EXCEPTIONAL INNOVATION

Experience a more intuitive drive with the new Nissan ProPILOT.

Combining Intelligent Cruise Control and Steering Assist technologies, the ProPILOT acts as your advanced co-pilot that assists you with steering, accelerating, and braking.

NISSAN
INTELLIGENT
MOBILITY

EXCEPTIONAL CAPABILITY AND COMFORT

Transcend greatness on the road with its 3.5L V6 Twin Turbo engine and its groundbreaking Adaptive Air Suspension—a first in its segment. Both features are engineered for dynamic performance no matter where you choose to travel.

A LUXURIOUS EXPERIENCE

Elevate every journey with dual rear displays that provide first-class entertainment for every passenger and let the rich, immersive sound of the 12-speaker Klipsch Premium Audio System surround you in concert-like clarity.

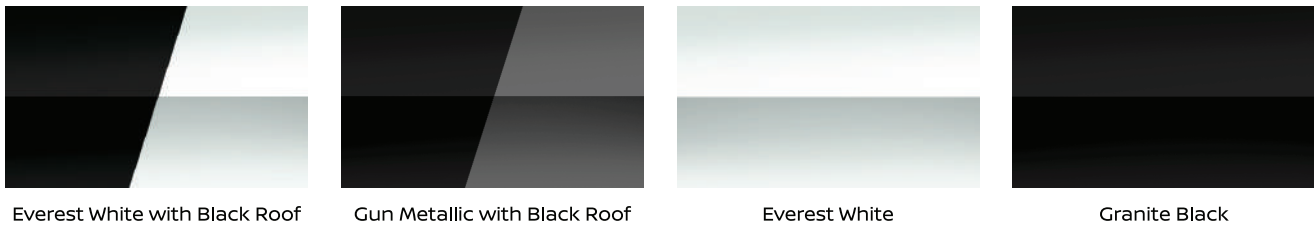

CAPTIVATING DESIGN

Make your grand entrance with the Patrol's striking dual-tone exterior and signature Double C-Shape headlights designed to flow seamlessly around the exterior.
