IGNITE YOUR STREET-SMARTS

Ready for your next? Nissan Magnite is your smart partner, fueling your ambition with passion. Take the wheel and own the streets with a car that's ready to rise to every occasion.

A woman with long dark hair, wearing a white t-shirt, blue jeans, and a long white coat, is walking on a paved sidewalk. To her right is an orange Nissan Magnite SUV. The background features a building with a wooden lattice fence and a tree. The scene is brightly lit, suggesting a sunny day.

THE SMARTER CHOICE

With sleek design lines and a 'let's do this' vibe, Nissan Magnite is all about breaking the mold.

Packed with disruptive tech and bold style, it's the perfect mix of ambition and emotion.

Check out its dynamic features, built for today, tomorrow, and every day.

STREET STYLE REDEFINED

L-Shaped LED DRLs with LED Fog Lamps

LED Tail Lamp with 3D Honeycomb Gradient Effect

16" Diamond Cut Alloy Wheels with Dual Tone Finish

Functional Roof Rails

LED Bi-Projector Auto Headlamps with LED Lightsaber Turn Indicator

Powerful HRAO 1.0L Turbo Engine

Bold & Imposing Grille with Dual Tone Finish & Floating Skid Plate

LED Tail Lamp with 3D Honeycomb Gradient Effect

16" Diamond Cut Alloy Wheels with Dual Tone Finish

LED Tail Lamp with 3D Honeycomb Gradient Effect

Make a striking statement with Japanese-inspired 3D Honeycomb tail lamps.

16" Diamond Cut Alloy Wheels with Dual Tone Finish

Ride in style on every drive. The impressive new Diamond Cut Alloy Wheels of the All-New Nissan Magnite ensures that you take on every road boldly while enhancing precise steering and responsive handling.

Functional Roof Rails

Roof Rails of the All-New Nissan Magnite is not just great to look at but also extremely convenient and useful, thanks to its load carrying capacity of up to 50 kgs.

**LED Bi-Projector Auto Headlamps with LED
Lightsaber Turn Indicator**

The LED Headlamp with Bi-Functional Projector comprising 22 LEDs ensures optimum performance whether in high or low beam.

L-Shaped LED DRLs with LED Fog Lamps

Drive with complete confidence while making a strong style statement with the L-Shaped Daytime Running Lights and LED Fog Lamps.

Imposing Grille with Dual Tone Finish & Floating Skid Plate

Powerful HRAO 1.0 L Turbo Engine

The HRAO Turbo engine borrows “mirror bore cylinder coating” technology from world-class sports cars such as the Nissan GT-R, thus reducing resistance inside the engine, cutting weight, improving heat management and combustion, thus delivering smooth acceleration and efficient fuel use.

Imposing Grille with Dual Tone Finish & Floating Skid Plate

Make your first impression a lasting impression with the Bold Grille. The grille of the All-New Nissan Magnite is sure to dominate every road, stand out in every crowd.

A woman with dark hair and large hoop earrings is driving a car. She is wearing a blue button-down shirt over a white t-shirt and blue jeans. She is holding a coffee cup in her left hand and the steering wheel with her right hand. The car has brown leather seats with black stitching and a large infotainment screen. The background shows a red brick wall and a window with blinds.

THE MASTER OF THE STREETS

Cruise Control

Clear View Driving Position

7-inch TFT Advanced Multi-Function Dark
Themed Control Screen

Clear View Driving Position

Nissan Magnite offers a clear field of view like no other, giving you better visibility and road awareness with an optimum visibility angle of 35.4 degrees. An elevated seat position means that you are not only in command of your car but also of the way you drive.

7-inch TFT Advanced Multi-Function Dark Themed Control Screen

Truly modern, sophisticated and state-of-the-art. The dark themed Advanced Drive Assist Display is easy on the eye while giving you all the information that you need.

Cruise Control

On long drives, take your legs off the pedals, and relax. Cruise Control makes driving on the highway stress and exhaustion free.

A detailed view of the front interior of a Nissan vehicle. The dashboard and center console are finished with a light brown leatherette material. The steering wheel is black with the Nissan logo in the center. The instrument cluster shows a speedometer with a '0' in the center. The infotainment screen displays a grid of app icons including Phone, Maps, Messages, and Music. Below the screen are three circular air vents and a gear shift lever. The seats are upholstered in black leatherette with a quilted pattern and brown stitching.

CLASS-ABOVE IN CABIN EXPERIENCE

and Back Seat Knee Room

Wireless Connectivity to Android
Auto™ and Apple Carplay™

Standard Expandable Boot Space from
336L to 690L with Rear Seat Folding

Full Leather Instrument Panel
(Dashboard) and Door Trims

Premium MODURE Leatherette Quilted Seats with Heat Guard Tech

Bold, stylish, unforgettable. The UV-resistant Leatherette seats have been specially designed to offer you better surface heat reflection.

PlasmaCluster® Ionizer

Breathe freely with the PlasmaCluster® Ionizer with PM 2.5 filter. This innovative technology purifies the air you breathe and ensures a clean and healthy environment even in extremely polluted city streets. While it brings down AQI from 400 to 30 in just 20 mins, it also removes 99% of bacteria, and airborne mould and allergens. So, say goodbye to polluted air, dust, unpleasant odours and harmful pathogens.

Rear Vents

Enjoy all around comfort in the All-New Nissan Magnite. Strategically positioned for optimal airflow, these vents provide personalized cooling for those in the back seats. Whether it's a quick errand or a long road trip, the rear AC vents create an environment that enhances comfort and elevates every drive.

Continuous Multi Colour Ambient Light with Memory Function

Customise the overall interior design and ambience in your cabin according to your mood. Let the world know what you are feeling. The ambient light with memory function ensures continuous flow of illumination with multi-colour options in dashboard & front doors in four different colours - white, cyan, red, yellow.

Pleasantly Quiet Cabin with Superior Exterior Noise Insulation

Protect yourself and your loved ones from noise pollution. The All-New Nissan Magnite features cabin isolation thanks to thicker front door glass and expandable foams. This muffles external sounds to give you a better cabin experience than the road outside.

Class Above* Couple Distance and Back Seat Knee Room

Drive in complete comfort with 700mm space between the front row seats. This extra space also makes driving and shifting gears so much easier.

Make the back seat experience an enjoyable experience, every time. The 219mm knee room also ensures easier entry and exit, and comfortable seating, even during long drives.

Wireless Connectivity to Android Auto™ and Apple Carplay™

Back Seat Knee Room

Wireless Connectivity to Android Auto™ and Apple Carplay™

Seamlessly connect to the 8 inch infotainment screen and make every drive a pleasure.

Standard Expandable Boot Space from 336L to 690L with Rear Seat Folding

Carry everything you need and more with ample cargo space in the All-New Nissan Magnite. The 336L Boot Space can be expanded to 690L with the 2nd row down.

Full Leather Instrument Panel (Dashboard) and Door Trims

The unique Full Leather Instrument Panel (dashboard) and Door Trims bring a touch of elegance and sophistication to the interiors, elevating the car's overall premium and plush appeal. The material is also soft and luxurious to the touch.

SETTING NEW STANDARDS IN ACTIVE AND PASSIVE SAFETY

- Electronic Bezel-less Auto-dim IRVM
- Standard 6 Airbags
- 67% Usage of High Tensile Strength Steel
- Anti-Lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD)
- 360° Around View Monitor
- Hydraulic Brake Assist (HBA)
- Traction Control (TCS)
- Electronic Stability Control (ESC)
- Hill Start Assist (HSA)

Electronic Bezel-less Auto-dim IRVM

Drive confidently without any interference with the Auto-Dim IRVM that automatically dims the glare of bright headlights, enhancing safety during night driving.

Standard 6 Airbags

Your safety should always be a priority. That is why the All-New Nissan Magnite comes standard with 6 airbags that protects you and your loved ones from all sides.

67% Usage of High Tensile Strength Steel

The All-New Nissan Magnite uses more high tensile strength steel than all of its competitors, which ensures a stronger body, and of course, more safety.

Anti-Lock Braking System (ABS)
with Electronic Brakeforce Distribution (EBD)

Drive with passion and let the All-New Nissan Magnite take
care of your safety with ABS with EBD.

Hydraulic Brake Assist (HBA)

Surprises on the road? Trust the brakes of the All-New Nissan Magnite completely.

Traction Control (TCS)

Traction Control prevents wheel slip, especially on wet and uneven roads.

Electronic Stability Control (ESC)

Electronic Stability Control prevents skidding and loss of control on challenging roads.

Hill Start Assist (HSA)

Steep slopes are a breeze with the Hill Start Assist of the All-New Nissan Magnite. Drive boldly without any chance of rolling back.

360° Around View Monitor

Get a 360 degree view to help in parking on those tricky congested bits of road ensuring enhanced safety and convenience.

RULE THE ROADS

Eco Scoring and Eco Coaching
Least Turning Radius
205mm High Ground Clearance

Eco Scoring and Eco Coaching

How well have you been driving? The All-New Nissan Magnite will tell you, giving you constant feedback to make your driving better.

Least Turning Radius

Turn smoothly on every corner with a minimum turning radius of 5.0m. Manoeuvring tight spaces and parking lots is now a cakewalk with the All-New Nissan Magnite.

205mm High Ground Clearance

Boldly go where few dare to with the 205 mm ground clearance of the All-New Nissan Magnite. Navigate rough terrain with a higher ride height, reduce risk of the vehicle's undercarriage scraping and minimise body roll while improving stability on bumpy terrain.

MAXIMIZED STORAGE FOR ULTIMATE CONVENIENCE

Cooled Glove Compartment

Temperature controlled glove compartment specially designed to keep your snacks and beverages cool for the hot summers.

Front Armrest with Storage Space

Comfortable drive experience married with convenience. The Front Armrest offers an ergonomic rest for your arms while enhancing cabin functionality.

Overall Cabin Storage Spaces

Conveniently designed 19 L of Cabin Storage spaces (Glove Box + Armrest FR & RR, Centre Console and Door Storage) help you keep your belongings at a convenient arm's length.

UNLOCK A NEVER BEFORE EXPERIENCE

Premium i-Key with Walk Away Lock (WAL) & Approach Unlock (AUL)

The All-New Nissan Magnite automatically unlocks your car as you approach and locks it when you walk away, ensuring complete safety. The Smart Key communicates with the vehicle using radio frequency (RF) signals. The vehicle detects the key's location and, locks & unlocks the door accordingly.

State-of-the-Art Intelligent Key Fob
with Remote Engine Start

The All-New Nissan Magnite's Intelligent Key Fob fits perfectly in your hand, offering seamless control. With Remote Engine Start, you can start your car from 60 meters away, ensuring a ready-to-go drive every time.
