

LEAF[®]

2026

Easier. Smarter. And way cooler.

Eighteen billion miles of electric expertise shaped the third-generation LEAF.^{®1} Far from ordinary, the all-new LEAF merges seamless design with digital innovation for a next-generation EV experience. With a sculpted, aerodynamic exterior, refined, intuitive interior, and dynamic electric performance, LEAF is more than ready to recharge your world.

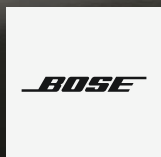

Nissan LEAF[®] Platinum+ shown in Seabreeze Blue Pearl / Super Black Two-tone.²

Intuitive, intelligent, and inviting

LEAF's open interior has been reimagined to elevate your comfort and connection to the drive. Its innovative Zero Gravity Seats³ can help reduce fatigue on long drives, while the available TailorFit[®] seating material provides a durable leather-alternative that's wrinkle-resistant and soft to the touch.

Bose Personal[®] Plus Audio System LEAF's available 10-speaker system takes high-quality listening to the next level. Music, calls, and podcasts come alive with immersive, crafted sound. Built-in headrest speakers let you adjust the soundstage for focused listening or a more immersive cabin experience. Drivers can take private calls or receive navigation directions without disrupting the music for other passengers.^{4, 5}

Nissan LEAF[®] Platinum+ shown in Light Gray TailorFit[®] with Deep Cobalt Accents and accessory Carpeted Floor Mats (4-piece set).

Dimming Panoramic Roof Control your light levels with the push of a button. Polymer Dispersed Liquid Crystal technology magically shifts from transparent to shaded, helping you set the mood just right.⁶

Divide-N-Hide[®] Cargo System This available smart storage solution adapts on the fly, ready to work hard with multiple cargo configurations. Adjust the floor height and create a divider. It's versatility, evolved. (LIMITED AVAILABILITY. Contact your local dealer for inventory.)^{6, 7, 8}

Next-generation personalization

Step inside LEAF® and feel an immediate connection. The available dual 14.3" high-resolution screens merge into a single, seamless display — putting maps, apps, and driving info right at your fingertips. Ambient lighting lets you set the mood with your own custom glow.^{4, 9, 10}

Nissan LEAF® Platinum+ shown in Light Gray TailorFit® with Deep Cobalt Accents and accessory Carpeted Floor Mats (4-piece set).

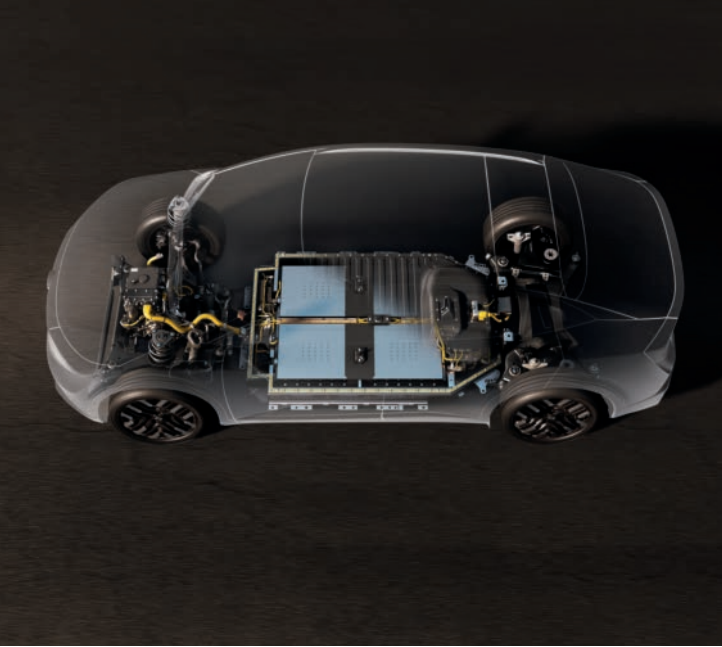

Head-Up Display This available system projects vital information onto your windshield, including directions from Google Maps, your vehicle speed, the posted speed limit, ProPILOT Assist activity, and more to help keep your eyes and focus straight ahead.^{4, 11, 12, 13}

Wireless Apple CarPlay® Integration Connect your compatible iPhone® to your LEAF without cables for a convenient and clutter-free cabin space. Access apps, navigation, calls, music, and more on your car's display or with Siri® voice control.^{4, 9, 14}

Wireless Android Auto™ Compatibility Control your Android Auto experience free from cords and hassles. Seamlessly connect your compatible Android™ phone to get directions, send messages, manage music, and more using just your voice.^{4, 9, 14 15}

Google built-in Use your voice with Google Assistant to change the temperature, choose your destination, play music, and more — just say “Hey Google.” Navigate with real-time traffic info on Google Maps, and access a variety of apps on Google Play, all available on your center display.^{4, 6, 9, 16}

Excitement measured in kilowatts

LEAF® features a 75 kWh lithium-ion battery engineered for long life and dependable performance. Built for durability and safety, its improved design is equipped to handle hot and cold weather conditions with electric performance that lasts.¹⁷

75 kWh battery – up to

303

EPA-estimated mile range per charge for S+ trim¹⁸

Convenient and compatible charging

LEAF is all about freedom of choice. Choose from the J1772 port located on the driver's side for Level 1 and 2 charging or the built-in North American Charging Standard (NACS) port on the passenger's side for DC fast charging. Access over 20,000 Tesla® Superchargers and pay for charging sessions directly through the MyNISSAN app with the NISSAN ENERGY Charge Network.^{14, 17, 19, 20}

Plug & Charge Payment The NISSAN ENERGY Charge Network feature in the MyNISSAN app allows you to tap into a robust, safe, and secure payment platform. Once activated, just plug into a compatible in-network station — no swiping credit cards or extra apps. Payments auto-process for dependable, hassle-free charging.^{19, 20, 39}

NISSAN ENERGY

Your anywhere power source

LEAF's Vehicle-to-Load (V2L) tech lets you power up home appliances on the go. With up to three 120-volt outlets with an output of 1,500 watts — inside the cabin or outside through an available weather-sealed external outlet — you can charge e-bikes, run gaming systems, or even use LEAF as an emergency power source to keep essential appliances, like refrigerators, up and running in case of a blackout. LEAF isn't just a car; it's your personal, portable power bank that's ready when you need it.^{6, 32}

Guided by intelligence

Find the most efficient routes, tailored for electric driving. Streamline your travels with Intelligent Route Planner, which preconditions your battery for faster, more efficient charging sessions. It also helps guide you to available charging stations using live data with traffic updates to deliver efficient routes optimized for your battery level preferences. Simply pick your destination and let LEAF's reliable navigation guide you effortlessly.^{4, 6, 9, 14, 19, 21}

Your highly capable assistant

LEAF® takes the grind out of your commute with ProPILOT Assist. Give your feet a rest while LEAF helps you stay centered in your lane, and maintain a preset distance from the car in front of you, easing the burden of stop-and-go traffic.¹³

Expand your perspective

LEAF's HD Enhanced Intelligent Around View® Monitor gives you a dynamic, crisp 360-degree view of what's around you in vivid, high-resolution, interactive 3D clarity. Easily tap through selectable views to make parking and maneuvering feel effortless.^{13, 22}

Control and customize your drive

Personalize your drive with LEAF's precision-engineered regenerative braking paddles, giving you control over how you stop on the road. Whether you want full control over coasting and braking or to get added deceleration that helps extend your range, the power is in your hands. It's EV performance you can dial in for more enjoyment behind the wheel.^{6, 18}

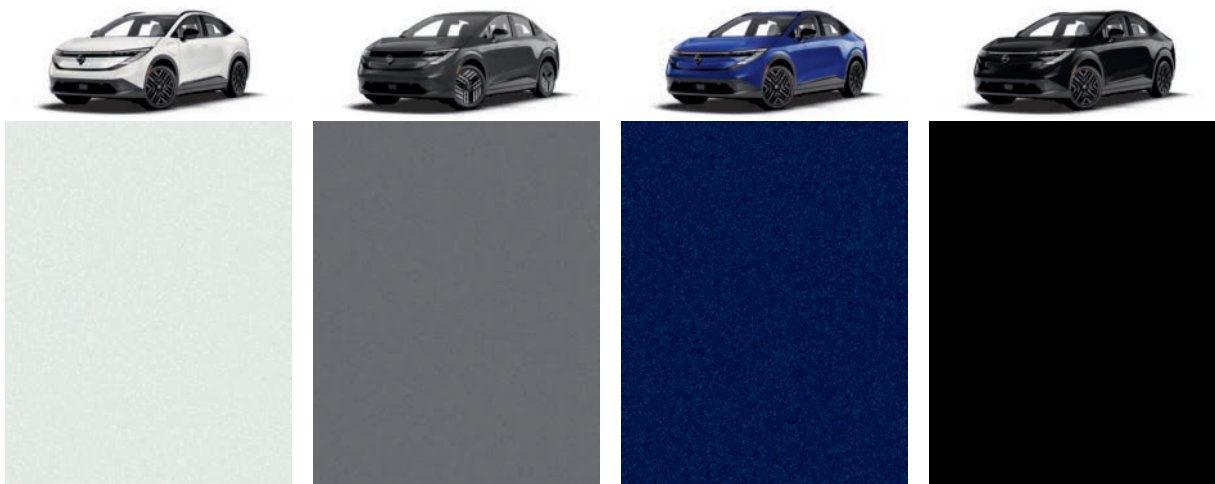

Nissan Safety Shield® 360

LEAF gives you added peace of mind by including the features below in its standard safety suite, providing you and your passengers with confidence and added peace of mind.¹³

NISSAN LEAF® ACCESSORIES

Make it yours

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase.²⁴ Affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan Limited Warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan-affiliated accessory or component. Contact your dealer/retailer for details.²⁵

For more information and to shop online for LEAF Genuine Nissan Accessories, scan the code.

Nissan LEAF® Platinum+ shown in Everest White Pearl TriCoat / Super Black Two-tone² with Roof Rail Crossbars,²⁶ Affiliated: Yakima® FrontLoader — Upright Bike Racks,^{8, 25} Dark Satin Side-Window Deflectors, Clear Rear Bumper Protector, and Splash Guards (4-piece set).

CHOOSE YOUR ACCESSORIES

- A. **All-Season Floor Mats — High Wall Liners (3-piece set)**
No sleet, snow, or mud shall mess up your ride.
- B. **Front Console Storage Bin**
Conveniently secure your loose items within easy reach.
- C. **Removable Lamp & USB Charger and Trunk Side Utility Bins (sold separately)**
A little extra light and power come in handy — and with added utility bins, your essentials stay neatly stowed.
- D. **V2L Connector (1.5kW)³²**
Turn your vehicle into your own portable power source.
- E. **Illuminated Kick Plates (4-piece set)²⁷**
Stylish kick plates that light up for a grand entrance every time.
- F. **Carpeted Cargo Area Protector (2-piece) and Rear Cargo Area Cover (sold separately)**
Protect your cargo area from everyday wear, and keep your belongings out of sight with the Rear Cargo Area Cover.
- G. **Dual Camera Drive Recorder^{28, 29}**
Keep a recording of your drive that shows both the road ahead and your in-cabin perspective — you never know when that extra perspective might come in handy.
- H. **Illuminated Cargo Scuff Plates**
A bright idea that helps protect your LEAF from scuffs and scratches.

Additional Accessories:

- CCS Adapter³⁸
- USB Charging Cable Set¹⁴
- Carpeted Floor Mats (2-piece set)
- Seatback Organizer
- Carpeted Cargo Area Protector (1-piece)
- Divide-N-Hide® Boards^{7, 30}
- Soft Sided Cargo Cooler
- Removable Tote Cargo Organizer
- Cargo Net
- Interior Door Scuff Protection
- Clear Hood Protector
- Dog Harness
- Pet Ramp
- Affiliated: Yakima® SupDawg — Surfboard Carrier^{8, 25}
- And More

For more information, see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). ¹⁷Charging time and capacity may vary based on power source, ambient temperature, battery temperature, condition, age, and use of vehicle accessories while charging. For Level 1 home charging use only a 110-120 volt, 15-amp dedicated outlet. For Level 2 home charging use only a 240 volt dock on a dedicated outlet. See Customer Disclosure Form for details. ¹⁸2026 EPA-estimated range of up to 303 miles for S+, 288 miles for SV+, and 259 miles for Platinum+. ²⁰²⁶ EPA Fuel Economy Estimates 131 City MPGe / 111 Highway MPGe for S+, 123 City MPGe / 105 Highway MPGe for SV+, and 110 City MPGe / 96 Highway MPGe for Platinum+. Based on EPA formula of 33.7 kWh equal to one gallon of gasoline energy. Actual mileage will vary with trim levels, options, and driving conditions. See Customer Disclosure Form for details. Use for comparison only. ¹⁹Public charging networks are provided by independent companies and are subject to their own respective policies, terms, and/or conditions, and are not within Nissan's control. Should such independent companies terminate or restrict service or features, service or features may be suspended or terminated without notice and without liability to Nissan or its partners or agents. Nissan is not responsible for associated costs (including additional equipment or equipment replacements/ upgrades, if available) or other third party changes that may be required for connectivity with a charger station. Availability of charging stations not guaranteed. Please see your owner's manual for important operating and safety information. ²⁰Feature functionality may vary by vehicle model and options. See MyNISSAN Terms and Conditions. ²¹Public charging networks are provided by independent companies, and are not within Nissan's control. Availability of charging stations not guaranteed. Actual route at time of departure may vary due to battery level at trip departure, changes in traffic, etc. that could affect the original trip plan. ²²Virtual composite 360° view. ²³e-Step does not bring the vehicle to a complete stop. Monitor traffic conditions and use conventional brake as needed. See Owner's Manual for safety information. ²⁴For complete limited warranty details, see your Nissan dealer and read the vehicle's Warranty Information Booklet. ²⁵Accessories shown on vehicle are not genuine Nissan parts/accessories. Not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan limited warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any accessory or component. Contact your dealer for details. ²⁶Genuine Nissan-Accessory Roof Rail Crossbars have a maximum weight limit of 165 lbs. ²⁷Only front kick plates illuminate. ²⁸Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. ²⁹Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. ³⁰Divide-N-Hide® Boards not yet available for purchase. Expected availability Winter 2025. ³¹Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. ³²V2L Connector (1.5kW) sold separately. Not required for Platinum trim. Vehicle to Load (V2L) charging will deplete the Li-Ion battery and does not charge below the minimum battery level (20%). For additional limitations and safety information, please read your vehicle's Owner's Manual. **³³Nissan vehicle with "SiriusXM with 360L" capability:** SiriusXM with 360L trial period is included with the purchase or lease of a new Nissan vehicle if: (i) vehicle is equipped with SiriusXM with 360L capability and (ii) vehicle is purchased or leased from new Nissan dealer stock. Trial period begins on the purchase or lease date of the qualifying new Nissan vehicle. SiriusXM with 360L is owned and operated by SiriusXM, use of SiriusXM account and its services and features are subject to the SiriusXM Customer Agreement and Privacy Policy available at [siriusxm.com](https://www.siriusxm.com), and are not within Nissan's control. Should SiriusXM terminate, change, or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents. Nissan and its partners or agents are also not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Trial period is subject to change or early termination at any time without notice. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **SiriusXM and SiriusXM with 360L Trial Subscription:** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription package. All fees, content and features are subject to change. ³⁴Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁵Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁶Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁷Roadside assistance coverage period varies by model year and model. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet. ³⁸The CCS Adapter provided by Nissan or purchased from a U.S. Nissan Dealership is deemed by Nissan as the only compatible adapter for 2026 LEAF ("Nissan-Compliant CCS Adapter"). Use of an adapter that is not a Nissan-Compliant CCS Adapter is strictly prohibited. ³⁹Subscription and activation required. See Nissan Store in the MyNISSAN app for Terms and Conditions. ⁴⁰For more charging information, see [NissanUSA.com/vehicles/going-electric-ev/range-charging.html](https://www.nissanusa.com/vehicles/going-electric-ev/range-charging.html). ⁴¹Products and services offered on Nissan Energy Marketplace powered by Electrum website are not Nissan products/services or from Nissan vendors. Contact product/service manufacturer before purchase for information on compatibility and warranty. Nissan does not warrant and is not responsible for loss, including consequential, incidental, or other damages, caused by charger defects, charger incompatibility, or installation services.
