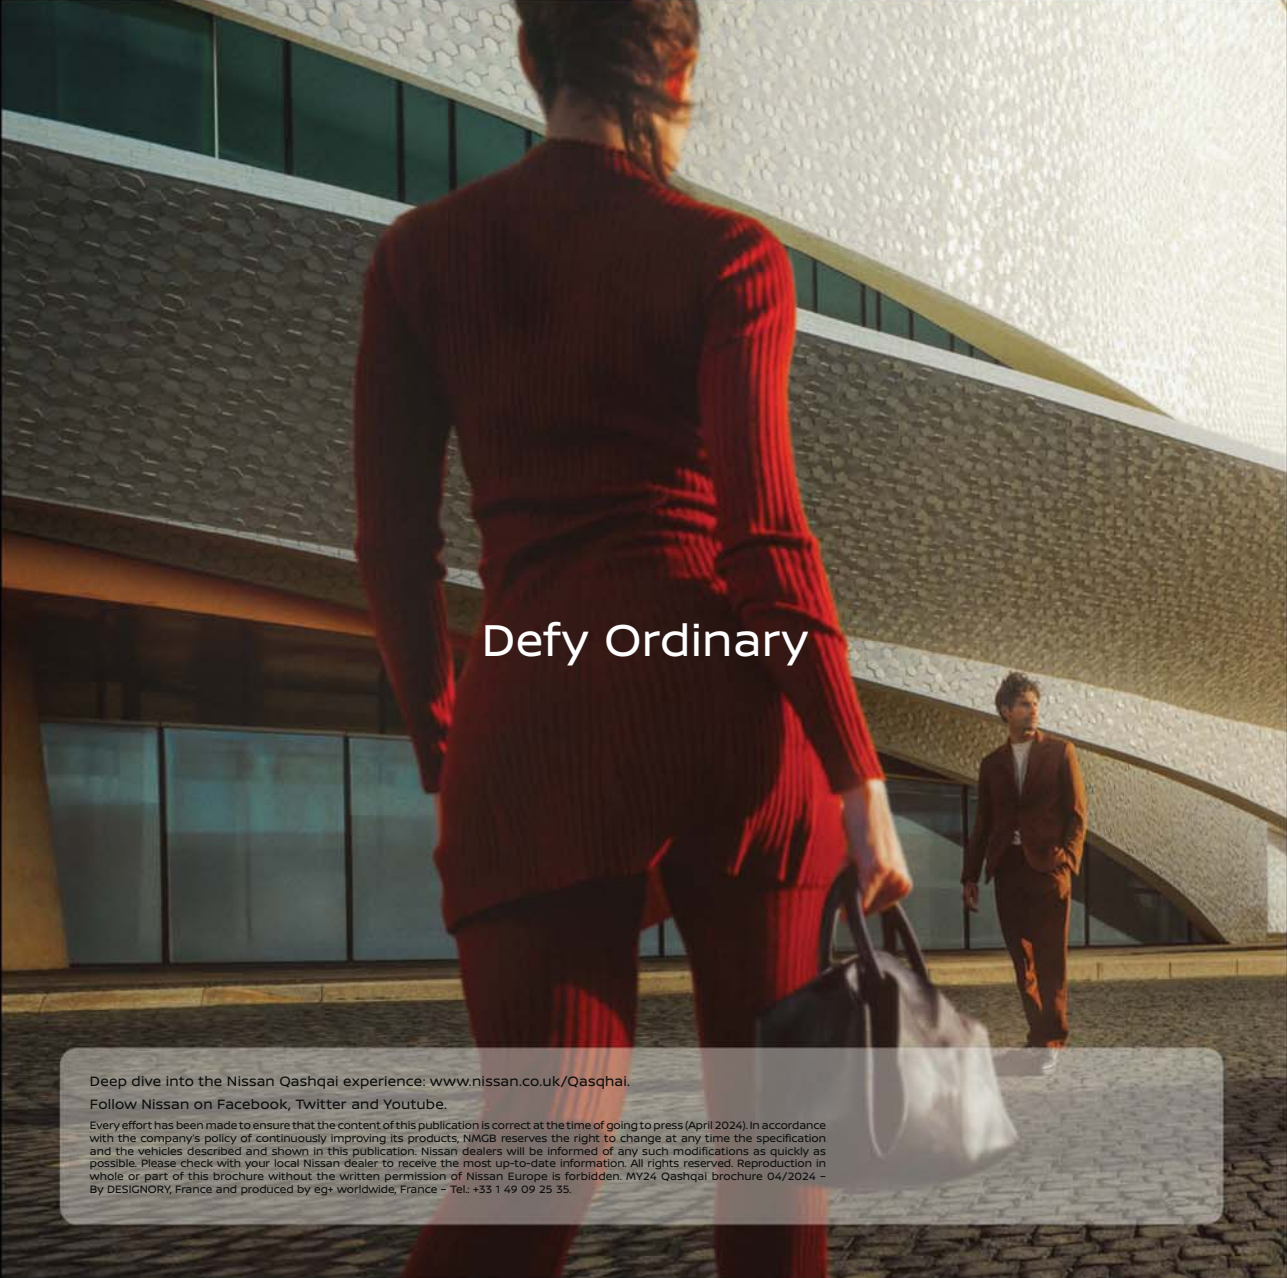

DEFY ORDINARY

It's something we've always done and unites us with those who dare to be different. Those who refuse to settle for the status quo. It means we're continually creating radical new experiences, challenging conventional ways of thinking and shaking up worldviews. We're firm believers that real thrill happens when you take the plunge.

That's why we welcome boldness and fearlessly embrace the unexpected.

That's why we defy ordinary.

Defy Ordinary

Every effort has been made to ensure that the content of this publication is correct at the time of going to press (June 2024). This brochure has been produced featuring prototype vehicles exhibited at motor shows. In accordance with the company's policy of continuously improving its products, Nissan International reserves the right to change at any time the specification and the vehicles described and shown in this publication. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Because of the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission of Nissan International is forbidden.
